**Background**

This form is used to report additional compensation that officials receive when appointing themselves to positions on other committees, boards or commissions of a public agency, special district, and joint powers agency or authority. For example, a city councilmember may be appointed to serve as the city’s representative on a joint powers insurance authority or a metropolitan planning organization. (FPPC regulation 18705.5 amended 03.2012)

Each agency must post a single Form 806 which lists all the paid appointed positions. When there is a change in compensation or a new appointment, the Form 806 is updated to reflect the change. The form must be updated promptly as changes occur.

**Instructions**

**Part 1. Agency Identification**
Identify the agency name and information on who should be contacted for information.

**Part 2. Appointments**
Identify the name of the other agency, board or commission. List the name of the official, and an alternate if any.

**Frequently Asked Questions (FAQs)**

1. **When does an agency need to complete the Form 806?**
   
   A Form 806 is required when an agency appoints a representative to serve on another governmental agency and pay is provided. Posting the information allows the public to participate more fully in managing their public officials' use of resources as compensation for these additional duties.

2. **The city council also sits as the city’s housing authority, a separate entity. Will the Form 806 be required?**
   
   If the council members receive an additional compensation for serving on the housing authority, the Form 806 is required. If there is no payment, the Form 806 is not required.

3. **If a member of a planning commission, non-elected position, also is appointed to serve on a regional planning authority, will the Form 806 be required?**
   
   If the planning commission member will receive an additional stipend for serving on the other authority, the Form 806 is required. If there is no payment, the Form 806 is not required. The form is required for both elected and non-elected public officials.

4. **In determining the salary, must the agency include mileage reimbursements, travel payments, health benefits, and other compensation?**
   
   No. The FPPC regulation only requires the reporting of the stipend or salary.

5. **Which agency must post the Form 806?**
   
   The agency that is voting to appoint a public official must post the Form 806. The agency that the official will serve as a member is not required to post the Form 806. The Form is not sent to the FPPC.
