Re: FPPC File No. 100007; Ivan Altamura

Dear Mr. Altamura:

On January 12, 2010, the Enforcement Division of the Fair Political Practices Commission received a letter from you retracting the amendment you filed disclosing a gift to be added to your 2008 Annual Statement of Economic Interests (SEI). Specifically, you are retracting the amendment disclosing the gift of attending a reception paid for by Boeing,[1] because, as you state in your letter to us, you had neither food nor drink at the event.

Based on your explanation, we are closing this case with no further action. If you have any questions, you may contact me at (916) 322-8241.

Very truly yours,

[1] Our letter to you in response to your amendment erroneously identified the gift as coming from the Pechanga Band of Luiseño Mission Indians.
