Re: Warning Letter
FPPC No. 090661; Cindy Aronberg

Dear Ms. Aronberg:

The Fair Political Practices Commission ("Commission") enforces the provisions of the Political Reform Act (the "Act") found in Government Code Section 81000, and following. The Act requires that persons identified in Section 87200 file a Statement of Economic Interests (Form 700) when they assume office, annually thereafter and within 30 days of leaving their position.

The Enforcement Division of the Commission has determined that you failed to file a leaving office statement of economic interests due within 30 days of leaving your position as a designee with the California Coastal Commission.

We have decided to close this case. Your failure to file the required statement is a violation of the Act. (Gov. Code § 87204.) This letter serves as a written warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on future conduct or newly discovered information.

You must immediately file this statement with the Commission's Technical Assistance Division.

Failure to comply with the provisions of the Act in the future may result in an enforcement action against you, including monetary penalties of up to $5,000 for each violation.

Although the Enforcement Division is not seeking a penalty in the current matter, you are still responsible for any late filing fees assessed by the Technical Assistance Division. (Gov. Code § 91013.)

The Commission publishes forms and manuals to facilitate compliance with the provisions of the Act. If you need forms or a manual, or guidance regarding your obligations, please call the Commission's Technical Assistance Division at 1-866-275-3772. Please also visit our website at www.fppc.ca.gov.

If you have questions regarding this matter, please contact Jeanette Turvill at (916) 322-8194.

Sincerely,
