Re: **Warning Letter; FPPC File No. 050536**

Dear Mr. Murguia:

As you may know, the Enforcement Division of the Fair Political Practices Commission (the "FPPC") received a complaint against you for failing to file your 2004 Statement of Economic Interests while serving on the City of Guadalupe Planning Commission. We have decided to close this case with this warning letter.

The FPPC enforces the provisions of the Political Reform Act (the "Act"), found in Government Code section 81000, et seq. The Act requires persons designated in a conflict of interest code to complete Statements of Economic Interests (Form 700) disclosing their economic interests on an annual basis. (Government Code Sections 87300-87302.)

This letter serves as a written warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on future conduct or newly discovered information. Failure to comply with the provisions of the Act in the future will result in monetary penalties of up to $5,000 for each violation.

The Commission publishes forms and manuals to facilitate compliance with the provisions of the Act and provides guidance regarding filing obligations over the telephone and through written advice. Please call the Commission's Technical Assistance Division at 1-866-275-3772 or visit our website at www.fppc.ca.gov.

Sincerely,

Gary Winuk, Chief
Enforcement Division
