An act to amend Section 84305.5 of the Government Code, relating to the Political Reform Act of 1974.

LEGISLATIVE COUNSEL’S DIGEST

SB 26, as introduced, Correa. Political Reform Act of 1974: slate mailers.

The Political Reform Act of 1974 regulates mass mailings, known as slate mailers, that support or oppose multiple candidates or ballot measures for an election. The act requires that each slate mailer identify the slate mailer organization or committee primarily formed to support or oppose one or more ballot measures that is sending the slate mailer, and to contain other information in specified formatting. The act also requires a notice to voters in a specified type and color or print consisting of a prescribed statement be included on a side or surface of the slate mailer.

This bill would modify the font and type specifications with respect to the slate mailer organization or committee identification requirement and would revise the placement and font size and color specifications with respect to the prescribed notice to voters.

Existing law makes a knowing or willful violation of the Political Reform Act of 1974 a misdemeanor and subjects offenders to criminal penalties.

By making the format requirements of slate mailers more restrictive, this bill would impose a state-mandated local program.

The Political Reform Act of 1974, an initiative measure, provides that the Legislature may amend the act to further the act’s purposes
upon a 2/3 vote of each house and compliance with specified procedural requirements.

This bill would declare that it furthers the purposes of the act. The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement. This bill would provide that no reimbursement is required by this act for a specified reason.

The people of the State of California do enact as follows:

SECTION 1. Section 84305.5 of the Government Code is amended to read:

The payment shall also be deemed to constitute authorization to appear in the mailer.

SEC. 2. No reimbursement is required by this act pursuant to Section 6 of Article XIIIB of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIIIB of the California Constitution.

SEC. 3. The Legislature finds and declares that this bill furthers the purposes of the Political Reform Act of 1974 within the meaning of subdivision (a) of Section 81012 of the Government Code.
