Subject: Unwarranted raise to his wife by Kirk Uhler

EXTERNAL EMAIL

Commissioners,

My name is Dan Hubiak. I have lived in Placer County for the last 26 years and over the last few years under Mr. Urler control so many unethical decisions/practices have been happening. This is just another item that needs to be looked at. If it were my decision I would reversed this raise and implement a fair and logical raise, if warranted, 5%??? I have recently become aware of Kirk Urler failure to disclose a huge raise for his wife. His attempt to hide this information from the public should not go unpunished. Please uphold the intent of the Political Practices Act and censure and fine Supervisor Uhler for his blatant attempt to circumvent the law.

This has to stop!!! Please do the right thing....

Respectfully,

Dan Hubiak
