Statement of Organization
Recipient Committee

When to File
File this form within 10 days of receiving $1,000 in contributions. Include a $50 payment made payable to the Secretary of State. Thereafter, the $50 fee is due annually no later than January 15. In addition to the $50 fee, a penalty of $150 may be assessed if payment is late.

For early submissions, mark the “not yet qualified” box. The $50 fee is requested at this time but is not legally required until the group qualifies as a committee.

The committee’s FPPC ID number will be posted at www.sos.ca.gov. Read instructions carefully as a Form 410 will be rejected if all applicable sections are not completed. All committees must now disclose the financial institution and bank account number used by the committee.

Where to File
All Committees: Original Secretary of State Political Reform Division 1500 11th Street, Rm 495 Sacramento, CA 95814

County & City Committees: Also file a copy with local filing officer who will receive the original campaign statements

Amendments
When information contained in the committee’s Statement of Organization changes, file an amendment within 10 days of the change with the Secretary of State and local filing officer (if applicable). During the period 16 days before an election, file an amendment within 24 hours as described below.

24-Hour Reporting
In addition to the 10 day rule to file an original Form 410:

- A recipient committee that qualifies during the 16 days prior to an election in which it must file pre-election statements must file a Form 410 within 24 hours of qualification with the filing officer who will receive the committee’s original disclosure statements.
- A recipient committee that qualifies during the 90 days prior to an election in which the committee makes independent expenditures of $1,000 or more to support or oppose a candidate in that election must file the Form 410 within 24 hours of qualification with the filing officer who will receive the committee’s original disclosure statements and with the filing officer(s) for the candidate(s) supported or opposed by the independent expenditure.
- If, during the 16 days prior to an election when a committee is required to file pre-election statements, a change occurs in the name of the committee, the treasurer or other principal officers, or the controlling candidate, an amendment must be filed with the filing officer receiving the committee’s original campaign statements within 24 hours of the change.

These filings must be made by fax, guaranteed overnight delivery, personal delivery or online (if online filing is available.)

Who Files: Recipient Committees
Persons (including an officeholder or candidate), organizations, groups, or other entities that raise contributions from others totaling $1,000 or more in a calendar year to spend on California elections qualify as a recipient committee. They must register with the Secretary of State and report all receipts and expenditures. “Contributions” include monetary payments, loans and non-monetary goods and services received or made for a political purpose.

Existing nonprofit organizations, federal and out-of-state PACs, and other multipurpose organizations that receive contributions from others and make occasional expenditures in California elections must also register as a recipient committee with the Secretary of State. They must report the amount of their expenditures on California candidates or ballot measures and disclose the sources of those funds. (FPPC Reg. 18215.)

Candidates: The personal funds of a candidate or officeholder used to seek or hold elective office are contributions and count toward qualifying as a recipient committee. However, personal funds used to pay a candidate filing fee or a fee for the statement of qualifications to appear in the ballot pamphlet do not count toward the $1,000 threshold.

This form was prepared by the Fair Political Practices Commission (FPPC). For detailed information on campaign reporting requirements and the Information Practices Act of 1977, see the FPPC Campaign Disclosure Manual.

Primarily Formed Committees

- The name must include the economic or other special interests of its major donors of $50,000 or more, in descending order based on the amount contributed to the committee. The list of these economic or special interests may not be interspersed with constituencies such as “concerned citizens, or consumers.”
- The name of any state or local candidate that contributes $50,000 or more.
- Prior to the designation of the ballot measure number, a primarily formed ballot measure committee controlled by a state candidate must also state that it is a ballot measure committee (e.g., Senator Gomez’s Ballot Measure Committee).

Instructions for Statement of Organization

2. Treasurer and Other Principal Officers:
The committee may have only one treasurer and one assistant treasurer. A candidate may be his or her own treasurer or assistant treasurer. A committee may not accept a contribution or make an expenditure without a treasurer.

A committee that is not controlled by a candidate or officeholder must disclose the name, street address, and telephone number of the committee’s principal officer(s). The principal officer(s) of a committee are the individual(s) primarily responsible for approving the political activity of the committee, including authorizing the content of committee communications, authorizing the committee’s contributions and other expenditures, and determining the committee’s campaign strategy. If more than three individuals qualify as principal officers of the committee, identify no fewer than three. If no individual other than the treasurer qualifies as a principal officer, identify that individual as both the treasurer and the principal officer. An attachment may be necessary.

3. Verification:
The committee treasurer or assistant treasurer must sign the Form 410. Also, each controlling officeholder, candidate and state or local ballot measure proponent must sign the Form 410. If more than three control the committee, one of them may sign on behalf of all controlling individuals. If a candidate will serve as his or her own treasurer, he or she must sign as the candidate and again as the treasurer.

New Requirements

- List the name and address of the financial institution where the campaign bank account is located and the bank account number.
- If a committee has more than one bank account, only one account must be listed.
- If a campaign bank account is not open at the time of filing an initial Form 410, amend the Form 410 within 10 days of opening the bank account.

- State Ballot Measures: Qualification ID number
  Certain committees must list in Section 4, Primarily Formed Committee, the Attorney General’s Office assigned identification number to a proposed state ballot measure:
  - A committee submitting the title and summary;
  - A committee primarily formed for the measure; or
  - A committee that spends $100,000 or more on petition circulation for the measure.

4. Type of Committee:

- Controlled Committee
  A “controlled committee” is one which is controlled directly or indirectly by an officeholder, candidate, or state measure proponent, or which acts jointly with an officeholder, candidate, state measure proponent, or another controlled committee in connection with making expenditures.

  A committee is controlled if the officeholder, candidate, or proponent, his/her agent, or any other committee he/she controls, has a significant influence on the actions or decisions of the committee.

  “Proponents” of state measures are persons who request the Attorney General to prepare a title and summary of a state initiative, referendum, or measure.

- Candidate Election Committee: Identify the candidate’s name, office, election year and party, if applicable.

- Ballot Measure Committee Controlled by State Candidate: Identify each measure on which the committee has spent or anticipates spending $50,000 or more in the current two-year period, beginning with January 1 of an odd-numbered year. If the ballot designation has not been assigned, describe the purpose of the anticipated measure(s). Amend the Form 410 when a ballot designation is assigned. Provide this information in the primarily formed or general purpose section or on an attachment.

- Legal Defense Committee: On an attachment, describe the specific legal dispute or disputes for which the legal defense fund was established. The Form 410 must be amended within 10 days when legal disputes are either resolved or new disputes are initiated.

Primarily Formed Committee

A committee is “primarily formed” when it makes or initially plans to make more than 70% of its contributions and expenditures to support or oppose a specific candidate or measure, or a group of measures or specific local candidates all being voted upon in the same election on the same date. (FPPC Regulation 18247.5)

New committees: A new committee formed within six months of a statewide regular election or within 30 days of a state special election is presumed to be primarily formed if the committee makes at least $25,000 in independent expenditures to support or oppose a state candidate or measure. Monthly review is required for other new committees that spend at least $1,000 a month and were formed within six months of an election in connection with which the committee makes contributions or expenditures. Quarterly review at the end of March, June, September and December is required for other committees.

A committee controlled by a candidate for his or her own candidacy is not a primarily formed committee.

Recall Committees: A committee supporting or opposing a recall must list the committee measure’s title, and the officeholder’s name and office. A recall committee will mark whether it supports or opposes the officeholder.

Instructions for Statement of Organization

General Purpose Committee
A committee is a “general purpose committee” if its principal activity is supporting or opposing a variety of candidates or measures voted on in different elections. (FPPC Regulation 18.227.5)

- A state committee makes contributions or expenditures to support or oppose candidates or measures voted on in state elections, or in more than one county; it does not make over 70% of its contributions or expenditures in a single local jurisdiction. State contributions include contributions to other state general purpose committees. All political party committees (including county central committees) are state committees.

- A county committee makes more than 70% of its contributions or expenditures to support or oppose candidates or measures voted on in a single county, or in more than one jurisdiction within one county. This includes contributions to other general purpose committees in the same county.

- A city committee makes more than 70% of its contributions or expenditures to support or oppose candidates or measures voted on in a single city, or in one consolidated city and county. This includes contributions to other city general purpose committees in the same city.

A city or county committee may make up to four contributions in a calendar year to candidates for elective state office whose districts are within the same jurisdiction and is not required to change status as a state committee.

A committee that has made contributions or expenditures of $5,000 or more during a quarter must review its activity at the end of March, June, September and December to determine if the committee is filing reports in the appropriate jurisdiction. During the first six months, a new committee must check its jurisdictional status each month the committee makes expenditures of $1,000 or more. If a change of filing locations occurs, reports must be filed in both the new and old jurisdiction through the calendar year.

After marking the appropriate state, county or city box, provide a brief description of the committee’s political activities such as whether it supports candidates or measures that share a common political affiliation.

Sponsored Committee
A “sponsored committee” is a general purpose or primarily formed committee, other than an officeholder or candidate controlled committee, that has one or more sponsors.

An organization, business, or other entity is a sponsor if one or more of the following apply:

- The committee receives 80% or more of its contributions from the entity or organization or its members, officers, employees, or shareholders.
- The entity or organization collects contributions for the committee by use of payroll deductions or dues from its members, officers or employees.
- The entity or organization, alone or in combination with other entities or organizations, provides all or nearly all of the administrative services for the committee.
- The entity or organization, alone or in combination with other entities or organizations, sets the policies for contribution solicitations or payment of expenditures from committee funds.

See the instructions for Part 1 for a sponsored committee’s name requirements.

Small Contributor Committee
A “small contributor committee” is one that has been in existence for more than six months; receives contributions from 100 or more persons; makes contributions to five or more candidates; and has not received more than $200 from one person in a calendar year.

5. Termination Requirements
Recipient committees may only terminate when:

- They have ceased to receive contributions and make expenditures; and
- They do not anticipate receiving contributions, repayments of outstanding loans made to others, or any other receipts in the future, and they do not anticipate making expenditures in the future; and
- They have eliminated or have no intention or ability to discharge all their debts, loans received, and other obligations; and
- They have no funds; and
- They have filed all required campaign statements disclosing all reportable transactions, including disposition of funds.

State Candidates: There are mandatory termination deadlines applicable to your committees.
