Political Advertising Disclaimers- Fact Sheet and Charts

The FPPC has prepared a fact sheet describing the political advertising disclaimers required for ballot measure committees, candidates and committees making independent expenditures.

FPPC staff from the Legal and Technical Assistance Division designed the format and information so that it is easier for committees engaging in political communications to comply with the rules. The fact sheet is in draft format and is being circulated to solicit comments before publication.

Comments should be emailed to Barbara Smith at Bsmith@fppc.ca.gov or Lynda Cassady at lcassady@fppc.ca.gov (or call 916.322.5660) by March 22, 2012. It is anticipated that the fact sheet will be finalized and posted shortly thereafter.
