Attached for your approval are several campaign forms. The changes address legislative and proposed regulatory campaign disclosure measures. An Interested Persons meeting was held on November 13, 2012, and many comments have been incorporated.

Instruction page changes to the Form 501 (Candidate Intention Form) and Form 470 (Campaign Statement-Short Form) incorporate information relative to the electronic filing programs for local agencies (AB 2452) and the exemption from reporting for most individuals that seek a political party central committee office (AB 2191).

Instruction pages were also re-written to incorporate information from the Commission sponsored bill, AB 481, relative to extending the campaign disclosure 24 hr reporting period from 16 days to 90 days for both state and local elections. The changes will result in only one form for reporting contributions (Form 497) and one form for reporting independent expenditures (Form 496). Currently there are separate forms for state and local elections. In addition, a proposed regulatory change also will require the cumulative amount of independent expenditures made in connection with a measure or candidate to be reported in the description field of the Form 496. This addition will save considerable amount of time for persons that follow the amount of independent expenditures made in an election.

Significant changes were made to the Form 410 (Statement of Organization). First, the form instructions note that a $50 annual fee is now required (SB 1001). The form was also revised to address provisions in AB 481 that require all committees to list information on the campaign bank account. As this memo is being prepared, a form field was also changed so that the jurisdiction of a committee is clearly identified. The instructions also include a proposed regulatory change to require more information from committees active in circulating state ballot measure initiatives.
A new form (Form 462) is proposed to address provisions in AB 481 that require a principal officer of a committee to verify that the independent expenditures made by the committee are—in fact—not coordinated with the relevant candidate or measure and that the committee is reporting all contributions and reimbursements. The verification statement was originally proposed in AB 481 to be part of the current forms. However, the cost estimate to include the information in Secretary of State’s Cal Access system was prohibitive. Therefore, a new form was created and will be filed with the FPPC. My staff and the FPPC IT staff are working together to ensure that the filings will provide voters the information quickly and easily accessible while also providing campaign committees a format that is simple and easy to comply with the new law. I expect with the upcoming local elections and state special elections, independent expenditure reporting will occur in early 2013.

The following forms are attached:

Form 501 - Candidate Statement of Intention
Form 410 - Statement of Organization
Form 496 - Independent Expenditure Report
Form 497 - Contribution Report
Form 470 - Officeholder/Candidate Short Form
Form 462 - Verification of Independent Expenditures

I ask for your approval.

Amendments
When information contained in the committee’s Statement of Organization changes, file an amendment within 10 days of the change with the Secretary of State and local filing officer (if applicable). During the period 16 days before an election, file an amendment within 24 hours as described below.

24-Hour Reporting
In addition to the 10 day rule to file an original Form 410:

- A recipient committee that qualifies during the 16 days prior to an election in which it must file pre-election statements must file a Form 410 within 24 hours of qualification with the filing officer who will receive the committee’s original disclosure statements.

- A recipient committee that qualifies during the 90 days prior to an election in which the committee makes independent expenditures of $1,000 or more to support or oppose a candidate in that election must file the Form 410 within 24 hours of qualification with the filing officer who will receive the committee’s original disclosure statements and with the filing officer(s) for the candidate(s) supported or opposed by the independent expenditure.

- If, during the 16 days prior to an election when a committee is required to file pre-election statements, a change occurs in the name of the committee, the treasurer or other principal officers, or the controlling candidate, an amendment must be filed with the filing officer receiving the committee’s original campaign statements within 24 hours of the change.

These filings must be made by fax, guaranteed overnight delivery, personal delivery or online (if online filing is available.)

Who Files: Recipient Committees
Persons (including an officeholder or candidate), organizations, groups, or other entities that raise contributions from others totaling $1,000 or more in a calendar year to spend on California elections qualify as a recipient committee. They must register with the Secretary of State and report all receipts and expenditures. “Contributions” include monetary payments, loans and non-monetary goods and services received or made for a political purpose.

Existing nonprofit organizations, federal and out-of-state PACs, and other multipurpose organizations that receive contributions from others and make occasional expenditures in California elections must also register as a recipient committee with the Secretary of State. They must report the amount of their expenditures on California candidates or ballot measures and disclose the sources of those funds. (FPPC Reg. 18215.)

Candidates: The personal funds of a candidate or officeholder used to seek or hold elective office are contributions and count toward qualifying as a recipient committee. However, personal funds used to pay a candidate filing fee or a fee for the statement of qualifications to appear in the ballot pamphlet do not count toward the $1,000 threshold.

Instructions for
Statement of Organization

Statement Type:
Initial
The “date qualified” as a committee is the date that the committee received contributions totaling $1,000 or more during a calendar year.

Amendment
If any of the information reported on an initial statement of organization changes:
• Mark the amendment box;
• Include the committee’s ID number and name;
• Provide the changed information; and
• Complete the verification.

Candidates:
Under certain circumstances, a candidate for local office may amend the Form 410 to indicate that he or she is seeking another term of the same office (re-election). A candidate for state office must open a separate committee for each term of office and may not amend the Form 410 to redesignate an election committee.

Termination
List the committee’s identification number and indicate the date of termination.

1. Committee Information:
Provide the full name of the committee. A committee may use only one name.
The committee’s street address must be reported. A post office box is not acceptable. The committee’s mailing address must also be reported if it is different from the committee’s street address. A post office box is acceptable for the mailing address. A committee’s “domicile” is its address as listed on the Form 410. Los Angeles is the county of domicile for committees located outside California.

Identify the jurisdiction where the committee is active. For example a city committee lists the name of the city.

Committee Name Requirements
The following committee name rules apply to the Form 410, the committee’s campaign statements and to any other references to the committee required by law. See the instructions for Part 4 for committee definitions.

Candidate Controlled Committees (including ballot measure committees):
Any committee that is controlled by a state or local candidate or officeholder must include the last name of the candidate in the name of the committee. In addition, the following rules also apply:
• An election committee controlled by one or more state or local candidates must also include the office the candidate(s) is seeking and the year of the election (e.g., Friends of Smith for Assembly 20XX, Jones for Council 20XX).
• An officeholder committee set up by a state officeholder must also include the office held, the year the officeholder was elected to the current term of office, and the words “Officeholder Account,” as part of the committee name (e.g., Anderson Assembly 20XX Officeholder Account).
• A legal defense fund set up by a state or local candidate or officeholder must also include the words “Legal Defense Fund” as part of the committee name (e.g., Senator Smith Legal Defense Fund).
• A ballot measure committee controlled by one or more state candidates must also state that it is a ballot measure committee (e.g., Senator Lee’s Ballot Measure Committee). See additional requirements for primarily formed committees.

Sponsored Committees: A sponsored committee (including most political action committees) must include the full name of its sponsor in the name of the committee. If the committee has more than one sponsor and the sponsors are members of an industry or other identifiable group, include a term identifying that industry or group.

Primarily Formed Committees
Ballot Measures: The name of each committee primarily formed to support or oppose a ballot measure must include:
• A statement identifying the ballot measure(s) number or letter and whether it supports or opposes the measure(s) (e.g., Committee For Proposition/Measure __ or Committee Against Proposition/Measure __).
• The name must include the economic or other special interests of its major donors of $50,000 or more, in descending order based on the amount contributed to the committee. The list of these economic or special interests may not be interspersed with constituencies such as “concerned citizens, or consumers.”
• The name of any state or local candidate that contributes $50,000 or more.
• Prior to the designation of the ballot measure number, a primarily formed ballot measure committee controlled by a state candidate must also state that it is a ballot measure committee (e.g., Senator Gomez’s Ballot Measure Committee).

Recalls: Each committee established for a recall election must include the name of the officeholder subject to the recall. If the committee is not controlled by the officeholder, the committee must state its support or opposition (e.g., Committee Opposing the Recall of Council Member Doe).

Supporting or Opposing a Candidate: The name of each committee primarily formed to support or oppose a state or local candidate(s) being voted on in a single election, other than a recall election, must include the name of each candidate, the office sought, the year of the election and must state whether the committee supports or opposes the candidate(s) (e.g., Committee to Support Doe for Senate 20XX).

- List the political party with which each officeholder or candidate is affiliated or check “nonpartisan.”

- If this committee acts jointly with another controlled committee, list the name and identification number of the other controlled committee.

2. Treasurer and Other Principal Officers:
The committee may have only one treasurer and one assistant treasurer. A candidate may be his or her own treasurer or assistant treasurer. If a committee does not accept a contribution or make an expenditure without a treasurer, it may not accept a contribution or make an expenditure without a treasurer.

A committee that is not controlled by a candidate or officeholder must disclose the name, street address, and telephone number of the committee’s principal officer(s). The principal officer(s) of a committee are the individual(s) primarily responsible for approving the political activity of the committee, including authorizing the content of committee communications, authorizing the committee’s contributions and other expenditures, and determining the committee’s campaign strategy. If more than three individuals qualify as principal officers of the committee, identify no fewer than three. If no individual other than the treasurer qualifies as a principal officer, identify that individual as both the treasurer and the principal officer. An attachment may be necessary.

3. Verification:
The committee treasurer or assistant treasurer must sign the Form 410. Also, each controlling officeholder, candidate or state ballot measure proponent must sign the Form 410. If more than three control the committee, one of them may sign on behalf of all controlling individuals. If a candidate will serve as his or her own treasurer, he or she must sign as the candidate and again as the treasurer.

New Requirements
- List the name and address of the financial institution where the campaign bank account is located and the bank account number.
  - If a committee has more than one bank account, only one account must be listed.
  - If a campaign bank account is not open at the time of filing an initial Form 410, amend the Form 410 within 10 days of opening the bank account.

- **State Ballot Measures: Qualification ID number**
  Certain committees must list in Section 4, Primarily Formed Committee, the Attorney General’s Office assigned identification number to a proposed state ballot measure:
  - A committee submitting the title and summary;
  - A committee primarily formed for the measure; or
  - A committee that spends $100,000 or more on petition circulation for the measure.

4. Type of Committee:
Controlled Committee
A “controlled committee” is one which is controlled directly or indirectly by an officeholder, candidate, or state measure proponent, or which acts jointly with an officeholder, candidate, state measure proponent, or another controlled committee in connection with making expenditures.

A committee is controlled if the officeholder, candidate, or proponent, his/her agent, or any other committee he/she controls, has a significant influence on the actions or decisions of the committee.

“Proponents” of state measures are persons who request the Attorney General to prepare a title and summary of a initiative, referendum, or measure.

- **Proprietor Election Committee:** Identify the candidate’s name, office, election year and party, if applicable.
- **Ballot Measure Committee Controlled by State Candidate:** Identify each measure on which the committee has spent or anticipates spending $50,000 or more in the current two-year period, beginning with January 1 of an odd-numbered year. If the ballot designation has not been assigned, describe the purpose of the anticipated measure(s). Amend the Form 410 when a ballot designation is assigned. Provide this information in the primarily formed or general purpose section or on an attachment.

- **Legal Defense Committee:** On an attachment, describe the specific legal dispute or disputes for which the legal defense fund was established. The Form 410 must be amended within 10 days when legal disputes are either resolved or new disputes are initiated.

- **Primarily Formed Committee**
  A committee is “primarily formed” when it makes or initially plans to make more than 70% of its contributions and expenditures to support or oppose a specific candidate or measure, or a group of measures or specific local candidates all being voted upon in the same election on the same date. (FPPC Regulation 18247.5)

New committees: A new committee formed within six months of a statewide regular election or within 30 days of a state special election is presumed to be primarily formed if the committee makes at least $25,000 in independent expenditures to support or oppose a state candidate or measure. Monthly review is required for other new committees that spend at least $1,000 a month and were formed within six months of an election in connection with which the committee makes contributions or expenditures. Quarterly review at the end of March, June, September and December is required for other committees.

A committee controlled by a candidate for his or her own candidacy is not a primarily formed committee.

Recall Committees: A committee supporting or opposing a recall must list the committee measure’s title, and the officeholder’s name and office. A recall committee will mark whether it supports or opposes the officeholder.
4. Type of Committee (Continued)

**General Purpose Committee**
Not formed to support or oppose specific candidates or measures in a single election. Check only one box:

- CITY Committee
- COUNTY Committee
- STATE Committee

**Sponsored Committee**
List additional sponsors on an attachment.

**Small Contributor Committee**

5. Termination Requirements
By signing the verification, the treasurer, assistant treasurer and/or candidate, officeholder, or proponent certify that all of the following conditions have been met:

- This committee has ceased to receive contributions and make expenditures;
- This committee does not anticipate receiving contributions or making expenditures in the future;
- This committee has eliminated or has no intention or ability to discharge all debts, loans received, and other obligations;
- This committee has no surplus funds; and
- This committee has filed all campaign statements required by the Political Reform Act disclosing all reportable transactions.

-- There are restrictions on the disposition of surplus campaign funds held by elected officers who are leaving office and by defeated candidates. Refer to Government Code Section 89519.

-- Leftover funds of ballot measure committees may be used for political, legislative or governmental purposes under Government Code Sections 89511 - 89518, and are subject to Elections Code Section 18680 and FPPC Regulation 18521.5.
Instructions for Statement of Organization

General Purpose Committee
A committee is a “general purpose committee” if its principal activity is supporting or opposing a variety of candidates or measures voted on in different elections. (FPPC Regulation 18227.5)

- A state committee makes contributions or expenditures to support or oppose candidates or measures voted on in state elections, or in more than one county; it does not make over 70% of its contributions or expenditures in a single local jurisdiction. State contributions include contributions to other state general purpose committees. All political party committees (including county central committees) are state committees.
- A county committee makes more than 70% of its contributions or expenditures to support or oppose candidates or measures voted on in a single county, or in more than one jurisdiction within one county. This includes contributions to other general purpose committees in the same county.
- A city committee makes more than 70% of its contributions or expenditures to support or oppose candidates or measures voted on in a single city, or in one consolidated city and county. This includes contributions to other city general purpose committees in the same city.

A city or county committee may make up to four contributions in a calendar year to candidates for elective state office whose districts are within the same jurisdiction and is not required to change status as a state committee.

A committee that has made contributions or expenditures of $5,000 or more during a quarter must review its activity at the end of March, June, September and December to determine if the committee is filing reports in the appropriate jurisdiction. During the first six months, a new committee must check its jurisdictional status each month the committee makes expenditures of $1,000 or more. If a change of filing locations occurs, reports must be filed in both the new and old jurisdiction through the calendar year.

After marking the appropriate state, county or city box, provide a brief description of the committee’s political activities such as whether it supports candidates or measures that share a common political affiliation.

Sponsored Committee
A “sponsored committee” is a general purpose or primarily formed committee, other than an officeholder or candidate controlled committee, that has one or more sponsors.

An organization, business, or other entity is a sponsor if one or more of the following apply:
- The committee receives 80% or more of its contributions from the entity or organization or its members, officers, employees, or shareholders.
- The entity or organization collects contributions for the committee by use of payroll deductions or dues from its members, officers or employees.
- The entity or organization, alone or in combination with other entities or organizations, provides all or nearly all of the administrative services for the committee.
- The entity or organization, alone or in combination with other entities or organizations, sets the policies for contribution solicitations or payment of expenditures from committee funds.

See the instructions for Part 1 for a sponsored committee’s name requirements.

Small Contributor Committee
A “small contributor committee” is one that has been in existence for more than six months; receives contributions from 100 or more persons; makes contributions to five or more candidates; and has not received more than $200 from one person in a calendar year.

5. Termination Requirements
Recipient committees may only terminate when:
- They have ceased to receive contributions and make expenditures; and
- They do not anticipate receiving contributions, repayments of outstanding loans made to others, or any other receipts in the future, and they do not anticipate making expenditures in the future; and
- They have eliminated or have no intention or ability to discharge all their debts, loans received, and other obligations; and
- They have no funds; and
- They have filed all required campaign statements disclosing all reportable transactions, including disposition of funds.

State Candidates: There are mandatory termination deadlines applicable to your committees.

How to Terminate
State Committees: Complete page one of the Form 410 and mark the termination box. Send the Form and last Form 450 or 460 (mark the termination box) to the Secretary of State.

Local Committees: Complete page one of the Form 410, mark the termination box and send the Form to the Secretary of State. Send a copy of the Form 410 and last Form 450 or 460 (mark the termination box) to your city or county filing officer.
# 496 24-hour Independent Expenditure Report Instructions

Use this form for:

- State Elections
- Local Elections

**State Elections**

- Independent expenditures of **$1,000 or more** to support or oppose a **single candidate for elective state office or a single state ballot measure** must be reported during the 90-day election cycle.

  “Election cycle” means the period of time beginning 90 days prior to the candidate’s or measure’s election and ending on the date of the election.

- File Form 496 electronically with the Secretary of State within 24 hours of making the independent expenditure(s). No paper copies are required and no copies are required to be filed with other filing officers.

- A committee that makes independent expenditures in connection with a CalPERS or CalSTRS election must also file a copy with the relevant board office.

- Ballot measure reports: At all times other than the 90-day election cycle, independent expenditures that total in the aggregate **$5,000 or more** to support or oppose a **single state ballot measure** must be reported within 10 business days of making the independent expenditure. File Form 496 electronically with the Secretary of State.

**Local Elections**

- Independent expenditures that total in the aggregate **$1,000 or more** to support or oppose a **single candidate for elective local office or a single local ballot measure** must be reported during the 90 days immediately preceding the election in which the candidate or measure will be voted on.

- File Form 496 within 24 hours of making the independent expenditure(s) with the filing officer(s) who would receive your campaign statements if you were a committee primarily formed to support or oppose the candidate or ballot measure.

- File Form 496 by fax, guaranteed overnight delivery, or personal delivery. **Regular mail may not be used.** A local ordinance also may require this form to be filed electronically.

**Additional Requirements**

**Form 462: New Verification Requirements**

The principal officer, or in the case of a controlled committee, the candidate or state measure proponent who controls the committee, must verify that he/she has not received any unreported money or reimbursement to make the independent expenditures and has not coordinated with the candidate or the opponent of the candidate or the proponent or the opponent of the state measure that is the subject of the expenditure. Form 462 must be filed with the Fair Political Practices Commission.

**Form 465 (Supplemental Independent Expenditure Report)**

A Supplemental Independent Expenditure Report (Form 465) must be filed for each candidate or ballot measure identified in a communication, if $1,000 or more was spent to support or oppose that particular candidate or measure. Such expenditures must also be reported on the next regular campaign statement (e.g., Form 460 or Form 461).
**Fast Facts:**

**What is an “independent expenditure”?**

An “independent expenditure” is an expenditure made in connection with a communication (e.g., a billboard, advertisement, mailing) that expressly advocates the nomination, election, or defeat of a clearly identified candidate or the qualification, passage, or defeat of a clearly identified measure. An independent expenditure is a payment that is not made to—or at the behest of—the affected candidate or committee.

Candidates: This form is not required for expenditures supporting your election that are made from your committee, including expenditures opposing an opponent. In addition, campaign funds of a candidate or officeholder may not be used to make independent expenditures to support or oppose candidates in other elections.

Reporting examples: A committee makes an independent expenditure by paying for an advertisement opposing two candidates. The ad costs $4,000 and features the candidates equally. The committee must file a separate Form 496 for each candidate and disclose $2,000 for each candidate.

A committee makes a $500 independent expenditure 60 days before the election and a second independent expenditure of $600, 20 days before the election. A Form 496 is required 24 hours after the second payment.

A candidate controlled committee for elective office and a primarily formed ballot measure committee do not file this form for expenditures made in support of their campaign.

**How to Complete Form 496**

**Report Number.** Assign a unique identifying number to each Form 496.

**Part 1. Candidate or Measure.** Identify the candidate or ballot measure supported or opposed. Include the candidate’s district number (if any) or the letter or number of the ballot measure. Use a separate form for each candidate or measure.

**Part 2. Independent Expenditures.** Provide the date, and in the description field the type (e.g., radio advertisement, billboard, mailing) and the cumulative to date total for that candidate or measure. In the amount field, list the amount of the specific expenditure(s) disclosed in the description field.

**Part 3. Contributions Received.** Disclose contributions of $100 or more received since the closing date of your last campaign statement (Form 450 or 460) through the date of the independent expenditure. Start with January 1 if no statement has been filed.

Disclose the name and address of the contributor and, if the contributor is an individual, his or her occupation and the name of his or her employer. If the contributor is self-employed, disclose the name of the business. Also disclose the date and amount of the contribution, the contributor code, and type of contribution. Enter the interest rate if the contribution is a loan.

Once you have disclosed a contribution on this form (Form 496), it is not necessary to report that contribution on any additional Form 496 filings you make.

**Amendments.** Describe the amendment. If the cumulative to date total is accurate on the most recent Form 496 filed, the committee is not required to amend the cumulative to date total amount on previous reports.

This form was prepared by the Fair Political Practices Commission (FPPC). For detailed information on campaign reporting requirements and the Information Practices Act of 1977, see the FPPC Campaign Disclosure Manual.

Who Uses Form 470:

Form 470 is for use by officeholders and candidates who:

- do not have a controlled committee;
- do not receive contributions totaling $1,000 or more during the calendar year; and
- do not spend $1,000 or more during the calendar year.

Officeholders and candidates who have a controlled committee or who have raised or spent $1,000 file the Recipient Committee Statement – Form 460.

Exception:
The following individuals seeking or holding office are not required to file campaign disclosure statements (Form 470 or Form 460):

- candidates for county central committee offices that do not raise or spend $1,000 or more in a calendar year.
- officeholders whose salaries are less than $200 per month and judicial candidates who have not made or received contributions or made expenditures during non-election years; and
- judges who do not receive contributions and who make personal expenditures of less than $1,000 or more in non-election years.

Period Covered:
The period covered is always the calendar year (January 1 through December 31).

$1,000 Threshold:

To determine if $1,000 has been raised or spent, or will be raised or spent, the candidate’s personal funds for the filing fee or statement of qualifications are excluded.

A campaign bank account must be established if the candidate receives contributions from other persons.

When to File:

Ensure campaign deadlines are met. Go to www.fppc.ca.gov for campaign disclosure filing schedules.

If the Form 470 is filed in connection with an election, on or before the filing deadline for the first campaign statement required for the calendar year, no additional campaign statements need be filed for that calendar year as long as total contributions received remain less than $1,000 and total expenditures made remain less than $1,000. In most cases, July 31 is the filing deadline for the first campaign statement required to be filed by officeholders and candidates not being voted upon.

The Form 470 is filed in connection with an election if it is filed with the declaration of candidacy, or as a first precampaign statement in connection with an election, covering the year of the election. If, after filing Form 470, receipts or expenditures reach $1,000 or more, see the attached Form 470 Supplement for important reporting requirements.

State officeholders, state candidates, candidates and members of CalPERS and CalSTRS, judges and judicial candidates must file the original and one copy with:

Secretary of State
Political Reform Division
1500 11th Street, Room 495
Sacramento, CA 95814
Phone (916) 653-6224

- Elected county officeholders and candidates for county offices file an original and one copy with the election official for that county.
- Elected city officeholders and candidates for city offices file an original and one copy with the city clerk.

Note: A local agency may impose additional requirements including electronic filing.

Form 462
Verification of Independent Expenditures

Who Files
A committee’s principal officer or in the case of controlled committees, the candidate, officeholder or state ballot measure proponent, must sign an independent expenditure verification, under penalty of perjury. The verification states that the independent expenditure(s) was not coordinated with the affected candidate or measure committee or their opponent and the committee reported all contributions and reimbursements. (Section 84213, effective January 1, 2013).

Where to File
This form must be filed with the Fair Political Practices Commission (“FPPC”) by email. The originally signed form must be maintained with the committee’s campaign records.

When to File
The form is required within 10 days from the date of an independent expenditure that totals, in the aggregate, $1,000 or more to support or oppose a candidate or measure in a calendar year. A candidate or measure is listed only once for each election.

If a change must be made to a previously filed form (e.g. addition of ballot measure number) the amendment must be filed within 10 days.

File: www.fppc.ca.gov
Deadline: 10 days from the date of the committee’s first independent expenditure

The FPPC will provide a public portal on its website for committees to file and for the public to view reports.

How to Complete

Part 1: Identify the name and street address of the committee that is making the independent expenditure(s). Provide, if applicable, the committee’s assigned FPPC ID number.

The address should be the same as the address reported on a Statement of Organization (Form 410) or the Form 461 Major Donor/Independent Expenditure Report.

Part 2: List the name of the candidate or measure, mark support or oppose, list the office sought or held for a candidate, the candidate’s or measure’s jurisdiction (and district if applicable) and the date of the election.

Part 3: Check one of the boxes to identify whether the individual signing the statement is a principal officer, candidate or state ballot measure proponent. If a committee has more than one principal officer, only one individual must sign this form. A principal officer signing the statement for a recipient committee must be listed on the committee’s Statement of Organization (Form 410). In the case of a controlled committee, a candidate, officeholder or state ballot measure proponent must sign the form.

FAQs

Q: How frequently must the Form 462 be filed?
A: A form is required to identify the candidates/measures supported or opposed for each election. Once a candidate/measure is listed on Form 462 no further filings are required for that election.

Examples:
• A committee made independent expenditures to support a candidate in the 2014 primary election. A form is required for that election. An additional form is required if the committee later decides to make independent expenditures for the candidate in the 2014 general election.
• A committee filed a form listing a candidate. Several days later the committee made an independent expenditure in connection with a measure on the same ballot. The committee must file another Form 462.

Note: do not file this form each time an independent expenditure is made.

Q: May a treasurer sign this form?
A: A treasurer or assistant treasurer may sign only if the individual is also a principal officer responsible for approving the political activities of the committee. For example, an individual must be specifically listed as a principal officer on the Statement of Organization, Form 410.

Note: Campaign funds of a candidate or officeholder may not be used to make independent expenditures to support or oppose other candidates.

This form was prepared by the Fair Political Practices Commission (FPPC). For detailed information on campaign reporting requirements and the Information Practices Act of 1977, see the FPPC Campaign Disclosure Manual.
