Re: Amy Chuang; FPPC Case No. 10/998

Dear Ms. Chang:

Regarding your agency's referral of the committee named above for not filing the 2009 Statement of Economic Interests, we have since learned from both you and Ms. Chuang that the statement has been filed. Because Ms. Chuang complied on October 8, 2010, prior to contact from the Enforcement Division, we have closed our file on this matter without further enforcement action.

If you have any questions regarding this letter, please contact me at (916) 322-8241.

Sincerely,

REDACTED
