Subject: Legislative Report

Date: March 5, 2012

The November 29, 2011, legislative report indicated that staff had discussed general ideas for legislative proposals about issues related to committee treasurers and more stringent regulation on independent expenditures. The report indicated that staff would put together specific legislative proposals; however, it has been determined that additional research and input is necessary. Staff will continue to research and obtain beneficial input and plans to put together specific proposals for your review prior to the beginning of the 2013 – 2014 Legislative Session.

Staff would like to discuss how the Commission would prefer to handle bill positions on proposals that amend the Political Reform Act and/or affect the Commission. Based on the results of that discussion, recommendations for positions may be presented for adoption at the April 5, 2012, hearing.

**Legislation Approved by the Legislature and Signed by the Governor – Effective February 10, 2012**

**Chapter 3, Statutes of 2012 - AB 1413 (Fong)**

**Member Communications**

This bill contains an urgency clause and became effective immediately upon approval by the Governor. It makes changes to the Act’s “member communications” provisions to conform to the voter-nominated/top two primary election process. Under the Act, payments for communications to members, employees or shareholders, or families of members, employees, or shareholders of an organization for the purpose of supporting or opposing a candidate or a ballot measure are not contributions or expenditures, provided the payments are not made for general public advertising. However, previously payments made for communications by a political party to its members who were registered with that party which would otherwise qualify as contributions or expenditures were required to be reported. As of February 10, 2012, payments made for communications by a political party to a member who is registered as expressing a preference for that party on his or her affidavit of registration which would otherwise qualify as contributions or expenditures are required to be reported. The bill also includes several changes to the Elections Code.

**Proposed Law**

This bill would require a city or county clerk who maintains a website to post a notification on that website that identifies the elected officers who file SEIs with that clerk. The notification must include a statement that a copy of a SEI may be obtained by visiting the offices of the Commission or the city or county clerk. In addition, the bill would require that the notification include a link to the Commission’s website and a statement that certain SEIs are available on the Commission’s website.

Proposed Law
This bill would revise the fair market value ranges to provide the following 8 options for investments and real property interests: $2,000 - $25,000; $25,001 - $100,000; $100,001 - $250,000; $250,001 - $500,000; $500,001 - $1,000,000; $1,000,001 - $5,000,000; $5,000,001 - $10,000,000; and more than $10,000,000. In addition, the bill would prohibit a local government agency from imposing filing requirements or contribution limits on elected members of, or candidates for election to, a county central committee of a qualified political party.

Proposed Law
This bill would require, except as specified, that if a fiscal analysis prepared by the Legislative Analyst determines that a measure would provide an increase in revenues to fund new or existing programs, that specified language be added at the end of the “yes” and “no” summary statement in the ballot pamphlet, advising that unless changed by a future measure approved by the voters, the initiative would forever dedicate the revenue to program identified in the initiative.

AB 1413, Fong. Elections.

Existing provisions of the California Constitution require a “voter-nominated primary election” for each state elective office and congressional office in California, in which a voter may vote at the primary election for any candidate for congressional or state elective office without regard to the political party preference disclosed by either the candidate or the voter. The candidates receiving the 2 highest vote totals for each office at the primary election, regardless of party preference, compete for the office at the general election. Existing provisions of the Elections Code implement the “voter-nominated primary election” of the California Constitution.

This bill would make technical revisions to provisions of the Elections Code to reflect the “voter-nominated primary election” process. The bill would conform the procedures applicable in case of a tie in the primary election for voter-nominated offices to the existing provisions applicable to specified partisan offices. The bill would impose requirements for forms relating to declaration of candidacy for voter-nominated offices, state ballot pamphlets, and ballots.

Existing law requires every person who desires to be a write-in candidate and have his or her name as written on the ballot of an election counted for a particular office to file a statement of write-in candidacy that contains specified information.

This bill would require that a statement of write-in candidacy for a voter-nominated office also include a certification of the candidate’s complete voter registration and party affiliation or preference history for the preceding 10 years, or for as long as he or she has been eligible to vote in the state if less than 10 years. This bill would also provide that a person may not be a write-in candidate at the general election for a voter-nominated office.
Existing law states that a vacancy exists on a general election ballot whenever a candidate for nomination for a nonpartisan or voter-nominated office at a primary election dies on or before the day of the election, and a sufficient number of ballots are marked as being voted for him or her to entitle him or her to nomination if he or she had lived until after the election.

This bill would instead require the name of the candidate for nomination for a voter-nominated office at a primary election to appear on the general election ballot under those circumstances.

Existing law prohibits a vacancy on the general election ballot to be filled except if the elections official ascertained the candidate’s death at least 68 days before the date of the ensuing general election.

This bill would prohibit a vacancy on the general election ballot for a voter-nominated office to be filled without exception. This bill would require the name of a candidate who dies but is otherwise entitled to appear on the general election ballot to appear on the ballot and would require the votes cast for the deceased candidate to be counted in determining the results of the election for that office.

The Political Reform Act of 1974 defines and regulates campaign contributions and expenditures, including payments made by a political party for communications with its members.

This bill would make conforming changes to those provisions to reflect the voter-nominated primary election process.

The Political Reform Act of 1974, an initiative measure, provides that the Legislature may amend the act to further the act’s purposes upon a 2/3 vote of each house and compliance with specified procedural requirements.

This bill would declare that it furthers the purposes of the act.

This bill would declare that it is to take effect immediately as an urgency statute.

The people of the State of California do enact as follows:

SECTION 1. Section 13 of the Elections Code is amended to read:

13. (a) A person shall not be considered a legally qualified candidate for an office, for party nomination for a partisan office, or for nomination to participate in the general election for a voter-nominated office, under the laws of this state unless that person has filed a declaration of candidacy or statement of write-in candidacy with the proper official for the particular election or primary, or is entitled to have his or her name placed on a general election ballot by reason of having been nominated at a primary election, or having been selected to fill a vacancy on the general election ballot as provided in Section 8807, or having been selected as an independent candidate pursuant to Section 8304.

(b) Nothing in this section shall be construed as preventing or prohibiting any qualified voter of this state from casting a ballot for a person by writing the name of that person on the ballot, or from having that ballot counted or tabulated, nor shall this section be construed as preventing or prohibiting a
person from standing or campaigning for an elective office by means of a “write-in” campaign. However, nothing in this section shall be construed as an exception to the requirements of Section 15341 or to permit a person to be a write-in candidate contrary to Sections 8600 and 8606.

(c) It is the intent of the Legislature, in enacting this section, to enable the Federal Communications Commission to determine who is a “legally qualified candidate” in this state for the purposes of administering Section 315 of Title 47 of the United States Code.

SEC. 2. Section 325 of the Elections Code is repealed.

SEC. 3. Section 334 of the Elections Code is amended to read:

334. “Nonpartisan office” means an office, except for a voter-nominated office, for which no party may nominate a candidate. Judicial, school, county, and municipal offices, including the Superintendent of Public Instruction, are nonpartisan offices.

SEC. 4. Section 359.5 of the Elections Code is amended to read:

359.5. (a) “Voter-nominated office” means a congressional or state elective office for which a candidate may choose to have his or her party preference or lack of party preference indicated upon the ballot. A political party or party central committee shall not nominate a candidate at a state-conducted primary election for a voter-nominated office. The primary conducted for a voter-nominated office does not serve to determine the nominees of a political party but serves to winnow the candidates for the general election to the candidates receiving the highest or second highest number of votes cast at the primary election. The following offices are voter-nominated offices:

(1) Governor.
(2) Lieutenant Governor.
(3) Secretary of State.
(4) Controller.
(5) Treasurer.
(6) Attorney General.
(7) Insurance Commissioner.
(8) Member of the State Board of Equalization.
(9) United States Senator.
(10) Member of the United States House of Representatives.
(11) State Senator.
(12) Member of the Assembly.

(b) This section does not prohibit a political party or party central committee from endorsing, supporting, or opposing a candidate for an office listed in subdivision (a).

SEC. 5. Section 2151 of the Elections Code is amended to read:

2151. (a) At the time of registering and of transferring registration, an elector may disclose the name of the political party that he or she prefers. The name of that political party shall be stated in the affidavit of registration and the index.

(b) (1) The voter registration card shall inform the affiant that an elector may decline to disclose a political party preference, but a person shall not
be entitled to vote the ballot of a political party at a primary election for President of the United States or for a party committee unless he or she has disclosed the name of the party that he or she prefers or unless he or she has declined to disclose a party preference and the political party, by party rule duly noticed to the Secretary of State, authorizes a person who has declined to disclose a party preference to vote the ballot of that political party. The voter registration card shall further inform the affiant that a registered voter may vote for any candidate at a primary election for state elective office or congressional office, regardless of the disclosed party preference of the registrant or the candidate seeking that office or the refusal of the registrant or candidate to disclose a party preference.

(2) The voter registration card shall include a listing of all qualified political parties. As part of that listing, the voter registration card shall also contain an option that permits the affiant to decline to disclose a party preference. This option shall be placed at the end of the listing of qualified political parties.

(c) A person shall not be permitted to vote the ballot of a party or for delegates to the convention of a party other than the party disclosed as preferred in his or her registration, except as provided by Section 2152 or unless he or she has declined to disclose a party preference and the party, by party rule duly noticed to the Secretary of State, authorizes a person who has declined to disclose a party preference to vote the party ballot or for delegates to the party convention.

(d) As of the effective date of the statute that added this subdivision, any voter who previously stated a political party affiliation when registering to vote shall be deemed to have disclosed that same party as his or her political party preference unless the voter files a new affidavit of registration disclosing a different political party preference or no political party preference. Any voter who previously declined to state a party affiliation shall be deemed to have declined to disclose a party preference unless the voter files a new affidavit of registration disclosing a different political party preference.

(e) The Secretary of State may continue to supply existing affidavits of registration prior to printing new or revised forms that reflect the changes required pursuant to any amendment made to this section.

SEC. 6. Section 2154 of the Elections Code is amended to read:

2154. In the event that the county elections official receives an affidavit of registration that does not include portions of the information for which space is provided, the county elections official shall apply the following rebuttable presumptions:

(a) If no middle name or initial is shown, it shall be presumed that none exists.

(b) If no party preference is shown, it shall be presumed that the affiant has declined to disclose a party preference.

(c) If no execution date is shown, it shall be presumed that the affidavit was executed on or before the 15th day prior to the election, provided that:

(1) the affidavit is received by the county elections official on or before the
15th day prior to the election, or (2) the affidavit is postmarked on or before the 15th day prior to the election and received by mail by the county elections official.

(d) If the affiant fails to identify his or her state of birth within the United States, it shall be presumed that the affiant was born in a state or territory of the United States if the birthplace of the affiant is shown as “United States,” “U.S.A.,” or other recognizable term designating the United States.

SEC. 7. Section 2155 of the Elections Code is amended to read:

2155. Upon receipt of a properly executed affidavit of registration or address correction notice or letter pursuant to Section 2119, Article 2 (commencing with Section 2220), or the National Voter Registration Act of 1993 (42 U.S.C. Sec. 1973gg), the county elections official shall send the voter a voter notification by nonforwardable, first-class mail, address correction requested. The voter notification shall state the party preference for which the voter has registered in the following format:

   Party: (Name of political party)

   The voter notification shall be substantially in the following form:

(d) The uniform electronic application shall contain a conspicuously printed statement substantially similar to the following: “Only the registered voter himself or herself may apply for a vote by mail ballot. An application for a vote by mail ballot made by a person other than the registered voter is a criminal offense.”

(e) The uniform electronic application shall include a statement substantially similar to the following: “A ballot will not be sent to you if this application is incomplete or inaccurate.”

(f) The uniform electronic application format shall not permit the form to be electronically submitted unless all of the information required to complete the application is contained in the appropriate fields.

SEC. 10. Section 3205 of the Elections Code is amended to read:

3205. (a) Vote by mail ballots mailed to, and received from, voters on the permanent vote by mail voter list are subject to the same deadlines and shall be processed and counted in the same manner as all other vote by mail ballots.

(b) Prior to each partisan primary election, county elections officials shall mail to every voter who has declined to disclose a preference for a political party whose name appears on the permanent vote by mail voter list a notice and application regarding voting in the primary election. The notice shall inform the voter that he or she may request a vote by mail ballot for a particular political party for the primary election, if that political party adopted a party rule, duly noticed to the Secretary of State, authorizing these voters to vote in their primary. The notice shall also contain a toll-free
telephone number, established by the Secretary of State, that the voter may call to access information regarding which political parties have adopted such a rule. The application shall contain a checkoff box with a conspicuously printed statement that reads substantially similar to the following: “I have declined to disclose a preference for a qualified political party. However, for this primary election only, I request a vote by mail ballot for the ____ Party.” The name of the political party shall be personally affixed by the voter.

SEC. 11. Section 7100 of the Elections Code is amended to read:

7100. In each year of the general election at which electors of President and Vice President of the United States are to be chosen, the candidate in each congressional district who received the largest number of votes in the primary election among the candidates who disclosed a preference for the Democratic Party shall designate one presidential elector and shall file his or her name and residence and business address with the state chairperson by a date specified by the state chairperson. The candidate for United States Senate who received the largest number of votes in the primary election among the candidates who disclosed a preference for the Democratic Party in each of the last two United States senatorial elections shall designate one presidential elector and shall file his or her name and residence and business address with the state chairperson by a date specified by the state chairperson. In the event there is no candidate for United States Senate or for any particular congressional district who disclosed a preference for the Democratic Party, or if any candidate fails to designate a presidential elector by the date specified by the state chairperson, the state chairperson shall designate one presidential elector for each vacancy. The state chairperson shall file the names and residence and business addresses of all the electors designated pursuant to this section with the Secretary of State by October 1 of the presidential election year.

SEC. 12. Section 8002.5 of the Elections Code is amended to read:

8002.5. (a) A candidate for a voter-nominated office shall indicate one of the following upon his or her declaration of candidacy, which shall be consistent with what appears on the candidate’s most recent affidavit of registration:

(1) “Party Preference: ______ (insert the name of the qualified political party as disclosed upon your affidavit of registration).”

(2) “Party Preference: None (if you have declined to disclose a preference for a qualified political party upon your affidavit of registration).”

(b) The selection made by a candidate pursuant to subdivision (a) shall appear on the primary and general election ballot in conjunction with his or her name, and shall not be changed between the primary and general election.

(c) Regardless of the party preference, or lack of party preference, of the candidate or the voter, any qualified voter may vote for any candidate for a voter-nominated office if the voter is otherwise entitled to vote for candidates for the office to be filled. Nothing in Section 2151, 3006, 3007.5, 3205, or 13102 shall be construed to limit the ability of a voter to cast a
primary election ballot for any candidate for a voter-nominated office, regardless of the party preference, or lack of party preference, designated by the candidate for inclusion upon the ballot pursuant to this section, provided that the voter is otherwise qualified to cast a ballot for the office at issue.

(d) A candidate designating a party preference pursuant to subdivision (a) shall not be deemed to be the official nominee of the party designated as preferred by the candidate. A candidate’s designation of party preference shall not be construed as an endorsement of that candidate by the party designated. The party preference designated by the candidate is shown for the information of the voters only and may in no way limit the options available to voters.

(e) All references to party preference or affiliation shall be omitted from all forms required to be filed by a voter-nominated candidate pursuant to this division in the same manner that such references are omitted from forms required to be filed by nonpartisan candidates pursuant to Section 8002, except that the declaration of candidacy required by Section 8040 shall include space for the candidate to list the party preference disclosed upon the candidate’s most recent affidavit of registration, in accordance with subdivision (a).

SEC. 13. Section 8025 of the Elections Code is amended to read:

8025. If a candidate who has declared a candidacy for a nomination at the direct primary election for a voter-nominated office dies after the last day prescribed for the delivery of nomination documents to the elections official, as provided in Section 8020, but not less than 83 days before the election, any person, regardless of his or her party preference or lack of party preference, may circulate and deliver nomination documents for the office to the elections official up to 5 p.m. on the 74th day prior to the election. In that case, the elections official shall, immediately after receipt of those nomination documents, certify and transmit them to the Secretary of State in the manner specified in this article.

WARNING: Every person acting on behalf of a candidate is guilty of a misdemeanor who deliberately fails to file at the proper time and in the proper place any nomination paper in his or her possession which is entitled to be filed under Section 18202 of the Elections Code.

(c) If the nomination paper is for a partisan office, the nomination paper shall include a statement indicating the party preference of the signer of the nomination paper.

SEC. 16. Section 8062 of the Elections Code is amended to read:

8062. (a) The number of registered voters required to sign a nomination paper for the respective offices are as follows:

(1) State office or United States Senate, not fewer than 65 nor more than 100.

(2) House of Representatives in Congress, State Senate or Assembly, State Board of Equalization, or any office voted for in more than one county, and not statewide, not fewer than 40 nor more than 60.

(3) Candidacy in a single county or any political subdivision of a county, other than State Senate or Assembly, not fewer than 20 nor more than 40.

(4) With respect to a candidate for a political party committee, if any political party has fewer than 50 voters in the state or in the county or district in which the election is to be held, one-tenth the number of voters of the party.

(5) If there are fewer than 150 voters in the county or district in which the election is to be held, not fewer than 10 nor more than 20.

(b) The provisions of this section are mandatory, not directory, and no nomination paper shall be deemed sufficient that does not comply with this section. However, this subdivision shall not be construed to prohibit withdrawal of signatures pursuant to Section 8067. This subdivision also
shall not be construed to prohibit a court from validating a signature which was previously rejected upon showing of proof that the voter whose signature is in question is otherwise qualified to sign the nomination paper.

SEC. 17. Section 8068 of the Elections Code is amended to read:

8068. Signers shall be voters in the district or political subdivision in which the candidate is to be voted on. With respect to a candidacy for partisan office, signers shall be voters who disclosed a preference, pursuant to Section 2151, for the party, if any, for which the nomination is proposed. With respect to a candidacy for voter-nominated office, signers need not have disclosed a preference for any party.

SEC. 18. Section 8106 of the Elections Code is amended to read:

8106. (a) Notwithstanding any other provision of this article, a candidate may submit a petition containing signatures of registered voters in lieu of a filing fee as follows:

(1) For the office of California State Assembly, 1,500 signatures.
(2) For the office of California State Senate and the United States House of Representatives, 3,000 signatures.
(3) For candidates running for statewide office, 10,000 signatures.
(4) For all other offices for which a filing fee is required, if the number of registered voters in the district in which he or she seeks nomination is 2,000 or more, a candidate may submit a petition containing four signatures of registered voters for each dollar of the filing fee, or 10 percent of the total of registered voters in the district in which he or she seeks nomination, whichever is less.
(5) For all other offices for which a filing fee is required, if the number of registered voters in the district in which he or she seeks nomination is less than 2,000, a candidate may submit a petition containing four signatures of registered voters for each dollar of the filing fee, or 20 percent of the total of registered voters in the district in which he or she seeks nomination, whichever is less.
(6) A voter may sign both a candidate’s nomination papers and his or her in-lieu-filing-fee petition. However, if signatures appearing on the documents are counted towards both the nomination paper and the in-lieu-filing-fee petition signature requirements, a person may only sign one of the documents.

(b) The Secretary of State or an elections official shall furnish to each candidate, upon request, and without charge therefor, forms for securing signatures. The number of forms which the elections official shall furnish a candidate shall be a quantity that provides the candidates with spaces for signatures sufficient in number to equal the number of signatures that the candidate is required to secure pursuant to subdivision (a) if the candidate desires that number of forms. However, the elections official, rather than provide the candidate with the number of forms set forth in the preceding sentence, or upon the request of a candidate, may provide the candidate with a master form that may be duplicated by the candidate at the candidate’s expense for the purpose of circulating additional petitions. The Secretary of State shall provide the master form. The elections official may provide
candidates a form other than the master form provided by the Secretary of State. However, that form shall meet all statutory requirements, and the elections official shall also make available and accept the master form provided by the Secretary of State. All forms shall be made available commencing 45 days before the first day for circulating nomination papers. However, in cases of vacancies for which a special election is authorized or required to be held to fill the vacancy, and where the prescribed nomination period would commence less than 45 days after the creation of the vacancy, the forms shall be made available within five working days after the creation of the vacancy. No other form except the form furnished by the Secretary of State or the elections official or forms duplicated from a master form shall be used to secure signatures. Each petition section shall bear an affidavit signed by the circulator, in substantially the same form as set forth in Section 8041. The substitution of signatures for fees shall be subject to the following provisions:

1. Any registered voter may sign an in-lieu-filing-fee petition for any candidate for whom he or she is eligible to vote.

2. If a voter signs more candidates’ petitions than there are offices to be filled, the voter’s signatures shall be valid only on those petitions which, taken in the order they were filed, do not exceed the number of offices to be filled.

3. In-lieu-filing-fee petitions shall be filed at least 15 days prior to the close of the nomination period. Upon receipt of the minimum number of in-lieu-filing-fee signatures required, or a sufficient combination of signatures and pro rata filing fee, the elections official shall issue nomination papers provisionally. Within 10 days after receipt of a petition, the elections official shall notify the candidate of any deficiency. The candidate shall then, prior to the close of the nomination period, either submit a supplemental petition, or pay a pro rata portion of the filing fee to cover the deficiency.

4. If the petition is circulated for an office in more than one county, the candidate shall submit the signatures to the elections official in the county in which the petition was circulated. The elections official shall, at least two days after verifying the signatures on the petition, notify the Secretary of State of the total number of valid signatures. If the number of signatures is insufficient, the Secretary of State shall notify the candidate and the elections officials of the fact. The candidate may submit the necessary number of valid signatures at any time prior to the close of the period for circulating nomination papers. Each circulator of an in-lieu-filing-fee petition shall be a registered voter of the district or political subdivision in which the candidate is to be voted on. The circulator shall serve within the county in which he or she resides.

5. Each candidate may submit a greater number of signatures to allow for subsequent losses due to invalidity of some signatures. The elections official shall not be required to determine the validity of a greater number of signatures than that required by this section.

(c) For the purposes of this section, the requisite number of signatures shall be computed from the latest registration figures forwarded to the
Secretary of State pursuant to Section 2187 prior to the first day on which petitions are available.

(d) All valid signatures obtained pursuant to this section shall be counted toward the number of voters required to sign a nomination paper in accordance with Section 8061 or 8405.

SEC. 19. Section 8121 of the Elections Code is amended to read:

8121. (a) Not less than five days before he or she transmits the certified list of candidates to the county elections officials, as provided in Section 8120, the Secretary of State shall notify each candidate for partisan office and voter-nominated office of the names, addresses, offices, occupations, and party preferences of all other persons who have filed for the same office.

(b) (1) Beginning not less than five days before he or she transmits the certified list of candidates to the county elections officials, as required by Section 8120, the Secretary of State shall post, in a conspicuous place on his or her Internet Web site, the party preference history of each candidate for voter-nominated office for the preceding 10 years, or for as long as he or she has been eligible to vote in the state if less than 10 years. The candidates’ party preference history shall be continuously posted until such time as the official canvass is completed for the general or special election at which a candidate is elected to the voter-nominated office sought, except that, in the case of a candidate who participated in the primary election and who was not nominated to participate in the general election, the candidate’s party preference history need not continue to be posted following the completion of the official canvass for the primary election in question.

(2) For purposes of this subdivision, “party preference history” also refers to the candidate’s history of party registration during the 10 years preceding the effective date of this section.

(3) The Secretary of State shall also conspicuously post on the same Internet Web site as that containing the candidates’ party preference history the notice specified by subdivision (b) of Section 9083.5.

SEC. 20. Section 8124 of the Elections Code is amended to read:

8124. The certified list of candidates sent to each county elections official by the Secretary of State shall show all of the following:

(a) The name of each candidate.

(b) The office for which each person is a candidate.

(c) With respect to candidates for partisan offices, the party each person represents.

(d) With respect to candidates for voter-nominated offices, the designation made by the candidate pursuant to Section 8002.5.

(e) If applicable, the ballot designation specified in accordance with Section 13107.

SEC. 21. Section 8141.5 of the Elections Code is amended to read:

8141.5. Except as provided in subdivision (b) of Section 8142, only the candidates for a voter-nominated office who receive the highest or second highest number of votes cast at the primary election shall appear on the ballot as candidates for that office at the ensuing general election. More than one candidate with the same party preference designation may
participate in the general election pursuant to this subdivision. Notwithstanding the designation made by the candidate pursuant to Section 8002.5, no candidate for a voter-nominated office shall be deemed to be the official nominee for that office of any political party, and no party is entitled to have a candidate with its party preference designation participate in the general election unless that candidate is one of the candidates receiving the highest or second highest number of votes cast at the primary election.

SEC. 22. Section 8142 of the Elections Code is amended to read:

8142. (a) In the case of a tie vote, nonpartisan candidates receiving the same number of votes shall be candidates at the ensuing general election if they qualify pursuant to Section 8141 whether or not there are more candidates at the general election than prescribed by this article. In no case shall the tie be determined by lot.

(b) In the case of a tie vote among candidates at a primary election for a voter-nominated office, the following applies:

(1) All candidates receiving the highest number of votes cast for any candidate shall be candidates at the ensuing general election whether or not there are more candidates at the general election than prescribed by this article.

(2) Notwithstanding Section 8141.5, if a tie vote among candidates results in more than one primary candidate qualifying for the general election pursuant to subdivision (a), candidates receiving fewer votes shall not be candidates at the general election, even if they receive the second highest number of votes cast.

(3) If only one candidate receives the highest number of votes cast but there is a tie vote among two or more candidates receiving the second highest number of votes cast, each of those second-place candidates shall be a candidate at the ensuing general election along with the candidate receiving the highest number of votes cast, regardless of whether there are more candidates at the general election than prescribed by this article.

(4) In no case shall the tie be determined by lot.

SEC. 23. Section 8148 of the Elections Code is amended to read:

8148. Not less than 68 days before the general election, the Secretary of State shall deliver to the appropriate county elections official a certificate showing:

(a) The name of every person entitled to receive votes within that county at the general election who has received the nomination as a candidate for public office pursuant to this chapter, the designation of the public office for which he or she has been nominated, and, if applicable, the ballot designation specified in accordance with Section 13107.

(b) For each nominee for a partisan office, the name of the party that has nominated him or her.

(c) For each nominee for a voter-nominated office, the designation made by the candidate pursuant to Section 8002.5.

SEC. 24. Section 8300 of the Elections Code is amended to read:

8300. A candidate for a partisan office, including that of presidential elector, may be nominated subsequent to, or by other means than, a primary
election pursuant to this chapter. A candidate for nonpartisan office or for voter-nominated office may be nominated subsequent to, or by other means than, a primary election pursuant to this chapter only if a candidate was not nominated or elected at the primary election for that office.

SEC. 25. Section 8600 of the Elections Code is amended to read:
8600. Every person who desires to be a write-in candidate and have his or her name as written on the ballot of an election counted for a particular office shall file:
(a) A statement of write-in candidacy that contains the following information:
   (1) Candidate’s name.
   (2) Residence address.
   (3) A declaration stating that he or she is a write-in candidate.
   (4) The title of the office for which he or she is running.
   (5) The party nomination which he or she seeks, if running in a partisan primary election.
   (6) The date of the election.
   (7) A certification of the candidate’s complete voter registration and party affiliation/preference history for the preceding 10 years, or for as long as he or she has been eligible to vote in the state if less than 10 years, if running for a voter-nominated office.
   (8) For any of the offices described in Section 13.5, a statement that the candidate meets the statutory and constitutional requirements for that office as described in that section.
(b) The requisite number of signatures on the nomination papers, if any, required pursuant to Sections 8062, 10220, and 10510, or, in the case of a special district not subject to the Uniform District Election Law (Part 4 (commencing with Section 10500) of Division 10), the number of signatures required by the principal act of the district.
(c) Notwithstanding any other provision of law, a person may not be a write-in candidate at the general election for a voter-nominated office.
SEC. 26. Section 8606 of the Elections Code is amended to read:
8606. Notwithstanding any other provision of law, a person may not be a write-in candidate at the general election for a voter-nominated office.
SEC. 27. Section 8803 of the Elections Code is amended to read:
8803. (a) No vacancy on the ballot for a nonpartisan office at a general election shall be filled except if the candidate dies and that fact has been ascertained by the officer charged with the duty of printing the ballots at least 68 days before the date of the next ensuing general election.
(b) No vacancy on the ballot for a voter-nominated office at a general election shall be filled. If a candidate who is entitled to appear on the general election ballot dies, the name of that candidate shall appear on the general election ballot and any votes cast for that candidate shall be counted in determining the results of the election for that office. If the deceased candidate receives a majority of the votes cast for the office, he or she shall be considered elected to that office and the office shall be considered vacant at the beginning of the term for which the candidate was elected. The
vacancy shall be filled in the same manner as if the candidate had died after taking office for that term.

SEC. 28. Section 8805 of the Elections Code is amended to read:

8805. (a) Whenever a candidate for nomination for a nonpartisan office at a primary election dies on or before the day of the election, and a sufficient number of ballots are marked as being voted for him or her to entitle him or her to nomination if he or she had lived until after the election, a vacancy exists on the general election ballot, which shall be filled in the manner provided in Section 8807 for filling a vacancy caused by the death of a candidate.

(b) Whenever a candidate for nomination for a voter-nominated office at a primary election dies on or before the day of the election, and a sufficient number of ballots are marked as being voted for him or her to entitle him or her to nomination if he or she had lived until after the election, the name of the deceased candidate shall appear on the general election ballot and the general election shall proceed in accordance with subdivision (b) of Section 8803.

SEC. 29. Section 8807 of the Elections Code is amended to read:

8807. If the vacancy occurs among candidates chosen at the direct primary to go on the ballot for the succeeding general election for a nonpartisan office, the name of that candidate receiving at the primary election the next highest number of votes shall appear on the ballot to fill the vacancy.

SEC. 30. Section 9083.5 of the Elections Code is amended to read:

9083.5. (a) If a candidate for nomination or election to a partisan office will appear on the ballot, the Secretary of State shall include in the state ballot pamphlet a written explanation of the election procedure for such offices. The explanation shall read substantially similar to the following:

PARTY-NOMINATED/PARTISAN OFFICES

Under the California Constitution, political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A candidate so nominated will then represent that party as its official candidate for the office in question at the ensuing general election and the ballot will reflect an official designation to that effect. The top votegetter for each party at the primary election is entitled to participate in the general election. Parties also elect officers of official party committees at a partisan primary.

No voter may vote in the primary election of any political party other than the party he or she has disclosed a preference for upon registering to vote. However, a political party may authorize a person who has declined to disclose a party preference to vote in that party’s primary election.

(b) If any candidate for nomination or election to a voter-nominated office will appear on the ballot, the Secretary of State shall include in the state ballot pamphlet a written explanation of the election procedure for such offices. The explanation shall read substantially similar to the following:

VOTER-NOMINATED OFFICES

Under the California Constitution, political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary
election. A candidate nominated for a voter-nominated office at the primary
election is the nominee of the people and not the official nominee of any
party at the following general election. A candidate for nomination or
election to a voter-nominated office shall have his or her party preference,
or lack of party preference, reflected on the primary and general election
ballot, but the party preference designation is selected solely by the candidate
and is shown for the information of the voters only. It does not constitute
or imply an endorsement of the candidate by the party designated, or
affiliation between the party and candidate, and no candidate nominated by
the qualified voters for any voter-nominated office shall be deemed to be
the officially nominated candidate of any political party. The parties may
list the candidates for voter-nominated offices who have received the official
endorsement of the party in the sample ballot.

All voters may vote for any candidate for a voter-nominated office,
provided they meet the other qualifications required to vote for that office.
The top two votegetters at the primary election advance to the general
election for the voter-nominated office, even if both candidates have
specified the same party preference designation. No party is entitled to have
a candidate with its party preference designation participate in the general
election unless such candidate is one of the two highest votegetters at the
primary election.

(c) If any candidate for nomination or election to a nonpartisan office,
other than judicial office, shall appear on the ballot, the Secretary of State
shall include in the state ballot pamphlet a written explanation of the election
procedure for such offices. The explanation shall read substantially similar
to the following:

NONPARTISAN OFFICES

Under the California Constitution, political parties are not entitled to
nominate candidates for nonpartisan offices at the primary election, and a
candidate nominated for a nonpartisan office at the primary election is not
the official nominee of any party for the office in question at the ensuing
general election. A candidate for nomination or election to a nonpartisan
office may NOT designate his or her party preference, or lack of party
preference, on the primary and general election ballot. The top two
votegetters at the primary election advance to the general election for the
nonpartisan office.

(d) Posters or other printed materials containing the notices specified in
subdivisions (a) to (c), inclusive, shall be included in the precinct supplies
pursuant to Section 14105.

SEC. 31. Section 9084.5 of the Elections Code is repealed.

SEC. 32. Section 10704 of the Elections Code is amended to read:

10704. (a) Except as provided in subdivision (b), a special primary
election shall be held in the district in which the vacancy occurred on the
eighth Tuesday or, if the eighth Tuesday is the day of or the day following
a state holiday, the ninth Tuesday preceding the day of the special general
election at which the vacancy is to be filled. Candidates at the primary
election shall be nominated in the manner set forth in Chapter 1
(commencing with Section 8000) of Part 1 of Division 8, except that nomination papers shall not be circulated more than 63 days before the primary election, shall be left with the county elections official for examination not less than 43 days before the primary election, and shall be filed with the Secretary of State not less than 39 days before the primary election.

(b) A special primary election shall be held in the district in which the vacancy occurred on the ninth Tuesday preceding the day of the special general election at which the vacancy is to be filled if both of the following conditions apply:

1. The ninth Tuesday preceding the day of the special general election is an established election date pursuant to Section 1000.

2. A statewide or local election occurring wholly or partially within the same territory in which the vacancy exists is scheduled for the ninth Tuesday preceding the day of the special general election.

(c) Notwithstanding Section 3001, applications for vote by mail voter ballots may be submitted not more than 25 days before the primary election, except that Section 3001 shall apply if the special election or special primary election is consolidated with a statewide election. Applications received by the elections official prior to the 25th day shall not be returned to the sender, but shall be held by the elections official and processed by him or her following the 25th day prior to the election in the same manner as if received at that time.

(d) The sample ballot for a special election shall contain a written explanation of the election procedure for voter-nominated office as specified in subdivision (b) of Section 9083.5. Immediately after the explanation shall be printed the following: “If one candidate receives more than 50% of the votes cast at the special primary election, he or she will be elected to fill the vacancy and no special general election will be held.”

(e) On the ballot for a special election, immediately below the instructions to voters, there shall be a box not less than one-half inch high enclosed by a heavy-ruled line the same as the borderline. This box shall be as long as there are columns for the ballot and shall be set directly above these columns. Within the box shall be printed the words “Voter-Nominated Office.” Immediately below that phrase within the same box shall be printed the following:

“All voters, regardless of the party preference they disclosed upon registration, or refusal to disclose a party preference, may vote for any candidate for a voter-nominated office. The party preference, if any, designated by a candidate is selected by the candidate and is shown for the information of the voters only. It does not imply that the candidate is nominated or endorsed by the party or that the party approves of the candidate.”

SEC. 33. Section 10706 of the Elections Code is amended to read:

10706. If no candidate receives a majority of votes cast, the names of the candidates who receive the highest or second highest number of votes cast at the special primary election shall be placed on the special general
election ballot. In the case of a tie vote, subdivision (b) of Section 8142 shall apply.

SEC. 34. Section 12108 of the Elections Code is amended to read:

12108. In a case in which this chapter requires the posting or distribution of a list of the names of precinct board members, or a portion of the list, the officers charged with the duty of posting shall ascertain the name of the political party, if any, for which each precinct board member has expressed a preference, as shown in the affidavit of registration of that person. When the list is posted or distributed, there shall be printed the name of the board member’s party preference or an abbreviation of the name to the right of the name, or immediately below the name, of each precinct board member. If a precinct board member has not expressed a preference for a political party, the word “None” shall be printed in place of the party name.

SEC. 35. Section 13105 of the Elections Code is amended to read:

13105. (a) In the case of a candidate for a voter-nominated office in a primary election, a general election, or a special election to fill a vacancy in the office of United States Senator, Member of the United States House of Representatives, State Senator, or Member of the Assembly, immediately to the right of and on the same line as the name of the candidate, or immediately below the name if there is not sufficient space to the right of the name, there shall be identified, as specified by the Secretary of State, the designation made by the candidate pursuant to Section 8002.5. The identification shall be in substantially the following form:

(1) In the case of a candidate who designated a political party preference pursuant to Section 8002.5, “Party Preference: ______.”

(2) In the case of a candidate who did not state a preference for a political party pursuant to Section 8002.5, “Party Preference: None.”

(b) In the case of candidates for President and Vice President, the name of the party shall appear to the right of and equidistant from the pair of names of these candidates and on the same line as the name of the candidate, or immediately below the name if there is not sufficient space to the right of the name.

(c) If for a general election any candidate for President of the United States or Vice President of the United States has received the nomination of any additional party or parties, the name(s) shall be printed to the right of the name of the candidate’s own party. Party names of a candidate shall be separated by commas. If a candidate has qualified for the ballot by virtue of an independent nomination, the word “Independent” shall be printed instead of the name of a political party in accordance with the above rules.

SEC. 36. Section 13107 of the Elections Code is amended to read:

13107. (a) With the exception of candidates for Justice of the State Supreme Court or Court of Appeal, immediately under the name of each candidate, and not separated from the name by any line, unless the designation made by the candidate pursuant to Section 8002.5 must be listed immediately below the name of the candidate pursuant to Section 13105, and in that case immediately under the designation, may appear at the option of the candidate only one of the following designations:
(1) Words designating the elective city, county, district, state, or federal office which the candidate holds at the time of filing the nomination documents to which he or she was elected by vote of the people, or to which he or she was appointed, in the case of a superior court judge.

(2) The word “incumbent” if the candidate is a candidate for the same office which he or she holds at the time of filing the nomination papers, and was elected to that office by a vote of the people, or, in the case of a superior court judge, was appointed to that office.

(3) No more than three words designating either the current principal professions, vocations, or occupations of the candidate, or the principal professions, vocations, or occupations of the candidate during the calendar year immediately preceding the filing of nomination documents. For purposes of this section, all California geographical names shall be considered to be one word. Hyphenated words that appear in any generally available standard reference dictionary, published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted, shall be considered as one word. Each part of all other hyphenated words shall be counted as a separate word.

(4) The phrase “appointed incumbent” if the candidate holds an office other than a judicial office by virtue of appointment, and the candidate is a candidate for election to the same office, or, if the candidate is a candidate for election to the same office or to some other office, the word “appointed” and the title of the office. In either instance, the candidate may not use the unmodified word “incumbent” or any words designating the office unmodified by the word “appointed.” However, the phrase “appointed incumbent” shall not be required of a candidate who seeks reelection to an office which he or she holds and to which he or she was appointed, as a nominated candidate, in lieu of an election, pursuant to Sections 5326 and 5328 of the Education Code or Section 7228, 7423, 7673, 10229, or 10515 of this code.

(b) Neither the Secretary of State nor any other elections official shall accept a designation of which any of the following would be true:

(1) It would mislead the voter.

(2) It would suggest an evaluation of a candidate, such as outstanding, leading, expert, virtuous, or eminent.

(3) It abbreviates the word “retired” or places it following any word or words which it modifies.

(4) It uses a word or prefix, such as “former” or “ex-,” which means a prior status. The only exception is the use of the word “retired.”

(5) It uses the name of any political party, whether or not it has qualified for the ballot.

(6) It uses a word or words referring to a racial, religious, or ethnic group.

(7) It refers to any activity prohibited by law.

(c) If, upon checking the nomination documents and the ballot designation worksheet described in Section 13107.3, the elections official finds the designation to be in violation of any of the restrictions set forth in this section, the elections official shall notify the candidate by registered or
certified mail return receipt requested, addressed to the mailing address provided on the candidate’s ballot designation worksheet.

(1) The candidate shall, within three days, excluding Saturday, Sunday, and state holidays, from the date he or she receives notice by registered or certified mail, or from the date the candidate receives actual notice of the violation, whichever occurs first, appear before the elections official or, in the case of the Secretary of State, notify the Secretary of State by telephone, and provide a designation that complies with subdivision (a).

(2) In the event the candidate fails to provide a designation that complies with subdivision (a) within the three-day period specified in paragraph (1), no designation shall appear after the candidate’s name.

(d) No designation given by a candidate shall be changed by the candidate after the final date for filing nomination documents, except as specifically requested by the elections official as specified in subdivision (c) or as provided in subdivision (e). The elections official shall maintain a copy of the ballot designation worksheet for each candidate that appears on the ballot in the county for the same period of time as applied to nomination documents pursuant to Section 17100.

(e) The designation shall remain the same for all purposes of both primary and general elections, unless the candidate, at least 98 days prior to the general election, requests in writing a different designation which the candidate is entitled to use at the time of the request.

(f) In all cases, the words so used shall be printed in 8-point roman uppercase and lowercase type except that, if the designation selected is so long that it would conflict with the space requirements of Sections 13207 and 13211, the elections official shall use a type size for the designation for each candidate for that office sufficiently smaller to meet these requirements.

(g) Whenever a foreign language translation of a candidate’s designation is required under the Voting Rights Act of 1965 (42 U.S.C. Sec. 1971), as amended, to appear on the ballot in addition to the English language version, it shall be as short as possible, as consistent as is practicable with this section, and shall employ abbreviations and initials wherever possible in order to avoid undue length.

SEC. 37. Section 13206 of the Elections Code is amended to read:

13206. (a) On the partisan ballot used in a direct primary election, immediately below the instructions to voters, there shall be a box not less than one-half inch high enclosed by a heavy-ruled line the same as the borderline. This box shall be as long as there are columns for the partisan ballot and shall be set directly above these columns. Within the box shall be printed the words “Party-Nominated Offices.” Immediately below that phrase within the same box shall be printed the following: “Only voters who disclosed a preference upon registering to vote for the same party as the candidate seeking the nomination of any party for the Presidency or election to a party committee may vote for that candidate at the primary election, unless the party has adopted a rule to permit non-party voters to vote in its primary elections.”
(b) The same style of box described in subdivision (a) shall also appear over the columns of the nonpartisan part of the ballot and within the box in the same style and point size of type shall be printed “Voter-Nominated and Nonpartisan Offices.” Immediately below that phrase within the same box shall be printed the following:

“All voters, regardless of the party preference they disclosed upon registration, or refusal to disclose a party preference, may vote for any candidate for a voter-nominated or nonpartisan office. The party preference, if any, designated by a candidate for a voter-nominated office is selected by the candidate and is shown for the information of the voters only. It does not imply that the candidate is nominated or endorsed by the party or that the party approves of the candidate. The party preference, if any, of a candidate for a nonpartisan office does not appear on the ballot.”

SEC. 38. Section 13206.5 is added to the Elections Code, to read:

13206.5. (a) (1) On the ballot used in a statewide general election in each year evenly divisible by the number four, immediately below the instructions to voters, there shall be a box not less than one-half inch high enclosed by a heavy-ruled line the same as the borderline. This box shall be as long as there are columns for the ballot and shall be set directly above these columns. Within the box shall be printed the words “Party-Nominated Offices.” Immediately below that phrase within the same box shall be printed the following: “The party label accompanying the name of a candidate for party-nominated office on the general election ballot means that the candidate is the official nominee of the party shown.”

(2) On the ballot used in a statewide general election in each year evenly divisible by the number four, following the portion of the ballot for party-nominated offices, the same style of box described in paragraph (1) shall appear and within the box in the same style and point size of type shall be printed “Voter-Nominated and Nonpartisan Offices.” Immediately below that phrase within the same box shall be printed the following: “All voters, regardless of the party preference they disclosed upon registration, or refusal to disclose a party preference, may vote for any candidate for a voter-nominated or nonpartisan office. The party preference, if any, designated by a candidate for a voter-nominated office is selected by the candidate and is shown for the information of the voters only. It does not imply that the candidate is nominated or endorsed by the party or that the party approves of the candidate. The party preference, if any, of a candidate for a nonpartisan office does not appear on the ballot.”

(b) On the ballot used in a statewide general election in each even-numbered year that is not evenly divisible by the number four, immediately below the instructions to voters, there shall be a box not less than one-half inch high enclosed by a heavy-ruled line the same as the borderline. This box shall be as long as there are columns for the ballot and shall be set directly above these columns. Within the box shall be printed the words “Voter-Nominated and Nonpartisan Offices.” Immediately below that phrase within the same box shall be printed the following: “All voters, regardless of the party preference they disclosed upon registration, or refusal
to disclose a party preference, may vote for any candidate for a voter-nominated or nonpartisan office. The party preference, if any, designated by a candidate for a voter-nominated office is selected by the candidate and is shown for the information of the voters only. It does not imply that the candidate is nominated or endorsed by the party or that the party approves of the candidate. The party preference, if any, of a candidate for a nonpartisan office does not appear on the ballot.”

SEC. 39. Section 13207 of the Elections Code is amended to read:

13207. (a) There shall be printed on the ballot in parallel columns all of the following:

1. The respective offices.
2. The names of candidates with sufficient blank spaces to allow the voters to write in names not printed on the ballot, except that no spaces shall be printed for voter-nominated offices at a general election.
3. Whatever measures have been submitted to the voters.

(b) In the case of a ballot which is intended for use in a party primary and which carries partisan offices, voter-nominated offices, and nonpartisan offices, a vertical solid black line shall divide the columns containing partisan offices, on the left, from the columns containing nonpartisan offices and voter-nominated offices, on the right.

(c) The standard width of columns containing partisan offices, nonpartisan offices, and voter-nominated offices, shall be three inches except that an elections official may vary the width of these columns by up to three-tenths of an inch. The column containing presidential and vice presidential candidates may be as wide as four inches.

(d) A measure that is to be submitted to the voters shall be printed in one or more parallel columns to the right of the columns containing the names of candidates and shall be of sufficient width to contain the title and summary of the measure. To the right of the title and summary shall be printed, on separate lines, the words “Yes” and “No.”

SEC. 40. Section 13212 of the Elections Code is amended to read:

13212. Except for a voter-nominated office at a general election, under the designation of each office shall be printed as many blank spaces, defined by light lines or rules at least three-eighths of an inch apart but no more than one-half inch apart, as there are candidates to be nominated or elected to the office.

SEC. 41. Section 13230 of the Elections Code is amended to read:

13230. (a) If the county elections official determines that, due to the number of candidates and measures that must be printed on the ballot, the ballot will be larger than may be conveniently handled, the county elections official may provide that a nonpartisan ballot shall be given to each partisan voter, together with his or her partisan ballot, and that the material appearing under the heading “Voter-Nominated and Nonpartisan Offices” on partisan ballots, as well as the heading itself, shall be omitted from the partisan ballots.

(b) If the county elections official so provides, the procedure prescribed for the handling and canvassing of ballots shall be modified to the extent
necessary to permit the use of two ballots by partisan voters. The county elections official may, in this case, order the second ballot to be printed on paper of a different tint, and assign to those ballots numbers higher than those assigned to the ballots containing partisan offices.

(c) “Partisan voters,” for purposes of this section, includes both persons who have disclosed a party preference pursuant to Section 2151 or 2152 and persons who have declined to disclose a party preference, but who have chosen to vote the ballot of a political party as authorized by that party’s rules duly noticed to the Secretary of State.

SEC. 42. Section 13300 of the Elections Code is amended to read:
13300. (a) By at least 29 days before the partisan primary, each county elections official shall prepare a separate sample ballot for each political party and a separate sample nonpartisan ballot. The county elections official shall place on each ballot, as applicable, in the order provided in Chapter 2 (commencing with Section 13100), and under the appropriate title of each office, the names of all candidates for whom nomination papers have been duly filed with him or her, or have been certified to him or her by the Secretary of State, to be voted for in his or her county at the partisan primary election.

(b) The sample ballots shall be identical to the official ballots, except as otherwise provided by law. The sample ballots shall be printed on paper of a different texture from the paper to be used for the official ballot.

(c) One sample ballot of the party for which the voter has disclosed a preference, as evidenced by his or her registration, shall be mailed not more than 40 nor fewer than 10 days before the election to each voter entitled to vote at the primary who registered at least 29 days prior to the election. A nonpartisan sample ballot shall be so mailed to each voter who is not registered as preferring any of the parties participating in the primary election, provided that on election day the voter may, upon request, vote the ballot of a political party if authorized by the party’s rules, duly noticed to the Secretary of State.

SEC. 43. Section 13302 of the Elections Code is amended to read:
13302. (a) The county elections official shall forthwith submit the sample ballot of each political party to the chairperson of the county central committee of that party, and shall mail a copy to each candidate for whom nomination papers have been filed in his or her office or whose name has been certified to him or her by the Secretary of State, to the post office address given in the nomination paper or certification. The county elections official shall post a copy of each sample ballot in a conspicuous place in his or her office.

(b) In connection with an election at which a candidate for a voter-nominated office will appear on the ballot, a qualified political party may submit to the county elections official a list of all candidates for voter-nominated office who will appear on a ballot in the county in question, and who have been endorsed by the party by whatever lawful mechanism the party adopts for endorsing candidates for voter-nominated office. If a political party timely submits a list to the county elections official pursuant
to this subdivision, the county elections official shall print the names of the
candidates for voter-nominated office who were endorsed by that political
party in the voter information portion of the sample ballot. The party
chairperson shall provide a written copy of the list of candidates endorsed
by the party not later than 83 days prior to the election at which the candidate
for a voter-nominated office will appear on the ballot.

SEC. 44. Section 15340 of the Elections Code is amended to read:
15340. Except for a voter-nominated office at a general election, each
voter is entitled to write on the ballot the name of any candidate for any
public office, including that of President and Vice President of the United
States.

SEC. 45. Section 15402 of the Elections Code is amended to read:
15402. (a) Whenever a candidate whose name appears upon the ballot
at any election for an office other than a voter-nominated office dies after
the 68th day before the election, the votes cast for the deceased candidate
shall be counted in determining the results of the election for the office for
which the decedent was a candidate. If the deceased candidate receives a
majority of the votes cast for the office, he or she shall be considered elected
and the office to which he or she was elected shall be vacant at the beginning
of the term for which he or she was elected. The vacancy thus created shall
be filled in the same manner as if the candidate had died subsequent to
taking office for that term.

(b) Whenever a candidate whose name appears on the ballot at any
election for a voter-nominated office dies, the votes cast for the deceased
candidate shall be counted in determining the results of the election for the
office for which the decedent was a candidate. If the deceased candidate
receives a majority of the votes cast for the office at the general election,
he or she shall be considered elected and the office to which he or she was
elected shall be vacant at the beginning of the term for which he or she was
elected. The vacancy thus created shall be filled in the same manner as if the
candidate had died subsequent to taking office for that term.

SEC. 46. Section 19301 of the Elections Code is amended to read:
19301. (a) A voting machine shall provide in the general election for
grouping under the name of the office to be voted on, all the candidates for
the office with the designation of the parties, if any, by which they were
respectively nominated or which they designated pursuant to Section 8002.5.

(b) With respect to a party-nominated office, the designation may be by
usual or reasonable abbreviation of party names. With respect to a
voter-nominated office, the voting machine shall conform to the format
specified in subdivision (a) of Section 13105.

SEC. 47. Section 85312 of the Government Code is amended to read:
85312. For purposes of this title, payments for communications to
members, employees, shareholders, or families of members, employees, or
shareholders of an organization for the purpose of supporting or opposing
a candidate or a ballot measure are not contributions or expenditures,
provided those payments are not made for general public advertising such as
broadcasting, billboards, and newspaper advertisements. However,
payments made by a political party for communications to a member who is registered as expressing a preference for that party on his or her affidavit of registration pursuant to Sections 2150, 2151, and 2152 of the Elections Code that would otherwise qualify as contributions or expenditures shall be reported in accordance with Article 2 (commencing with Section 84200) of Chapter 4, and Chapter 4.6 (commencing with Section 84600), of this title.

SEC. 48. Section 85703 of the Government Code is amended to read:

85703. (a) Nothing in this act shall nullify contribution limitations or prohibitions of any local jurisdiction that apply to elections for local elective office, except that these limitations and prohibitions may not conflict with the provisions of Section 85312.

(b) Limitations and prohibitions imposed by a local jurisdiction on payments for a member communication, as defined in subdivision (c), that conflict with Section 85312 and which are thereby prohibited by subdivision (a) include, but are not limited to, any of the following:

1. Source restrictions on payments for member communications that are not expressly made applicable to member communications by a state statute or by a regulation adopted by the commission pursuant to Section 83112.

2. Limitations on payments to a political party committee for a member communication that are not expressly made applicable to member communications by a state statute or by a regulation adopted by the commission pursuant to Section 83112.

3. Limitations on the scope of payments considered directly related to the making of a member communication, including costs associated with the formulation, design, production, and distribution of the communication such as surveys, list acquisition, and consulting fees that are not expressly made applicable to member communications by a state statute or by a regulation adopted by the commission pursuant to Section 83112.

(c) For purposes of this section, “member communication” means a communication, within the meaning of Section 85312, to members, employees, shareholders, or families of members, employees, or shareholders of an organization, including a communication by a political party to a member who is registered as expressing a preference for that party on his or her affidavit of registration pursuant to Sections 2150, 2151, and 2152 of the Elections Code.

SEC. 49. This act shall be interpreted so as to be consistent with all federal and state laws, rules, and regulations. This act shall be broadly construed to achieve its purposes. It is the intent of the Legislature that the provisions of this act be interpreted and implemented in a manner that facilitates the purposes set forth in this act.

SEC. 50. If any provision of this act, or part thereof, is for any reason held to be invalid or unconstitutional, the remaining provisions shall not be affected, but shall remain in full force and effect, and to this end the provisions of this act are severable. The Legislature declares that this act, and each section, subdivision, sentence, clause, phrase, part, or portion
thereof, would have been passed irrespective of the fact that any one or
more sections, subdivisions, sentences, clauses, phrases, parts, or portions
are found to be invalid. If any provision of this act is held invalid as applied
to any person or circumstance, such invalidity does not affect any application
of this act that can be given effect without the invalid application.

SEC. 51. The Legislature finds and declares that this bill furthers the
purposes of the Political Reform Act of 1974 within the meaning of
subdivision (a) of Section 81012 of the Government Code.

SEC. 52. This act is an urgency statute necessary for the immediate
preservation of the public peace, health, or safety within the meaning of
Article IV of the Constitution and shall go into immediate effect. The facts
constituting the necessity are:

In order to provide for the effective and efficient conduct of the June 5,
2012, statewide primary election, it is necessary that this act take effect
immediately.
An act to amend Section 87200 of the Government Code, and to add Chapter 4 (commencing with Section 185040) to Division 19.5 of the Public Utilities Code, relating to conflicts of interest.

LEGISLATIVE COUNSEL'S DIGEST

AB 41, as amended, Hill. High-Speed Rail Authority: conflicts of interest: disqualification: ex parte communications.

(1) Existing provisions of the Political Reform Act of 1974 prohibit a public official at any level of state or local government from making, participating in making, or attempting to use his or her official position to influence a governmental decision in which he or she knows or has reason to know that he or she has a financial interest, as defined. Existing law also requires specified elected and appointed officers at the state and local level of government to disclose specified financial interests by filing periodic statements of economic interests. Existing law further requires public officials who hold specified offices and who have a financial interest in a decision within the meaning of the Political Reform Act of 1974 to publicly identify the financial interest giving rise to the conflict of interest or potential conflict of interest, recuse themselves from discussing and voting on the matter, and leave the
room until after the discussion, vote, and other disposition of the matter is concluded, except as specified.

This bill would add members of the High-Speed Rail Authority to those specified offices officers who must publicly identify a financial interest giving rise to a conflict of interest or potential conflict of interest, and recuse themselves accordingly.

Existing law makes a violation of the Political Reform Act of 1974 subject to administrative, civil, and criminal penalties. This bill would impose a state-mandated local program by exposing these members to potential criminal penalties for failing to make the disclosures and recuse themselves where required by this bill.

(2) Existing law creates the High-Speed Rail Authority with specified powers and duties relative to development and implementation of a high-speed train system. Existing law provides for the authority to be governed by a 9-member board.

This bill would prohibit a member of the authority board and any interested person, as defined, from conducting an ex parte communication, as defined. The bill would require a, unless the board member to report an ex parte disclose and makes public the communication, as specified. The bill would require the Business, Transportation and Housing Agency agency overseeing the authority to enforce these provisions under certain specified conditions.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

The Political Reform Act of 1974, an initiative measure, provides that the Legislature may amend the act to further the act’s purposes upon a ⅔ vote of each house and compliance with specified procedural requirements.

This bill would declare that it furthers the purposes of the act.

The people of the State of California do enact as follows:

SECTION 1. Section 87200 of the Government Code is amended to read:
87200. This article is applicable to elected state officers, judges
and commissioners of courts of the judicial branch of government,
members of the Public Utilities Commission, members of the State
Energy Resources Conservation and Development Commission,
members of the Fair Political Practices Commission, members of
the California Coastal Commission, members of the High-Speed
Rail Authority, members of planning commissions, members of
the board of supervisors, district attorneys, county counsels, county
treasurers, and chief administrative officers of counties, mayors,
city managers, city attorneys, city treasurers, chief administrative
officers and members of city councils of cities, and other public
officials who manage public investments, and to candidates for
any of these offices at any election.

SENATE BILL No. 31

Introduced by Senator Correa

December 6, 2010

LEGISLATIVE COUNSEL’S DIGEST

SB 31, as amended, Correa. Postgovernment employment: restrictions.

The Political Reform Act of 1974 prohibits, for a period of one year after the official leaves his or her position, elected and other specified local officials who held positions with a local government agency, as defined, from acting as agents or attorneys for, or otherwise representing, for compensation, any other person, by appearing before, or communicating with, that local government agency, or any committee, subcommittee, or present member of that local government agency, or any officer or employee of the local government agency, if the appearance or communication is made for the purpose of influencing administrative or legislative action, as specified, or influencing any action or proceeding involving the issuance, amendment, awarding, or revocation of a permit, license, grant, or contract, or the sale or purchase of goods or property.

This bill, in addition, would apply this prohibition to local appointed officials other public officials serving as members of local governing boards or commissions with decisionmaking authority.
Existing law makes a knowing or willful violation of the Political Reform Act of 1974 a misdemeanor and subjects offenders to criminal penalties.

This bill would impose a state-mandated local program by creating an additional crime.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

The Political Reform Act of 1974, an initiative measure, provides that the Legislature may amend the act to further the act’s purposes upon a \( \frac{2}{3} \) vote of each house and compliance with specified procedural requirements.

This bill would declare that it furthers the purposes of the act.

Vote: \( \frac{2}{3} \). Appropriation: no. Fiscal committee: yes. State-mandated local program: yes.

The people of the State of California do enact as follows:

SECTION 1. Section 87406.3 of the Government Code is amended to read:

87406.3. (a) A local elected or appointed official, general manager or chief administrative officer of a city or county, city manager, or general manager or chief administrator of a special district, or other public official serving as a member of a local governing board or commission with decisionmaking authority who held a position with a local government agency as defined in Section 82041 shall not, for a period of one year after leaving that office or employment, act as agent or attorney for, or otherwise represent, for compensation, any other person, by making any formal or informal appearance before, or by making any oral or written communication to, that local government agency, or any committee, subcommittee, or present member of that local government agency, or any officer or employee of the local government agency, if the appearance or communication is made for the purpose of influencing administrative or legislative action, or influencing any action or proceeding involving the issuance, amendment, awarding, or revocation of a permit, license, grant, or contract, or the sale or purchase of goods or property.
(b) Subdivision (a) shall not apply to any either of the following:

(1) An individual who is, at the time of the appearance or communication, a board member, officer, or employee of another local government agency or an employee or representative of a public agency and is appearing or communicating on behalf of that agency.

(2) An individual who is a member of a local governing board or commission that is solely advisory.

(c) Nothing in this section shall preclude a local government agency from adopting an ordinance or policy that restricts the appearance of a former local official before that local government agency if that ordinance or policy is more restrictive than subdivision (a).

(d) Notwithstanding Sections 82002 and 82037, the following definitions shall apply for purposes of this section only:

(1) “Administrative action” means the proposal, drafting, development, consideration, amendment, enactment, or defeat by any local government agency of any matter, including any rule, regulation, or other action in any regulatory proceeding, whether quasi-legislative or quasi-judicial. Administrative action does not include any action that is solely ministerial.

(2) “Legislative action” means the drafting, introduction, modification, enactment, defeat, approval, or veto of any ordinance, amendment, resolution, report, nomination, or other matter by the legislative body of a local government agency or by any committee or subcommittee thereof, or by a member or employee of the legislative body of the local government agency acting in his or her official capacity.

SEC. 2. No reimbursement is required by this act pursuant to Section 6 of Article XIIIB of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

SEC. 3. The Legislature finds and declares that this bill furthers the purposes of the Political Reform Act of 1974 within the
meaning of subdivision (a) of Section 81012 of the Government Code.

LEGISLATIVE COUNSEL’S DIGEST

SB 1001, as introduced, Yee. Political Reform Act of 1974: lobbyists: registration fee.

Existing provisions of the Political Reform Act of 1974 regulate the activities of lobbyists, lobbying firms, and lobbyist employers, as defined, in connection with attempts to influence legislative and administrative action by legislative and other state officials. The act requires that lobbying firms and lobbyist employers register with the Secretary of State, and authorizes the Secretary of State to charge each lobbying firm and lobbyist employer a fee of up to $25 per year for each lobbyist required to be listed on its registration statement.

This bill would increase the maximum amount of this fee to $50 per year. The bill also would require the Fair Political Practices Commission to adjust this fee on December 1 of each even-numbered year to reflect any increase in the Consumer Price Index and to round the adjustment to the nearest $5.

The Political Reform Act of 1974, an initiative measure, provides that the Legislature may amend the act to further the act’s purposes upon a 2/3 vote of each house and compliance with specified procedural requirements.

This bill would declare that it furthers the purposes of the act.

SECTION 1. Section 86102 of the Government Code is amended to read:

86102. (a) Each lobbying firm and lobbyist employer required to file a registration statement under this chapter may be charged not more than twenty-five fifty dollars ($25) ($50) per year for each lobbyist required to be listed on its registration statement.

(b) The Commission shall adjust the registration fee in subdivision (a) on December 1 of each even-numbered year to reflect any increase in the Consumer Price Index. The Commission shall round each adjustment pursuant to this subdivision to the nearest five dollars ($5).

SEC. 2. The Legislature finds and declares that this bill furthers the purposes of the Political Reform Act of 1974 within the meaning of subdivision (a) of Section 81012 of the Government Code.
SENATE BILL No. 1296

Introduced by Senator Fuller

February 23, 2012

An act to amend Sections 336, 342, 9001, 9002, 9004, 9005, 9006, 9007, 9008, 9009, 9034, 9035, 9050, 9051, 9053, 9054, 9063, 9086, 9087, 13262, 13282, and 18602 of, and to repeal Section 9003 of, the Elections Code, and to amend Section 88002 of the Government Code, relating to elections.

LEGISLATIVE COUNSEL’S DIGEST

SB 1296, as introduced, Fuller. Elections: ballot titles.

Existing law requires the Attorney General, upon receipt of a draft of a petition for a proposed initiative or referendum, to prepare a title and summary of the proposed measure. Under existing law, the Attorney General is required to determine the effect of a proposed initiative measure on revenues and expenditures of the state or local government. If the Attorney General determines that a proposed measure would affect state or local revenues or expenditures, he or she must include in the title either the estimate of the amount of change in state or local revenues or costs or an opinion as to whether a substantial net change in state or local finances would result if the proposed initiative is adopted. Existing law requires the Department of Finance and the Joint Legislative Budget Committee to prepare jointly the fiscal estimate that may be included in the title. Existing law imposes specified deadlines on the preparation of a title and summary, and a fiscal estimate.

This bill would require the Legislative Analyst, instead of the Attorney General, to prepare the ballot title and summary for all measures submitted to the voters of the state and would require the Legislative Analyst, instead of the Department of Finance and the Joint Legislative Budget Committee, to prepare any fiscal estimate or opinion required
by a proposed initiative measure. The bill would also change the
deadlines applicable to the preparation of a title and summary and a
fiscal estimate or opinion.
The bill would make its operation contingent upon the approval by
the voters of SCA ____ of the 2011–12 Regular Session.
State-mandated local program: no.

**LEGISLATIVE COUNSEL’S DIGEST**

SB 1553, as introduced, Lowenthal. Political Reform Act of 1974; campaign statements: electronic filing.

(1) The Political Reform act of 1974 requires elected officers, candidates for elective office, and campaign committees to file campaign statements reporting contributions and expenditures for specified reporting periods. Under the act, city elected officers, candidates for city office, their controlled committees, committees formed or existing primarily to support or oppose candidates or local measures to be voted upon in one city, and city general purpose committees are required to file campaign statements with the clerk of the city. This bill would create a pilot program for the 2013 through 2014 reporting periods that authorizes the City of Long Beach to permit any person who files a campaign statement with the city clerk to file electronically. In addition, the bill would require the City of Long Beach, if it chooses to participate in the pilot program, to prepare a report evaluating the program under specified criteria, and would further require the Legislative Analyst’s Office to prepare a report evaluating the program.

(2) This bill would make legislative findings and declarations as to the necessity of a special statute for a pilot program in the City of Long Beach.

(3) The Political Reform Act of 1974, an initiative measure, provides that the Legislature may amend the act to further the act’s purposes.
upon a $\frac{2}{3}$ vote of each house and compliance with specified procedural requirements.

This bill would declare that it furthers the purposes of the act.

Vote: $\frac{2}{3}$. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

84215.5. (a) (1) The City of Long Beach may permit any person who files a campaign statement with the city clerk pursuant to subdivision (d) of Section 84215 to file electronically.

(2) If the City of Long Beach authorizes electronic filing pursuant to subdivision (a), the city clerk shall use a form, and follow procedures, prescribed by the Commission.

(b) If the City of Long Beach chooses to participate, the pilot program created pursuant to this section shall commence on or after January 1, 2013, and shall be completed by January 31, 2015. (B) A listing and estimate of associated costs from implementing and operating the pilot program.

(C) A listing of safety, security, or privacy issues encountered and an explanation of the manner in which those issues were addressed.

(E) Any other relevant information on the implementation of the pilot program.

(2) The Commission shall transmit the report received pursuant to paragraph (1), as well as any comments on the report, to the Legislative Analyst’s Office by August 15, 2015. The Legislative
Analyst’s Office shall provide a report to the Legislature evaluating the pilot program by February 1, 2016.

(3) The Commission, in consultation with the Legislative Analyst’s Office, may develop additional criteria for the report to be submitted by the City of Long Beach pursuant to paragraph (1).

SEC. 3. The Legislature finds and declares that this bill furthers the purposes of the Political Reform Act of 1974 within the meaning of subdivision (a) of Section 81012 of the Government Code.
ASSEMBLY BILL No. 1509

Introduced by Assembly Member Hayashi

January 12, 2012

An act to add Section 87505 to the Government Code, relating to the Political Reform Act of 1974.

LEGISLATIVE COUNSEL’S DIGEST

The Political Reform Act of 1974 requires persons holding specified public offices to file disclosures of investments, real property interests, and income within specified periods of assuming or leaving office, and annually while holding the office. Specified local elected officers file their statements of economic interests with the city clerk or county clerk, who makes and retains a copy of each statement and forwards the original to the Fair Political Practices Commission, which is the filing officer.

This bill would require a city or county clerk who maintains an Internet Web site to post a notification on that Internet Web site that identifies the elected officers who file statements of economic interests with that city or county clerk. The bill would also require the notification to include a statement that a copy of a statement of economic interests for those filers can be obtained by visiting the offices of the Commission or the city or county clerk, as specified. The bill would also require that the notification include a link to the Commission’s Internet Web site and a statement that certain statements of economic interests may be available in an electronic format by visiting the Commission’s Internet
Web site. By imposing additional duties on a local official, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

The Political Reform Act of 1974, an initiative measure, provides that the Legislature may amend the act to further the act’s purposes upon a 2/3 vote of each house and compliance with specified procedural requirements.

This bill would declare that it furthers the purposes of the act.

State-mandated local program: yes.

The people of the State of California do enact as follows:

SECTION 1. Section 87505 is added to the Government Code, to read:
87505. Each city clerk or county clerk who maintains an Internet Web site shall post on that Internet Web site a notification that includes all of the following:
(a) A list of the elected officers identified in Section 87200 who file statements of economic interests with that city clerk or county clerk pursuant to Section 87500.
(b) A statement that copies of the statements of economic interests filed by the elected officers described in subdivision (a) may be obtained by visiting the offices of the Commission or that city clerk or county clerk, as appropriate. The statement shall include the physical address for the Commission’s office and the city clerk’s office or the county clerk’s office, as appropriate.
(c) A link to the Commission’s Internet Web site and a statement that statements of economic interests for some state and local government agency elected officers may be available in an electronic format on the Commission’s Internet Web site.
SEC. 2. If the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made
pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.

SEC. 3. The Legislature finds and declares that this bill furthers the purposes of the Political Reform Act of 1974 within the meaning of subdivision (a) of Section 81012 of the Government Code.

February 13, 2012

An act to amend Sections 84305.5, 84504, and 84505 of, to add Sections 84506.1, 84506.2, and 84506.3 to, to repeal Sections 84502, 84503, and 84506.5 of, and to repeal and add Sections 84501, 84506, 84507, and 84508 of, the Government Code, relating to the Political Reform Act of 1974.

LEGISLATIVE COUNSEL’S DIGEST

The Political Reform Act of 1974 regulates mass mailings, known as slate mailers, that support or oppose multiple candidates or ballot measures for an election. The act requires that each slate mailer identify the slate mailer organization or committee primarily formed to support or oppose one or more ballot measures that is sending the slate mailer, and to contain other specified information in specified formatting. The act requires that each candidate and each ballot measure that has paid to appear in the slate mailer be designated by an asterisk.

This bill would instead require that a candidate or ballot measure appearing in the slate mailer be designated by an asterisk if the slate
mailer organization or committee primarily formed to support or oppose
one or more ballot measures that is sending the slate mailer has received
payment to include the candidate or ballot measure in the slate mailer.
The bill would also recast the language of the prescribed notice to voters
that must be included on a slate mailer.

The act also regulates advertisements, which are defined as any
general or public advertisement that is authorized and paid for by a
person or committee for the purpose supporting or opposing a candidate
for elective office or a ballot measure or ballot measures. The act places
certain disclosure requirements on advertisements for or against any
ballot measure, including that the advertisement disclose any person
who has made cumulative contributions of $50,000 or more, as
prescribed. The act places more specific disclosure requirements on
broadcast or mass mailing advertisements that are paid for by
independent expenditures that support or oppose a candidate or ballot
measure.

This bill would repeal provisions relating to disclosures for
advertisements paid for by an independent expenditure and required
disclosures of persons who have made cumulative contributions of
$50,000 or more. This bill would, instead, impose specified disclosure
requirements on radio, television, and video advertisements, and certain
mass mailing and print advertisements that support or oppose a candidate
or ballot measure or solicit contributions in support of those purposes.
The bill would require advertisements that are authorized by a candidate
or agent of the candidate to include a statement in which the candidate
identifies himself or herself and states that he or she approves the
message, as specified. The bill would require advertisements that are
not authorized by a candidate or an agent of the candidate to disclose,
in a prescribed format, the 3 largest identifiable contributors, as defined,
of the committee that paid for the advertisement. The bill would require
mass mailings or print advertisements that are paid for by certain persons
who are not committees to disclose the name of that person as the funder
of the mass mailing or print advertisement. The bill would also require
that certain committees establish and maintain a committee disclosure
Internet Web site, as defined, which discloses the top 10 identifiable
contributors and provides a link to the Internet Web site maintained by
the Secretary of State for campaign finance disclosures of the committee.
The bill would require these advertisements to identify the address for
the committee disclosure Internet Web site.
Existing law makes a knowing or willful violation of the Political Reform Act of 1974 a misdemeanor and subjects offenders to criminal penalties.

This bill would impose a state-mandated local program by creating additional crimes.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

The Political Reform Act of 1974, an initiative measure, provides that the Legislature may amend the act to further the act’s purposes upon a \( \frac{2}{3} \) vote of each house and compliance with specified procedural requirements.

This bill would declare that it furthers the purposes of the act.

Vote: \( \frac{2}{3} \). Appropriation: no. Fiscal committee: yes. State-mandated local program: yes.

The people of the State of California do enact as follows:

SECTION 1. Section 84305.5 of the Government Code is amended to read:

The designation shall not be required in the case of candidates for nonpartisan office.

(b) For purposes of the designations required by paragraph (4) of subdivision (a), the payment of any sum made reportable by subdivision (c) of Section 84219 by or at the behest of a candidate or committee, whose name or position appears in the mailer, to the organization or committee primarily formed to support or oppose one or more ballot measures, shall constitute a payment to appear, requiring as required by paragraph (1) of subdivision (a), and the designation. However, if an employer of an identifiable contributor is also an identifiable contributor of that committee, then the contributions of the employee shall, instead, be deemed to be contributions by the employer for purposes of determining the total cumulative contribution made by the employer in order to determine which identifiable contributors shall be disclosed on an advertisement pursuant to this article.

the Government Code, or changes the definition of a crime within
the meaning of Section 6 of Article XIII B of the California

ASSEMBLY BILL No. 1730

Introduced by Assembly Member Olsen

February 16, 2012

An act to add Sections 9131.1, 9518, 82037.5, and 84203.1 to the Government Code, relating to the Legislature.

LEGISLATIVE COUNSEL’S DIGEST

AB 1730, as introduced, Olsen. Legislative Transparency Act.
Existing law requires the Assembly Committee on Rules, the Senate Committee on Rules, and the Joint Rules Committee to annually prepare a report to the public of all expenditures made from the operating fund subject to their direction and control, including a list of expenditures for each Member and committee of the Legislature, as prescribed.
This bill would require the Assembly Committee on Rules and the Senate Committee on Rules to provide to each Member of the Assembly and Senate, respectively, a monthly report of that Member’s office budget, as specified. The bill would require each Member of the Legislature to publish the monthly budget report on the Member’s Internet Web site.
Existing provisions of the California Constitution provide for the manner in which the Legislature may pass a bill, and authorize the Legislature to adopt rules for its proceedings.
This bill would prohibit either house of the Legislature from taking a vote on any bill until the bill, in its present form, has been made available to the public on an Internet Web site for at least 72 hours, unless the house dispenses with this requirement by a ⅔ vote.
The Political Reform Act of 1974 imposes various reporting and disclosure requirements on contributions made to or by candidates and candidate-controlled committees.

This bill would require a Member of the Legislature or a controlled committee of a Member of the Legislature that receives a legislative deadline contribution to report that contribution within 24 hours, as prescribed. The bill would define “legislative deadline contribution” to mean a contribution of $100 or more that is made to a Member of the Legislature or a controlled committee of a Member of the Legislature within the 7 days prior to specified legislative deadlines for a regular session of the Legislature.

Existing law makes a knowing or willful violation of the act a misdemeanor and subjects offenders to criminal penalties.

By creating additional crimes, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

The Political Reform Act of 1974, an initiative measure, provides that the Legislature may amend the act to further the act’s purposes upon a 2/3 vote of each house and compliance with specified procedural requirements.

This bill would declare that it furthers the purposes of the act.

State-mandated local program: yes.

The people of the State of California do enact as follows:

1. SECTION 1. This act shall be known and may be cited as the Legislative Transparency Act.
2. SEC. 2. Section 9131.1 is added to the Government Code, to read:
3. 9131.1. (a) The Assembly Committee on Rules and the Senate Committee on Rules shall provide to each Member of the Assembly and Senate, respectively, a monthly report of that Member’s office budget. The monthly budget report shall include all allocations and expenditures, including caucus allocations, travel expenses, office rent, and staff salaries.
(b) Each Member of the Legislature shall publish the monthly budget report provided to him or her pursuant to subdivision (a) on the Member’s Internet Web site.

SEC. 3. Section 9518 is added to the Government Code, to read:

9518. No vote shall be taken in either house of the Legislature on a bill until that bill, in its present form, has been made available to the public on an Internet Web site for at least 72 hours, unless the house dispenses with this requirement by a roll call vote entered in the journal, two-thirds of the membership concurring.

SEC. 4. Section 82037.5 is added to the Government Code, to read:

82037.5. “Legislative deadline contribution” means a contribution of one hundred dollars ($100) or more that is made to a Member of the Legislature or a controlled committee of a Member of the Legislature within the seven days prior to any of the following legislative deadlines for a regular session of the Legislature:
(a) The June 15 deadline to pass a Budget Bill pursuant to Section 12 of Article IV of the California Constitution.
(b) Any deadline imposed by the California Constitution, a statute, or the Joint Rules of the Senate and Assembly for the passage of a bill by the house in which the bill was introduced.
(c) Any date specified by the California Constitution, a statute, or the Joint Rules of the Senate and Assembly by when the Legislature is required to adjourn for a joint recess in an odd-numbered year to reconvene in an even-numbered year or the date for the Legislature to adjourn sine die in an even-numbered year.

SEC. 5. Section 84203.1 is added to the Government Code, to read:

84203.1. (a) Each Member of the Legislature or controlled committee of a Member of the Legislature that receives a legislative deadline contribution shall report the legislative deadline contribution to each office with which the Member or committee is required to file its next campaign statement pursuant to Section 84215. The recipient of the legislative deadline contribution shall report his or her full name and street address, the date and amount of the legislative deadline contribution, and whether the contribution was made in the form of a loan. The recipient shall
also report the full name of the contributor, his or her street address,
his or her occupation, and the name of his or her employer or, if
self-employed, the name of the business.
(b) A legislative deadline contribution shall be reported by
facsimile transmission, guaranteed overnight delivery, or personal
delivery within 24 hours of the time it is received. The report to
the Secretary of State shall be by online or electronic transmission
only. A legislative deadline contribution shall be reported on
subsequent campaign statements without regard to reports filed
pursuant to this section.
(c) A legislative deadline contribution need not be reported nor
shall it be deemed accepted if it is not cashed, negotiated, or
deposited, and is returned to the contributor within 24 hours of its
receipt.
(d) A report filed pursuant to this section shall be in addition to
any other campaign statement required to be filed by this chapter.
SEC. 6. No reimbursement is required by this act pursuant to
Section 6 of Article Xlllb of the California Constitution because
the only costs that may be incurred by a local agency or school
district will be incurred because this act creates a new crime or
infraction, eliminates a crime or infraction, or changes the penalty
for a crime or infraction, within the meaning of Section 17556 of
the Government Code, or changes the definition of a crime within
the meaning of Section 6 of Article Xlllb of the California
Constitution.
SEC. 7. The Legislature finds and declares that this bill furthers
the purposes of the Political Reform Act of 1974 within the
meaning of subdivision (a) of Section 81012 of the Government
Code.
ASSEMBLY BILL No. 1881

Introduced by Assembly Member Donnelly

February 22, 2012

LEGISLATIVE COUNSEL'S DIGEST

AB 1881, as introduced, Donnelly. Political Reform Act of 1974: campaign statements.

The Political Reform Act of 1974 requires elected officers, candidates, and campaign committees to file periodic campaign statements that include prescribed information, including the name, address, occupation, and employer of each person who made a cumulative amount of contributions of $100 or more to the campaign statement filer. Under the act, campaign statements are public records and are required to be open for public inspection.

This bill would prohibit a committee that is not controlled by a candidate from disclosing in a campaign statement the name and address of a person who has made a cumulative amount of contributions to that committee in an amount less than $5,000. The bill would require, upon the request of the Fair Political Practices Commission, that the committee provide the withheld information to the Commission, but that information would not be a public record and would not be open for public inspection. The bill would also make conforming changes.

Existing law makes a knowing or willful violation of the act a misdemeanor and subjects offenders to criminal penalties.

By creating additional crimes, this bill would impose a state-mandated local program.
The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

The Political Reform Act of 1974, an initiative measure, provides that the Legislature may amend the act to further the act’s purposes upon a ⅔ vote of each house and compliance with specified procedural requirements.

This bill would declare that it furthers the purposes of the act.

(r) If a committee primarily formed for the qualification or support of, or opposition to, an initiative or ballot measure is required to report an expenditure to a business entity pursuant to subdivision (k) and 50 percent or more of the business entity is owned by a candidate or person controlling the committee, by an officer or employee of the committee, or by a spouse of any of these individuals, the committee’s campaign statement shall also contain, in addition to the information required by subdivision (k), that person’s name, the relationship of that person to the committee,
and a description of that person’s ownership interest or position with the business entity.

(s) If a committee primarily formed for the qualification or support of, or opposition to, an initiative or ballot measure is required to report an expenditure to a business entity pursuant to subdivision (k), and a candidate or person controlling the committee, an officer or employee of the committee, or a spouse of any of these individuals is an officer, partner, consultant, or employee of the business entity, the committee’s campaign statement shall also contain, in addition to the information required by subdivision (k), that person’s name, the relationship of that person to the committee, and a description of that person’s ownership interest or position with the business entity.

(t) If the campaign statement is filed by a committee, as defined in subdivision (b) or (c) of Section 82013, information sufficient to identify the nature and interests of the filer, including:

(2) If the filer is a business entity, a description of the business activity in which it is engaged.

(3) If the filer is an industry, trade, or professional association, a description of the industry, trade, or profession which it represents, including a specific description of any portion or faction of the industry, trade, or profession which the association exclusively or primarily represents.

(4) If the filer is not an individual, business entity, or industry, trade, or professional association, a statement of the person’s nature and purposes, including a description of any industry, trade, profession, or other group with a common economic interest which the person principally represents or from which its membership or financial support is principally derived.

SEC. 4. No reimbursement is required by this act pursuant to Section 6 of Article XIIIB of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within
the meaning of Section 6 of Article XIII B of the California Constitution.

SEC. 5. The Legislature finds and declares that this bill furthers the purposes of the Political Reform Act of 1974 within the meaning of subdivision (a) of Section 81012 of the Government Code.
ASSEMBLY BILL No. 2054

Introduced by Assembly Member Fong

February 23, 2012

LEGISLATIVE COUNSEL’S DIGEST

AB 2054, as introduced, Fong. Fair Political Practices Commission: civil service classification.

The Political Reform Act of 1974 establishes the Fair Political Practices Commission to implement the act’s provisions. Under the act, a nonclerical position in the Commission is not to be included in the same civil service classification with any position of any other department or agency.

This bill would correct an erroneous cross-reference in that provision.

The people of the State of California do enact as follows:

SECTION 1. Section 83109 of the Government Code is amended to read:

83109. For purposes of Section 18801, 19818.6 of the Government Code, a nonclerical position under
the Commission shall not be included in the same class in the civil
service classification plan with any position of any other department or agency.
An act to add Section 87500.2 to the Government Code, relating to the Political Reform Act of 1974, and declaring the urgency thereof, to take effect immediately.

LEGISLATIVE COUNSEL’S DIGEST

AB 2062, as introduced, Davis. Political Reform Act of 1974: statements of economic interests: electronic filing.

Existing law establishes, until December 31, 2012, a pilot program authorizing specified local government agencies to develop and implement a system for the electronic filing of statements of economic interests by certain public officials, as specified.

This bill would authorize all agencies to permit the electronic filing of a statement of economic interests, in accordance with regulations adopted by the Fair Political Practices Commission. The bill would require the Commission to approve and certify an electronic filing system proposed by an agency if the system meets prescribed requirements. The bill would also authorize the Commission to conduct discretionary audits of an agency’s electronic filing system to evaluate its performance and compliance with the requirements of this bill.

The bill would authorize a city or county that developed an electronic filing system pursuant to the pilot program to continue to use that system during the time it takes the Commission to adopt the regulations to govern the electronic filing system program, but would require the city or county to submit a description of its electronic filing system to the
Commission for approval and certification after the Commission’s regulations take effect, as specified.

Existing law makes a knowing or willful violation of the Political Reform Act of 1974 a misdemeanor and subjects offenders to criminal penalties.

By creating additional crimes, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

The Political Reform Act of 1974, an initiative measure, provides that the Legislature may amend the act to further the act’s purposes upon a 2/3 vote of each house and compliance with specified procedural requirements.

This bill would declare that it furthers the purposes of the act.

This bill would declare that it is to take effect immediately as an urgency statute.

State-mandated local program: yes.

The people of the State of California do enact as follows:

SECTION 1. Section 87500.2 is added to the Government Code, to read:

87500.2. (a) An agency may permit the electronic filing of a statement of economic interests required by Article 2 (commencing with Section 87200) or Article 3 (commencing with Section 87300), including amendments, in accordance with regulations adopted by the Commission.

(b) In consultation with interested agencies, the Commission shall use common database integration features in developing database design requirements for all electronic filings that may be used.

(c) (1) An agency that intends to permit electronic filing of a statement of economic interests shall submit a proposal, which shall include a description of the electronic filing system that the agency proposes to use, to the Commission for approval and certification.
(2) The Commission shall review an agency’s proposal for compliance with the system requirement regulations adopted pursuant to subdivisions (a) and (b) and the requirements of subdivision (d). If the proposed system complies with these requirements, the Commission shall approve and certify the agency’s electronic filing system as soon as practicable after receiving the agency’s submitted proposal.

(d) An agency’s proposed electronic filing system shall meet the following requirements:

(1) A statement of economic interests filed electronically shall include an electronic transmission that is submitted under penalty of perjury and that conforms to subdivision (b) of Section 1633.11 of the Civil Code.

(2) (A) The agency’s filing officer shall issue to a person who electronically files his or her statement of economic interests or amendment electronic confirmation that notifies the filer that his or her statement of economic interests or amendment was received. The confirmation shall include the date and the time that the statement of economic interests or amendment was received by the filing officer and the method by which the filer may view and print the data received by the filing officer.

(B) A copy retained by the filer of a statement of economic interests or amendment that was electronically filed and the confirmation issued pursuant to subparagraph (A) that shows that the filer timely filed his or her statement of economic interests or amendment shall create a rebuttable presumption that the filer timely filed his or her statement of economic interests or amendment.

(3) The agency shall utilize an electronic filing system that includes layered security to ensure data integrity. The system shall have the capability to uniquely identify a filer electronically when he or she accesses the electronic filing system. The operational process for the system shall include industry best practices to ensure that the security and integrity of the data and information contained in the statement of economic interests is not jeopardized or compromised.

(4) The agency shall provide the public with a copy of an official’s statement of economic interests upon request, in accordance with Section 81008. The copy of the electronically filed statement of economic interests shall be identical to the
statement of economic interests published by the Commission and shall include the date that the statement was filed.

(e) The Commission may adopt regulations to require that an agency redact information on a statement of economic interests prior to posting the statement of economic interests on the Internet.

(f) The Commission may conduct discretionary audits of an agency's approved and certified electronic filing system to evaluate its performance and compliance with the requirements of this section.

(g) A city or county that developed an electronic filing system pursuant to the pilot program established by Section 87500.1 may continue to use that system for purposes of this section, including, but not limited to, the time during which the Commission is adopting the regulations required by this section. However, after the Commission's regulations take effect, the city or county shall submit a description of its electronic filing system to the Commission for approval and certification, within a reasonable time to be determined by the Commission. A city or county shall not continue to use an electronic filing system originally developed for purposes of Section 87500.1 if the Commission does not approve and certify that electronic filing system as complying with the requirements of the Commission’s regulations and the other requirements of this section.

SEC. 2. No reimbursement is required by this act pursuant to Section 6 of Article XIIIB of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

SEC. 3. The Legislature finds and declares that this bill furthers the purposes of the Political Reform Act of 1974 within the meaning of subdivision (a) of Section 81012 of the Government Code.

SEC. 4. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:
In order to allow the Fair Political Practices Commission time to develop regulations and procedures critical to the implementation of a system for the electronic filing of statements of economic interests prior to the 2013 filing period, which will allow state and local agencies to achieve significant savings, and to allow the city and county agencies that participated in the pilot program to continue using electronic filing while the Commission develops the necessary regulations in order to preserve the substantial investment those agencies have already made in developing electronic filing systems, it is necessary that this act take immediate effect.
Introduced by Assembly Member Cook
(Principal coauthor: Senator Emmerson)

February 23, 2012

An act relating to the Political Reform Act of 1974.

LEGISLATIVE COUNSEL’S DIGEST

AB 2129, as introduced, Cook. Political Reform Act of 1974.

The Political Reform Act of 1974 establishes the Fair Political Practices Commission, which has the primary responsibility for the impartial, effective administration and implementation of the act, including acting as the civil prosecutor responsible for the enforcement of the penalty provisions of the act.

This bill would state the intent of the Legislature to enact legislation that would require the Fair Political Practices Commission to have primary responsibility for the impartial, effective administration, implementation, and enforcement of a campaign reform ordinance for the County of San Bernardino, which would apply as to the county only if the board of supervisors has adopted a campaign reform ordinance and also has adopted an ordinance to make the statute applicable in the county.

The people of the State of California do enact as follows:

1 SECTION 1. It is the intent of the Legislature to enact legislation that would require the Fair Political Practices
Commission to have the primary responsibility for the impartial, effective administration, implementation, and enforcement of a campaign reform ordinance for the County of San Bernardino, which would apply as to the county only if the board of supervisors has adopted a campaign reform ordinance and also has adopted an ordinance to make the statute applicable in the county.
ASSEMBLY BILL  No. 2162

Introduced by Assembly Member Portantino

February 23, 2012

LEGISLATIVE COUNSEL’S DIGEST

AB 2162, as introduced, Portantino. Political Reform Act of 1974: economic interest disclosure.

The Political Reform Act of 1974 requires persons holding specified public offices to file disclosures of investments, real property interests, and income within specified periods of assuming or leaving office, and annually while holding the office. The act requires the disclosures to include a statement indicating, within a specified value range, the fair market value of investments or interests in real property and the aggregate value of income received from a source.

This bill would revise the dollar amounts associated with these ranges to provide for 8 total ranges of fair market value of investments and real property interests and 10 total ranges of aggregate value of income.

Existing law makes a knowing or willful violation of the act a misdemeanor and subjects offenders to criminal penalties.

By creating additional crimes, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.
The Political Reform Act of 1974, an initiative measure, provides that the Legislature may amend the act to further the act’s purposes upon a $\frac{2}{3}$ vote of each house and compliance with specified procedural requirements.

This bill would declare that it furthers the purposes of the act.

The people of the State of California do enact as follows:

(f)

(b) For purposes of disclosure under this article, “interest in real property” does not include the principal residence of the filer or any other property which the filer utilizes exclusively as the personal residence of the filer.

SEC. 2. Section 87207 of the Government Code is amended to read:

87207. (a) When income is required to be reported under this article, the statement shall contain, except as provided in subdivision (b), the following:

(1) The name and address of each source of income aggregating five hundred dollars ($500) or more in value, or fifty dollars ($50) or more in value if the income was a gift, and a general description of the business activity, if any, of each source.

(2) A statement indicating which of the following ranges represents the aggregate value of income from each source, or in the case of a loan, the highest amount owed to each source, was at least five hundred dollars ($500) but did not exceed one thousand dollars ($1,000), whether it was in excess of one thousand dollars ($1,000) but was not greater than ten thousand dollars ($10,000), whether it was greater than ten thousand dollars ($10,000) but not greater than one hundred thousand dollars ($100,000), or whether it was greater than one hundred thousand dollars ($100,000):

(G) More than five hundred thousand dollars ($500,000) but not greater than one million dollars ($1,000,000).

(H) More than one million dollars ($1,000,000) but not greater than five million dollars ($5,000,000).

(I) More than five million dollars ($5,000,000) but not greater than ten million dollars ($10,000,000).

the Government Code, or changes the definition of a crime within
the meaning of Section 6 of Article XIII B of the California
Constitution.

LEGISLATIVE COUNSEL’S DIGEST

AB 2191, as introduced, Norby. Political Reform Act of 1974: county central committees.

The Political Reform Act of 1974 requires elected officers, candidates for elective office, and committees to prepare and file various campaign finance reports, as specified. The act defines “committee” to include, among other things, any person or combination of persons who directly or indirectly receive contributions totaling $1,000 or more in a calendar year. The act defines “elective office” to expressly include membership on a county central committee of a qualified political party, thereby making elected members of, and candidates for election to, a county central committee of a qualified political party subject to the reporting requirements of the act.

This bill would revise the definition of “elective office” to exclude membership on a county central committee of a qualified political party and would revise the definition of “committee” to exclude an entity that is primarily formed to support or oppose a person seeking election to a county central committee of a qualified political party.

The act imposes limitations on contributions by persons to candidates for elective state office and permits local jurisdictions to impose additional contribution limitations, as specified. The act also authorizes
a local agency to impose additional filing requirements on a person, except as specified.

This bill would prohibit a local government agency from imposing filing requirements on elected members of, or candidates for election to, a county central committee of a qualified political party. The bill would also prohibit a local agency from imposing any contribution limitations or prohibitions on elected members of, or candidates for election to, a county central committee of a qualified political party, or on a committee primarily formed to support or oppose a person seeking election to a county central committee of a qualified political party.

The Political Reform Act of 1974, an initiative measure, provides that the act may be amended by a statute that becomes effective upon approval of the voters.

This bill would require the Secretary of State to submit the provisions of the bill that would amend the Political Reform Act of 1974 to the voters for approval at a statewide election, as specified.

The people of the State of California do enact as follows:

SECTION 1. Section 81009.5 of the Government Code is amended to read:

81009.5. (a) Any local government agency which has enacted, enacts, amends, or repeals an ordinance or other provision of law affecting campaign contributions and expenditures shall file a copy of the action with the commission.

(b) Notwithstanding Section 81013, no local government agency shall not enact any ordinance imposing filing requirements additional to or different from those set forth in Chapter 4 (commencing with Section 84100) for elections held in its jurisdiction unless the additional or different filing requirements apply only to the candidates seeking election in that jurisdiction, their controlled committees or committees formed or existing primarily to support or oppose their candidacies, and to committees formed or existing primarily to support or oppose a candidate or to support or oppose the qualification of, or passage of, a local ballot measure which is being voted on only in that jurisdiction, and to city or county general purpose committees active only in that city or county, respectively. However, a local government
agency shall not impose any filing requirements on elected members of, or candidates for election to, a county central committee of a qualified political party or on committees primarily formed to support or oppose a person seeking election to a county central committee of a qualified political party.

SEC. 2. Section 82013 of the Government Code is amended to read:

82013. “Committee” means any person or combination of persons who directly or indirectly does any of the following:

(a) Receives contributions totaling one thousand dollars ($1,000) or more in a calendar year.

(b) Makes independent expenditures totaling one thousand dollars ($1,000) or more in a calendar year.

(c) Makes contributions totaling ten thousand dollars ($10,000) or more in a calendar year to or at the behest of candidates or committees.

A person or combination of persons that becomes a committee shall retain its status as a committee until such time as that status is terminated pursuant to Section 84214.

“Committee” does not include an entity primarily formed to support or oppose a person seeking election to a county central committee of a qualified political party.

SEC. 3. Section 82023 of the Government Code is amended to read:

82023. “Elective office” means any state, regional, county, municipal, district, or judicial office that is filled at an election. “Elective office” also includes membership on a county central committee of a qualified political party, and membership through election on the Board of Administration of the Public Employees’ Retirement System or the Teachers’ Retirement Board. “Elective office” does not include membership on a county central committee of a qualified political party.

SEC. 4. Section 85703 of the Government Code is amended to read:

85703. (a) Nothing in this act shall nullify contribution limitations or prohibitions of any local jurisdiction that apply to elections for local elective office, except that these limitations and prohibitions may not conflict with the provisions of Section 85312. However, a local jurisdiction shall not impose any contribution limitations or prohibitions on elected members of, or candidates for, a county central committee.
for election to, a county central committee of a qualified political party, or on a committee primarily formed to support or oppose a person seeking election to a county central committee of a qualified political party.

(b) Limitations and prohibitions imposed by a local jurisdiction on payments for a member communication, as defined in subdivision (c), that conflict with Section 85312 and which are thereby prohibited by subdivision (a) include, but are not limited to, any of the following:

(1) Source restrictions on payments for member communications that are not expressly made applicable to member communications by a state statute or by a regulation adopted by the Commission pursuant to Section 83112.

(2) Limitations on payments to a political party committee for a member communication that are not expressly made applicable to member communications by a state statute or by a regulation adopted by the Commission pursuant to Section 83112.

(3) Limitations on the scope of payments considered directly related to the making of a member communication, including costs associated with the formulation, design, production, and distribution of the communication such as surveys, list acquisition, and consulting fees that are not expressly made applicable to member communications by a state statute or by a regulation adopted by the Commission pursuant to Section 83112.

(c) For purposes of this section, “member communication” means a communication, within the meaning of Section 85312, to members, employees, shareholders, or families of members, employees, or shareholders of an organization, including a communication by a political party to its members who are registered with that party.

SEC. 5. The Secretary of State shall, pursuant to subdivision (b) of Section 81012 of the Government Code, submit Sections 1 to 4, inclusive, of this act to the voters for approval at a statewide election in accordance with Section 9040 of the Elections Code.
ASSEMBLY BILL  No. 2220

Introduced by Assembly Member Gatto

February 24, 2012

An act to amend Section 9085 of the Elections Code, and to amend Section 88002.5 of the Government Code, relating to elections.

LEGISLATIVE COUNSEL’S DIGEST

AB 2220, as introduced, Gatto. Elections: statewide ballot pamphlet. The Political Reform Act of 1974 requires the Legislative Analyst to prepare an impartial analysis of each initiative measure to appear on the ballot, and provides that the Legislative Analyst is solely responsible for determining the content of the analysis. The act requires the Legislative Analyst to prepare an impartial fiscal analysis of a measure that is included in the ballot pamphlet stating whether the measure would increase or decrease any revenue or cost to state or local government. Existing law also requires the Legislative Analyst to prepare for inclusion in the ballot pamphlet a summary statement regarding the general meaning and effect of “yes” and “no” votes on each state measure.

The Political Reform Act of 1974, an initiative statute, generally provides that the Legislature may amend the act to further the act’s purposes upon a ⅔ vote of each house and compliance with specified procedural requirements. The act also provides that, notwithstanding this requirement, the Legislature may without restriction amend specified provisions of the act to add to the ballot pamphlet information regarding candidates or other information.

This bill would, except as specified, require, if a fiscal analysis prepared by the Legislative Analyst determines that a measure would
provide an increase in revenues to fund new or existing programs, that
specified language be added at the end of the “yes” and “no” summary
statement in the ballot pamphlet advising that, unless changed by a
future measure approved by the voters, the initiative would forever
dedicate the revenue it generates to programs identified in the initiative
by its backers and that these revenues would not be available to meet
other responsibilities of the state not identified in the initiative. The bill
also would contain a finding and declaration of the Legislature that the
bill permits or requires additional information to be included in the
ballot pamphlet in accordance with the provision of the Political Reform
Act of 1974 described above that authorizes the Legislature to add
information to the ballot pamphlet.

State-mandated local program: no.

The people of the State of California do enact as follows:

SECTION 1. Section 9085 of the Elections Code is amended
to read:
9085. (a) The ballot pamphlet shall also contain a section,
located near the front of the pamphlet, that provides a concise
summary of the general meaning and effect of “yes” and “no”
votes on each state measure.
(b) The summary statements required by this section shall be
prepared by the Legislative Analyst. These statements are not
intended to provide comprehensive information on each measure.
The Legislative Analyst shall be solely responsible for determining
the contents of these statements. The statements shall be available
for public examination and amendment pursuant to Section 9092.
(c) (1) Except as provided in paragraph (2), if an initiative
measure qualifies for the ballot and the analysis prepared pursuant
to Section 9087 determines that the initiative measure would
provide for an increase in revenues to fund new or existing
programs, the Legislative Analyst shall add a paragraph at the
end of the summary statement prepared pursuant to this section,
stating as follows:
“Unless changed by a future measure approved by the voters,
this initiative would forever dedicate the revenue it generates to
programs identified in the initiative by its backers, and these
revenues would not be available to meet other responsibilities of
the state not identified in the initiative.”

(2) Paragraph (1) shall not apply if the measure provides that
the increase in revenues is to be deposited without restriction into
the General Fund commencing at a future date after its enactment,
or if the initiative measure allows the Legislature to reallocate the
increase in revenues.

SEC. 2. Section 88002.5 of the Government Code is amended
to read:

88002.5. (a) The ballot pamphlet shall also contain a section,
located near the front of the pamphlet, that provides a concise
summary of the general meaning and effect of “yes” and “no”
votes on each state measure.

(b) The summary statements required by this section shall be
prepared by the Legislative Analyst. These statements are not
intended to provide comprehensive information on each measure.
The Legislative Analyst shall be solely responsible for determining
the contents of these statements. The statements shall be available
for public examination and amendment pursuant to Section 88006.

(c) (1) Except as provided in paragraph (2), if an initiative
measure qualifies for the ballot and the analysis prepared pursuant
to Section 88003 determines that the initiative measure would
provide for an increase in revenues to fund new or existing
programs, the Legislative Analyst shall add a paragraph at the
end of the summary statement prepared pursuant to this section,
stating as follows:
“Unless changed by a future measure approved by the voters,
this initiative would forever dedicate the revenue it generates to
programs identified in the initiative by its backers, and these
revenues would not be available to meet other responsibilities of
the state not identified in the initiative.”

(2) Paragraph (1) shall not apply if the measure provides that
the increase in revenues is to be deposited without restriction into
the General Fund commencing at a future date after its enactment,
or if the initiative measure allows the Legislature to reallocate the
increase in revenues.

SEC. 3. The Legislature finds and declares that this act permits
or requires the inclusion of additional information on the ballot
pamphlet in accordance with Section 88007 of the Government Code.

LEGISLATIVE COUNSEL’S DIGEST

AB 2239, as introduced, Norby. Political Reform Act of 1974. The Political Reform Act of 1974 imposes various limitations on contributions that may be made to, or accepted by, candidates for elective office and campaign committees that support or oppose candidates and ballot measures, including, among other things, limiting the maximum dollar amount of contributions that may be accepted by candidates for elective state office, prohibiting candidates from accepting public funds for the purpose of seeking public office, limiting contributions to an officer of an agency from a party who has a financial interest in a permit or license proceeding before that agency, and prohibiting elected state officers or candidates for elective state office.
from accepting contributions from lobbyists registered to lobby the governmental agency of which the elected official is a member or for which the candidate seeks election.

This bill would repeal limitations on contributions that may be made to, or accepted by, candidates for elective office.

The act requires candidates and committees to file specified campaign finance reports, including semiannual statements, preelection statements, supplemental preelection statements, and late contribution reports, that include prescribed campaign finance information.

This bill would repeal the requirements to file these reports and would, instead, require that a candidate or committee who makes or receives a contribution of $100 or more to report that contribution to specified filing officers within 24 hours of receiving the contribution. The bill would require a candidate or committee making the contribution to report his, her, or its full name and address, the full name and address of the recipient, the office sought by the candidate or the ballot measure, as appropriate, and the date and amount of the contribution. The bill would require the recipient of the contribution to report his, her, or its full name and address, the date and amount of the contribution, whether the contribution is in the form of a loan, and the full name of the contributor, and his or her street address, occupation, and employer or the name of the business, if self-employed. The bill would require a candidate or committee who is required to report to the Secretary of State to file the report online or by electronic transmission only.

The bill would also make conforming changes.

By increasing the duties of local government officials, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement. This bill would provide that no reimbursement is required by this act for a specified reason.

The Political Reform Act of 1974, an initiative measure, provides that the act may be amended by a statute that becomes effective upon approval of the voters. This bill would require the Secretary of State to submit the provisions of the bill that would amend the Political Reform Act of 1974 to the voters for approval at a statewide election, as specified.

3. (A) The judge served as a lawyer in the proceeding, or in any other proceeding involving the same issues he or she served as a lawyer for a party in the present proceeding, or gave advice to a party in the present proceeding upon a matter involved in the action or proceeding.

4. (B) A judge shall be deemed to have served as a lawyer in the proceeding if within the past two years:

   i. A party to the proceeding, or an officer, director, or trustee of a party, was a client of the judge when the judge was in the private practice of law or a client of a lawyer with whom the judge was associated in the private practice of law.

   ii. A lawyer in the proceeding was associated in the private practice of law with the judge.

   iii. A judge who served as a lawyer for, or officer of, a public agency that is a party to the proceeding shall be deemed to have served as a lawyer in the proceeding if he or she personally advised or in any way represented the public agency concerning the factual or legal issues in the proceeding.

5. (A) The judge has a financial interest in the subject matter in a proceeding or in a party to the proceeding.

6. (B) A judge shall be deemed to have a financial interest within the meaning of this paragraph if:

   i. A spouse or minor child living in the household has a financial interest.

   ii. The judge or the spouse of the judge is a fiduciary who has a financial interest.
(C) A judge has a duty to make reasonable efforts to inform himself or herself about his or her personal and fiduciary interests and those of his or her spouse and the personal financial interests of children living in the household.

(4) The judge, or the spouse of the judge, or a person within the third degree of relationship to either of them, or the spouse of such a person, is a party to the proceeding or an officer, director, or trustee of a party.

(5) A lawyer or a spouse of a lawyer in the proceeding is the spouse, former spouse, child, sibling, or parent of the judge or the judge’s spouse or if such a person is associated in the private practice of law with a lawyer in the proceeding.

(6) (A) For any reason:

(i) The judge believes his or her recusal would further the interests of justice.

(ii) The judge believes there is a substantial doubt as to his or her capacity to be impartial.

(iii) A person aware of the facts might reasonably entertain a doubt that the judge would be able to be impartial.

(B) Bias or prejudice toward a lawyer in the proceeding may be grounds for disqualification.

(7) By reason of permanent or temporary physical impairment, the judge is unable to properly perceive the evidence or is unable to properly conduct the proceeding.

(8) (A) The judge has a current arrangement concerning prospective employment or other compensated service as a dispute resolution neutral or is participating in, or, within the last two years has participated in, discussions regarding prospective employment or service as a dispute resolution neutral, or has been engaged in that employment or service, and any of the following applies:

(iii) The judge directs the parties to participate in an alternative dispute resolution process in which the dispute resolution neutral will be an individual or entity with whom the judge has the
arrangement, has previously been employed or served, or is discussing or has discussed the employment or service.

(iv) The judge will select a dispute resolution neutral or entity to conduct an alternative dispute resolution process in the matter before the judge, and among those available for selection is an individual or entity with whom the judge has the arrangement, with whom the judge has previously been employed or served, or with whom the judge is discussing or has discussed the employment or service.

If a judge’s response to an unsolicited statement regarding, a question about, or offer of, prospective employment or other compensated service as a dispute resolution neutral is limited to responding negatively, declining the offer, or declining to discuss that employment or service, that response does not constitute participating in discussions.

(ii) “Party” includes the parent, subsidiary, or other legal affiliate of any entity that is a party and is involved in the transaction, contract, or facts that gave rise to the issues subject to the proceeding.

(iii) “Dispute resolution neutral” means an arbitrator, mediator, temporary judge appointed under Section 21 of Article VI of the California Constitution, referee appointed under Section 638 or 639, special master, neutral evaluator, settlement officer, or settlement facilitator.

The manner of disclosure shall be the same as that provided in Canon 3E of the Code of Judicial Ethics.

(D) Notwithstanding paragraph (1) of subdivision (b) of Section 170.3, the disqualification required under this paragraph may be waived by the party that did not make the contribution unless there are other circumstances that would prohibit a waiver pursuant to paragraph (2) of subdivision (b) of Section 170.3.

(b) A judge before whom a proceeding was tried or heard shall be disqualified from participating in any appellate review of that proceeding.

(c) At the request of a party or on its own motion an appellate court shall consider whether in the interests of justice it should direct that further proceedings be heard before a trial judge other than the judge whose judgment or order was reviewed by the appellate court.

SEC. 35. Section 84308 of the Government Code is amended to read:

84308. (a) The definitions set forth in this subdivision shall govern the interpretation of this section.

(1) “Party” means any person who files an application for, or is the subject of, a proceeding involving a license, permit, or other entitlement for use.

(2) “Participant” means any person who is not a party but who actively supports or opposes a particular decision in a proceeding involving a license, permit, or other entitlement for use and who has a financial interest in the decision, as described in Article 1 (commencing with Section 87100) of Chapter 7. A person actively
supports or opposes a particular decision in a proceeding if he or she lobbies in person the officers or employees of the agency, testifies in person before the agency, or otherwise acts to influence officers of the agency.

(3) “Agency” means an agency as defined in Section 82003 except that it does not include the courts or any agency in the judicial branch of government, local governmental agencies whose members are directly elected by the voters, the Legislature, the State Board of Equalization, or constitutional officers. However, this section applies to any person who is a member of an exempted agency but is acting as a voting member of another agency.

(4) “Officer” means any elected or appointed officer of an agency, any alternate to an elected or appointed officer of an agency, and any candidate for elective office in an agency.

(5) “License, permit, or other entitlement for use” means all business, professional, trade, and land use licenses and permits and all other entitlements for use, including all entitlements for land use, all contracts (other than competitively bid, labor, or personal employment contracts), and all franchises.

(6) “Contribution” includes contributions to candidates and committees in federal, state, or local elections.

(b) No officer of an agency shall accept, solicit, or direct a contribution of more than two hundred fifty dollars ($250) from any party, or his or her agent, or from any participant, or his or her agent, while a proceeding involving a license, permit, or other entitlement for use is pending before the agency and for three months following the date a final decision is rendered in the proceeding if the officer knows or has reason to know that the participant has a financial interest, as that term is used in Article 1 (commencing with Section 87100) of Chapter 7. This prohibition shall apply regardless of whether the officer accepts, solicits, or directs the contribution for himself or herself, or on behalf of any other officer, or on behalf of any candidate for office or on behalf of any committee.

(e) Prior to rendering any decision in a proceeding involving a license, permit or other entitlement for use pending before an agency, each officer of the agency who received a contribution within the preceding 12 months in an amount of more than two hundred fifty dollars ($250) from a party or from any participant
shall disclose that fact on the record of the proceeding. No officer
of an agency shall make, participate in making, or in any way
attempt to use his or her official position to influence the decision
in a proceeding involving a license, permit, or other entitlement
for use pending before the agency if the officer has willfully or
knowingly received a contribution in an amount of more than two
hundred fifty dollars ($250) within the preceding 12 months from
a party or his or her agent, or from any participant, or his or her
agent if the officer knows or has reason to know that the participant
has a financial interest in the decision, as that term is described
with respect to public officials in Article 1 (commencing with
Section 87100) of Chapter 7.

If an officer receives a contribution which would otherwise
require disqualification under this section, returns the contribution
within 30 days from the time he or she knows, or should have
known, about the contribution and the proceeding involving a
license, permit, or other entitlement for use, he or she shall be
permitted to participate in the proceeding.

(d) A party to a proceeding before an agency involving a license,
permit, or other entitlement for use shall disclose on the record of
the proceeding any contribution in an amount of more than two
hundred fifty dollars ($250) made within the preceding 12 months
by the party, or his or her agent, to any officer of the agency. No
dy, or his or her agent, to a proceeding involving a license,
permit, or other entitlement for use pending before any agency
and no participant, or his or her agent, in the proceeding shall make
a contribution of more than two hundred fifty dollars ($250) to
any officer of that agency during the proceeding and for three
months following the date a final decision is rendered by the
agency in the proceeding. When a closed corporation is a party to,
or a participant in, a proceeding involving a license, permit, or
other entitlement for use pending before an agency, the majority
shareholder is subject to the disclosure and prohibition
requirements specified in subdivisions (b), (c), subdivision (b) and
this subdivision.

(e) Nothing in this section shall be construed to imply that any
contribution subject to being reported under this title shall not be
so reported.
SEC. 36. Section 84602 of the Government Code is amended to read:

to the public. Acceptably formatted files shall be submitted by a filer in order to meet the requirements of this chapter.

(c) Develop a system that provides for the online or electronic transfer of the data specified in this section utilizing telecommunications technology that assures the integrity of the data transmitted and that creates safeguards against efforts to tamper with or subvert the data.

(d) Make all the data filed available on the Internet in an easily understood format that provides the greatest public access. The data shall be made available free of charge and as soon as possible after receipt. All late contribution reports and late independent expenditure reports, as defined by Sections 84203 and 84204, respectively, shall be made available on the Internet within 24 hours of receipt. (h) Implement sufficient technology to seek to prevent unauthorized alteration or manipulation of the data.

(i) Provide the Commission with necessary information to enable it to assist agencies, public officials, and others, with the compliance with and administration of this title.

(j) Report to the Legislature on the implementation and development of the online and electronic filing and disclosure requirements of this chapter. The report shall include an examination of system security, private security issues, software availability, compliance costs to filers, use of the filing system and software provided by the Secretary of State, and other issues relating to this chapter, and shall recommend appropriate changes if necessary. In preparing the report, the Commission may present to the Secretary of State and the Legislature its comments regarding this chapter as it relates to the duties of the
commission Commission and suggest appropriate changes if necessary. There shall be one report due before the system is operational as set forth in Section 84603, one report due no later than June 1, 2002, and one report due no later than January 31, 2003.

(k) Review the current filing and disclosure requirements of this chapter and report to the Legislature, no later than June 1, 2005, recommendations on revising these requirements so as to promote greater reliance on electronic and online submissions.

shall be subject to any applicable contribution limit provided in
this title. If a contribution received pursuant to this subdivision
exceeds the allowable contribution limit for the office sought, the
candidate shall return the amount exceeding the limit to the
contributor on a basis to be determined by the Commission. None
of the expenditures made by elected state officers pursuant to this
subdivision shall be subject to the voluntary expenditure limitations
in Section 85400.

(4) The commission shall adjust the calendar year contribution
limitations and aggregate contribution limitations set forth in this
subdivision in January of every odd-numbered year to reflect any
increase or decrease in the Consumer Price Index. Those

in which the expenditures were made and the reimbursements on
the campaign statement for the period in which the reimbursements
were made.

(d) If reimbursement is not paid within the time authorized by
this section, the expenditure shall be reported on the campaign
statement as a nonmonetary contribution received on the 90th day
after the expenditure is paid, in the case of a cash expenditure, or
within 90 days of the end of the billing period in which it was
included, in the case of an expenditure charged to a credit card or
charge account.

personal benefit on any individual or individuals with authority to
approve the expenditure of campaign funds held by the committee,
shall be directly related to a political, legislative, or governmental
purpose of the committee.

SEC. 63. Section 89513 of the Government Code is amended
to read:

89513. This section governs the use of campaign funds for the
specific expenditures set forth in this section. It is the intent of the
Legislature that this section shall guide the interpretation of the
standard imposed by Section 89512 as applied to other expenditures not specifically set forth in this section.

(a) (1) Campaign funds shall not be used to pay or reimburse the candidate, the elected officer, or any individual or individuals with authority to approve the expenditure of campaign funds held by a committee, or employees or staff of the committee or the elected officer’s governmental agency for travel expenses and necessary accommodations except when these expenditures are directly related to a political, legislative, or governmental purpose.

(2) For the purposes of this section, payments or reimbursements for travel and necessary accommodations shall be considered as directly related to a political, legislative, or governmental purpose if the payments would meet standards similar to the standards of the Internal Revenue Service pursuant to Sections 162 and 274 of the Internal Revenue Code for deductions of travel expenses under the federal income tax law.

(3) For the purposes of this section, payments or reimbursement for travel by the household of a candidate or elected officer when traveling to the same destination in order to accompany the candidate or elected officer shall be considered for the same purpose as the candidate’s or elected officer’s travel.

(4) Whenever campaign funds are used to pay or reimburse a candidate, elected officer, his or her representative, or a member of the candidate’s household for travel expenses and necessary accommodations, the expenditure shall be reported as required by Section 84211.

(b) (1) Campaign funds shall not be used to pay for or reimburse the cost of professional services unless the services are directly related to a political, legislative, or governmental purpose.

(2) Expenditures by a committee to pay for professional services reasonably required by the committee to assist it in the performance
of its administrative functions are directly related to a political, legislative, or governmental purpose.

(3) Campaign funds shall not be used to pay health-related expenses for a candidate, elected officer, or any individual or individuals with authority to approve the expenditure of campaign funds held by a committee, or members of his or her household. “Health-related expenses” includes, but is not limited to, examinations by physicians, dentists, psychiatrists, psychologists, or counselors, expenses for medications, treatments or medical equipment, and expenses for hospitalization, health club dues, and special dietary foods. However, campaign funds may be used to pay employer costs of health care benefits of a bona fide employee or independent contractor of the committee.

(c) Campaign funds shall not be used to pay or reimburse fines, penalties, judgments, or settlements, except those resulting from either of the following:

(1) Parking citations incurred in the performance of an activity that was directly related to a political, legislative, or governmental purpose.

(2) Any other action for which payment of attorney’s fees from contributions would be permitted pursuant to this title.

(d) Campaign funds shall not be used for campaign, business, or casual clothing except specialty clothing that is not suitable for everyday use, including, but not limited to, formal wear, if this attire is to be worn by the candidate or elected officer and is directly related to a political, legislative, or governmental purpose.

(e) (1) Except where otherwise prohibited by law, campaign funds may be used to purchase or reimburse for the costs of purchase of tickets to political fundraising events for the attendance of a candidate, elected officer, or his or her immediate family, or an officer, director, employee, or staff of the committee or the elected officer’s governmental agency.

(2) Campaign funds shall not be used to pay for or reimburse for the costs of tickets for entertainment or sporting events for the candidate, elected officer, or members of his or her immediate family, or an officer, director, employee, or staff of the committee, unless their attendance at the event is directly related to a political, legislative, or governmental purpose.
(3) The purchase of tickets for entertainment or sporting events for the benefit of persons other than the candidate, elected officer, or his or her immediate family are governed by subdivision (f).

(f) (1) Campaign funds shall not be used to make personal gifts unless the gift is directly related to a political, legislative, or governmental purpose. The refund of a campaign contribution does not constitute the making of a gift.

(2) Nothing in this section shall prohibit the use of campaign funds to reimburse or otherwise compensate a public employee for services rendered to a candidate or committee while on vacation, leave, or otherwise outside of compensated public time.

(3) An election victory celebration or similar campaign event, or gifts with a total cumulative value of less than two hundred fifty dollars ($250) in a single year made to an individual employee, a committee worker, or an employee of the elected officer’s agency, are considered to be directly related to a political, legislative, or governmental purpose. For purposes of this paragraph, a gift to a member of a person’s immediate family shall be deemed to be a gift to that person.

(g) Campaign funds shall not be used to make loans other than to organizations pursuant to Section 89515, or, unless otherwise prohibited, to a candidate for elective office, political party, or committee.

SEC. 64. Section 90002 of the Government Code is amended to read:

90002. (a) Audits and investigations of lobbying firms and lobbyist employers shall be performed on a biennial basis and shall cover reports filed during a period of two years.

(b) If a lobbying firm or lobbyist employer keeps a separate account for all receipts and payments for which reporting is required by this chapter, the requirement of an audit under subdivision (a) of Section 90001 shall be satisfied by an audit of that account and the supporting documentation required to be maintained by Section 86110.

(c) No audit or investigation of any candidate, controlled committee, or committee primarily supporting or opposing a candidate or a measure in connection with a report or statement required by Chapter 4 of this title (commencing with Section 84100), shall begin until after the last date for filing the first report or statement following the general, runoff, or special election for
the office for which the candidate ran, or following the election at
which the measure was adopted or defeated, except that audits and
investigations of statewide candidates, their controlled committees,
and committees primarily supporting or opposing those statewide
candidates who were defeated in the primary election and who are
not required to file statements for the general election may begin
after the last date for filing the first report or statement following
the primary election. When the campaign statements or reports of
a candidate, controlled committee, or a committee primarily
supporting or opposing a candidate are audited and investigated
pursuant to Section 90001, the audit and investigation shall cover
all campaign statements and reports filed for the primary and
general or special or runoff elections and any previous campaign
statement or report filed pursuant to Section 84200 or 84200.5
since the last election for that office, but shall exclude any
statements or reports which have previously been audited pursuant
to Section 90001 or 90003. When the campaign statements or
reports of a committee primarily supporting or opposing a measure
are audited and investigated, the audit and investigation shall cover
all campaign statements and reports from the beginning date of
the first campaign statement filed by the committee in connection
with the measure. For all other committees, the audit and
investigation shall cover all campaign statements filed during the
previous two calendar years.

SEC. 65. No reimbursement is required by this act pursuant to
Section 6 of Article XIII B of the California Constitution because
the duties imposed on a local agency or school district by this act
were expressly included in a ballot measure approved by the voters
in a statewide election, within the meaning of Section 17556 of
the Government Code.

SEC. 66. The Secretary of State shall, pursuant to subdivision
(b) of Section 81012 of the Government Code, submit Sections 3
to 64, inclusive, of this act to the voters for approval at a statewide
election in accordance with Section 9040 of the Elections Code.

SEC. 67. Sections 1 and 2 of this act shall not become operative
unless and until the voters approve the amendments to the Political
Reform Act of 1974 (Title 9 (commencing with Section 81000)
of the Government Code) made by Sections 3 to 64, inclusive, of this act, at the statewide election described in Section 66.
 Introduced by Assembly Member Portantino

February 24, 2012

An act to add Article 11 (commencing with Section 9149.50) to Chapter 1.5 of Part 1 of Division 2 of Title 2 of the Government Code, relating to the Legislature.

LEGISLATIVE COUNSEL'S DIGEST

AB 2256, as introduced, Portantino. California Legislature Whistleblower Protection Act.
Existing law, the California Whistleblower Protection Act, prohibits a state employee from using his or her official authority or influence to discourage or retaliate against any person in order to interfere with the right of that person to disclose evidence of an improper government activity. The act requires the State Auditor to investigate disclosures of improper government activities. The act expressly does not apply to an employee who is a Member or employee of the Legislature.

This bill would enact, and would require the Fair Political Practices Commission to administer, the California Legislature Whistleblower Protection Act. The act would prohibit a Member or employee of the Legislature from directly or indirectly using or attempting to use his or her official authority or influence to retaliate, threaten, coerce, or engage in any similar improper act for the purpose of interfering with the right of an employee of the Legislature to make a protected disclosure of improper governmental activity or to refuse an illegal order, as defined. The act would authorize a current, prospective, or former employee of the Legislature, as specified, within one year of the most recent improper act complained of, to file a written complaint with his or her supervisor,
manager, or other officer designated by the Senate Committee on Rules or the Assembly Committee on Rules alleging actual or attempted violations of these prohibited acts. The act would provide that any Member or employee of the Legislature who intentionally engages in these prohibited acts is subject to, except as specified, a civil action brought by the injured party in addition to specified civil and criminal penalties.

The act would require the commission to create the means for the submission of allegations of improper governmental activities to the commission, and would authorize the commission to investigate the allegations or refer them to the Senate Committee on Rules or the Assembly Committee on Rules, the Attorney General, or the appropriate district attorney for investigation. The act would require the commission, if it investigates an allegation and determines that a Member or employee of the Legislature may have engaged in such activities, to prepare an investigative report and send a copy to the Senate Committee on Rules or the Assembly Committee on Rules, as applicable. The act would also authorize the commission, as it deems appropriate, to send a copy of the investigative report to other entities.

This bill would impose a state-mandated local program by creating additional crimes.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement. This bill would provide that no reimbursement is required by this act for a specified reason.

*The people of the State of California do enact as follows:*

1 SECTION 1. The Legislature finds and declares all of the following:
2 (a) The California Whistleblower Protection Act prohibits a state employee from using his or her official authority or influence for the purpose of intimidating, threatening, coercing, or commanding any person for the purpose of interfering with his or her right to make a protected disclosure of improper governmental activity. The Legislature has passed legislation exempting itself and its employees from this prohibition.

(b) The California Whistleblower Protection Act requires the State Auditor to investigate and report on improper state governmental activities. The State Auditor has maintained that she will not investigate California Whistleblower Protection Act violation allegations against Members or employees of the Legislature because the Legislature is one of the State Auditor’s clients.

(c) The California Whistleblower Protection Act authorizes a state employee or applicant for state employment who files a written complaint alleging reprisal, retaliation, or similar prohibited acts to also file a copy of the written complaint with the State Personnel Board, together with a sworn statement that the complaint is true, under penalty of perjury. The act provides that any person who intentionally engages in acts of reprisal, retaliation, or similar prohibited acts against a state employee or applicant for state employment for having made a protected disclosure is subject to punishment for a misdemeanor, and shall be liable in an action for civil damages brought by the injured party. The Legislature has exempted itself from these provisions and, therefore, legislative employees have no protection against reprisal or retaliation for reporting fraud, waste, criminal acts, abuse, or other improper governmental activities.

(d) There currently is no place where employees of the Legislature can report fraud, waste, criminal acts, abuse, or other improper governmental activities anonymously and without fear of reprisal or retaliation. The lack of a forum to anonymously disclose improper governmental activities creates an environment of secrecy and closed government in the Legislature that serves to ensure that no corrective action or measures are taken.

(e) It is the intent of the Legislature that its decisions be made openly. If there are instances of fraud, waste, criminal acts, abuse, or other improper governmental activities, it is the policy of the Legislature that these be reported and corrected. The Legislature actively seeks openness and accountability in government. Employees of the Legislature need to be free to report these abuses with the same protections as other state employees.

SEC. 2. Article 11 (commencing with Section 9149.50) is added to Chapter 1.5 of Part 1 of Division 2 of Title 2 of the Government Code, to read:
Article 11. California Legislature Whistleblower Protection Act

9149.50. This article shall be known and may be cited as the California Legislature Whistleblower Protection Act.

9149.51. (a) The Legislature finds and declares that employees of each house of the Legislature should be free to report waste, fraud, abuse of authority, violations of law, or threats to the public without fear of retribution. The Legislature further finds and declares that legislative employees best serve the citizens of this state when they can be candid and honest without reservation in conducting the people’s business. Employees of each house of the Legislature have an affirmative duty to disclose or report improper governmental activity.

(b) The Legislature finds and declares that access to information concerning the conduct of the people’s business by the Legislature is a fundamental and necessary right of every citizen in this state. It is the intent of the Legislature that the Legislature conduct the people’s business in a manner that is free from improper governmental activity. To this end, the Legislature encourages and requires that instances of fraud, waste, abuse of authority, violations of law, or threats to public safety be reported to an independent entity for review and action.

9149.52. For the purposes of this article, the following terms have the following meanings:

(a) “Illegal order” means a directive to violate or assist in violating a federal, state, or local law, rule, or regulation, or an order to work or cause others to work in conditions outside of their line of duty that would unreasonably threaten the health or safety of employees or the public.

(b) “Improper governmental activity” means an activity of a Member or employee of either house of the Legislature that is undertaken in the performance of the Member’s or employee’s duties, whether or not that activity is within the scope of his or her employment, and is in violation of any state or federal law or regulation, including corruption, malfeasance, bribery, theft of government property, fraudulent claims, fraud, coercion, conversion, malicious prosecution, misuse of government property, or willful omission to perform a duty, or that is economically
wasteful or involves gross misconduct, incompetency, or inefficiency.

(c) “Protected disclosure” means a good faith communication, including a communication based on, or when carrying out, job duties, that discloses or demonstrates an intention to disclose information that may evidence (1) an improper governmental activity, or (2) a condition that may significantly threaten the health or safety of employees or the public if the disclosure or intention to disclose was made for the purpose of remedying that condition. Protected disclosure specifically includes a good faith communication to the Fair Political Practices Commission alleging an improper governmental activity and any evidence delivered to the commission in support of the allegation. “Protected disclosure” also includes a complaint made to the Commission on Judicial Performance.

9149.53. (a) (1) A Member or employee of either house of the Legislature shall not directly or indirectly use or attempt to use his or her official authority or influence to retaliate, threaten, coerce, or engage in any similar improper act for the purpose of interfering with the right of an employee of either house of the Legislature to make a protected disclosure of improper governmental activity or to refuse an illegal order.

(2) For the purposes of this subdivision, the use of “official authority or influence” includes promising to confer, or conferring, any benefit; effecting, or threatening to effect, any reprisal; or taking, or directing others to take, or recommending, processing, or approving, any personnel action, including appointment, promotion, transfer, assignment, performance evaluation, suspension, or other disciplinary action.

(b) An employee of either house of the Legislature or applicant for employment with either house of the Legislature may file a written complaint with his or her supervisor, manager, or other officer designated for that purpose by the Senate Committee on Rules or the Assembly Committee on Rules, as applicable, alleging actual or attempted acts of reprisal, retaliation, threats, coercion, or similar improper acts prohibited by subdivision (a), together with a sworn statement that the contents of the complaint are true, or are believed by the affiant to be true, under penalty of perjury. The complaint shall be filed within one year of the most recent improper act complained about. The Senate Committee on Rules
and the Assembly Committee on Rules shall each designate an
officer to receive complaints pursuant to this subdivision. A former
employee of either house of the Legislature may file a complaint
pursuant to this subdivision if the alleged acts complained of
occurred on or after January 1, 2013.

(c) Except to the extent that a Member of the Legislature is
immune from liability under the doctrine of legislative immunity,
a person who intentionally engages in an act prohibited by
subdivision (a) is subject to all of the following:

(1) (A) A civil action for damages brought against him or her
by the injured party. Punitive damages may be awarded by the
court if the acts of the offending party are proven to be malicious.
If liability is established, the injured party shall also be entitled to
reasonable attorney’s fees.

(B) In any civil action pursuant to this paragraph, once it has
been demonstrated by a preponderance of evidence that an activity
protected by this article was a contributing factor in the alleged
reprisal, retaliation, threat, coercion, or other similar improper act
against a former, current, or prospective employee of the
Legislature, the burden of proof shall be on the offending party to
demonstrate by clear and convincing evidence that the alleged
action would have occurred for legitimate and independent reasons
even if the employee had not engaged in a protected disclosure or
refused an illegal order.

(2) A fine not to exceed ten thousand dollars ($10,000).

(3) Imprisonment in a county jail for a period not to exceed one
year.

(d) This section does not prevent a Member or employee of
either house of the Legislature from taking, directing others to
take, recommending, or approving any personnel action or from
taking or failing to take a personnel action with respect to any
employee of either house of the Legislature or applicant for
employment with either house of the Legislature if the Member
or employee reasonably believes any action or inaction is justified
on the basis of evidence separate and apart from the fact that the
person has made a protected disclosure or refused an illegal order.

(e) This article does not diminish the rights, privileges, or
remedies of any employee under any other federal or state law,
nor does it authorize an individual to disclose information
otherwise prohibited by or under law.
9149.54. (a) The Fair Political Practices Commission shall administer this article. For purposes of this article, the commission does not have any enforcement power.

(b) The commission shall establish the means for the submission of allegations of improper governmental activity to the commission by transmission via mail or other carrier to a specified mailing address and by electronic submission through an Internet Web site portal. The commission may request that a person submitting an allegation voluntarily provide his or her name and contact information and the names and contact information for any persons who could substantiate the claim. However, the commission shall not require a person submitting an allegation to provide his or her name or contact information, and shall clearly state on its Internet Web site that this information is not required in order to submit an allegation.

(c) Upon receipt of an allegation pursuant to subdivision (b), the commission may investigate the matter. The identity of the person submitting the allegation that initiated the investigation, or of any person providing information in confidence to further an investigation, shall not be disclosed without the express permission of that person, except that the commission may make the disclosure to a law enforcement agency that is conducting a criminal investigation pursuant to subdivision (d) or (e).

(d) As an alternative to conducting its own investigation, if the commission determines that there is reasonable cause to believe that a Member or employee of either house of the Legislature may have engaged in an improper governmental activity, the commission may refer the allegation to the Senate Committee on Rules or the Assembly Committee on Rules to conduct an investigation of the allegation. If the commission refers an allegation to the Senate Committee on Rules or the Assembly Committee on Rules, that committee shall investigate the allegation and report the results of the investigation to the commission within 60 days of the referral and monthly thereafter until final action has been taken. In addition, whenever the commission determines that there is reasonable cause to believe that a Member or employee of either house of the Legislature may have engaged in an improper governmental activity, the commission may refer the allegation to the Attorney General or the appropriate district attorney.
(e) If, after investigating an allegation, the commission finds that a Member or employee of either house of the Legislature may have engaged or participated in an improper governmental activity, the commission shall prepare an investigative report and send a copy of that report to the Senate Committee on Rules or the Assembly Committee on Rules and the office of the Member or employee who is the subject of the allegation. The investigative report may include the commission’s recommended actions to prevent the continuation or recurrence of the activity. The commission may, as it deems appropriate, also send a copy of the investigative report to the Attorney General, the appropriate district attorney, the policy committees of the Senate and Assembly having jurisdiction over the subject involved, or to any other entity. The commission may provide to the Senate Committee on Rules or the Assembly Committee on Rules any evidence gathered during the investigation that, in the judgment of the commission, is necessary to support any of the recommendations. Within 60 days of receiving the commission’s investigative report, the Senate Committee on Rules or the Assembly Committee on Rules, as applicable, shall report to the commission any actions that it has taken or that it intends to take to implement the recommendations. The committee shall file subsequent reports on a monthly basis until final action has been taken.

(f) The commission may request the assistance of any Member or employee of either house of the Legislature, or the Senate Committee on Rules or the Assembly Committee on Rules, in evaluating an allegation or conducting any investigation of an improper governmental activity as authorized by this article. In response to a request for assistance from the commission, the Member or employee, or the Senate Committee on Rules or the Assembly Committee on Rules, as applicable, shall provide the assistance, including providing access to documents or other information in a timely manner. No information obtained from the commission by a Member or employee, or the Senate Committee on Rules or the Assembly Committee on Rules, as a result of the commission’s request for assistance, or any information obtained thereafter as a result of further investigation, shall be divulged or made known to any person without the prior approval of the commission.
(g) The commission shall keep confidential every investigation, including all investigative files and work product, except that the commission, whenever it determines that it is necessary to serve the interests of the state, may issue a public report of an investigation that has substantiated an improper governmental activity, keeping confidential the identity of the employee or employees involved. In addition, the commission may release any findings or evidence supporting any findings resulting from an investigation conducted pursuant to this article whenever the commission determines it is necessary to serve the interests of the state.

SEC. 3. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.
ASSEMBLY BILL

No. 2452

Introduced by Assembly Member Ammiano

February 24, 2012

An act to add Section 84615 to the Government Code, relating to the Political Reform Act of 1974.

LEGISLATIVE COUNSEL’S DIGEST

AB 2452, as introduced, Ammiano. Political Reform Act of 1974: online disclosure.

The Political Reform Act of 1974 requires specified candidates, committees, slate mailer organizations, and lobbyists, lobbying firms, and lobbyist employers to file campaign statements and reports online or electronically with the Secretary of State, as specified. The act requires certain of these entities to also file campaign statements and reports with local filing offices, as specified.

This bill would authorize a local government agency to require an elected officer, candidate, committee, or other person required to file specified statements, reports, or other documents to file those statements, reports, or other documents online or electronically with a local filing officer. The bill would prescribe criteria that must be satisfied by a local government agency that requires online or electronic filing of statements, reports, or other documents, as specified, including, among others, that the system be available free of charge to filers and to the public for viewing filings, and that the system include a procedure for filers to comply with the requirement that they sign statements and reports under penalty of perjury.

The Political Reform Act of 1974, an initiative measure, provides that the Legislature may amend the act to further the act’s purposes
upon a ⅔ vote of each house and compliance with specified procedural requirements.

This bill would declare that it furthers the purposes of the act.
