

(Regulations of the Fair Political Practices Commission, Title 2, Division 6, California Code of Regulations.)

§ 18402. Committee Names.

(a) A committee must use only one name on its statement of organization.

(b) The Secretary of State must not issue an identification number to any committee with the same name as any existing committee that already has an identification number. The name of one committee is considered the same as that of another committee if the same words are used in the same order, excluding articles. If two or more different committees file a statement of organization listing the same name, the Secretary of State will issue an identification number to the first committee to file a statement of organization once it qualifies as a committee and indicates on the statement that the committee has qualified as a committee and the date it qualified.

(c) Whenever identification of a committee is required by law, the identification must include the full name of the committee as required in the statement of organization except as provided in Sections 84502 and 84503.

(1) The name of a committee controlled by one or more candidates must include the last name of each candidate that controls the committee.

(2) The name of a committee controlled by one or more candidates for purposes of the election of the controlling candidate or candidates must include, in addition to the last name of the controlling candidate(s), the office sought and year of the election. This paragraph only applies to a committee formed for an election held on or after January 1, 2009, or redesignated by a candidate for local elective office for an election held on or after January 1, 2009.

(3) The name of a non-candidate controlled committee primarily formed to support or oppose one or more candidates must include the last name of each candidate whom the committee supports or opposes as listed on its statement of organization, the office sought, year of the election, and whether the committee supports or opposes the candidate.

(4) The statement of organization of the following types of committees must include the name of the committee as specified in the Section or Regulation listed below:

(A) Sponsored Committee -- Regulation 18419(b)(1).

(B) Officeholder Committee -- Regulation 18531.62(c)(2).

(C) Legal Defense Fund Committee -- Regulations 18530.4(b) and 18530.45(c).

(D) Recall Committee -- Regulation 18531.5(c)(1) and (3).
