Additional Notes:

- ***Period Covered:** The period covered by any statement begins on the day after the closing date of the last statement filed, or January 1 if no previous statement has been filed.
- ****Deadlines:** Due to the date of the March 2 election being held early in the year, the deadline for the first pre-election report for calendar year 2021 is earlier than the semi-annual report for calendar year 2020. A candidate/committee active in both calendar years may file the 2020 semi-annual report on January 21, 2021. However, the candidate/committee must still file a pre-election statement by January 21, 2021, as well.
- *****Deadlines:** Due to the date of the July 20 Special General Election, the second pre-election statement for the July 20 Special General Election and the semi-annual statement may be combined.
- **Odd Year Report:** File by April 30, 2021 if contributions totaling \$10,000 or more are made to committees controlled by *elected* state officers between January 1 and March 31, 2021 and by October 31 if contributions totaling \$10,000 or more are made to committees controlled by *elected* state officers between June 1 and September 30, 2021.
- **Deadline Extensions:** Deadlines are extended when they fall on a Saturday, Sunday, or an official state holiday. This extension does not apply to a 24-Hour/10-Day Contribution Report (Form 497) that is due the weekend before an election, and this extension never applies to any 24-Hour/10-Day Independent Expenditure Report (Form 496). Such reports must be filed within 24 hours regardless of the day of the week.
- **California Access Replacement System (CARS):** The new Cal-Access system is expected to go live in 2021.
- **E-filer:** Until the California Access Replacement System (CARS) is live, only state committees that have received contributions or made expenditures totaling \$25,000 or more e-file. Once the CARS system is live, all state committees must file online or electronically with the Secretary of State.
- **Forms 450 and 460:** All state committees, including e-filers, must also file paper statements. Paper statements may be filed by first class mail unless otherwise noted. Once the California Access Replacement System (CARS) system is live, all state committees will file online or electronically with the Secretary of State, no paper copies will be required.
- **Forms 496 and 497:** Payments for member communications are reportable within 24 hours if the member communication would otherwise be considered a contribution or independent expenditure, and the payments are made during the election cycle.
- **State Contribution Limits:** Refer to the [contribution limits chart](#) on the FPPC website.
- **Penalties:** Late statements and reports are subject to a fine of \$10 per day on both the paper and the e-filed version (e.g., \$20 per day for a late e-filed Form 460). Once the California Access Replacement System (CARS) system is live, all state committees will file online or electronically with the Secretary of State and late e-filed statements and reports will be subject to a fine of \$10 per day. Failure to file a statement or report could result in an enforcement penalty of \$5,000 per violation.
- **Public Documents:** All statements and reports are public documents.
- **Resources:** Campaign manuals and other instructional materials are available on the [Campaign Rules](#) page. Or, visit www.fppc.ca.gov > Learn > Campaign Rules.
