Commission staff is proposing technical updates to the current Statement of Economic Interests, Form 700, and related documents. Information can be accessed at the FPPC website at http://www.fppc.ca.gov/index.php?id=450.

Please note the following:

- Information that is changing is highlighted in yellow. The updated gift limit will be addressed by the Commission at its November meeting.
- The Schedule format changes address commonly omitted information from individuals completing the form on paper. The changes are expected to result in more accurate reporting and thus reduce the number of amendment requests sent by FPPC staff.
- Page number references to the Form 700 and Reference Pamphlet will be updated, if necessary, after adoption of the Form 700 package.

Comments and suggestions are encouraged and should be directed to Trish Mayer at tmayer@fppc.ca.gov before November 1, 2014. Unless requested, an IP meeting at the Commission office will not be held. It is expected that this package will be adopted at the Commission’s November meeting.
