Fr: The Budget & Personnel Committee
Date: February 6, 2019

The Budget and Personnel Committee met February 6 via conference call. During the public portion of the call the committee discussed the supplemental report the FPPC sent to the Legislative Analyst's office, in accord with that office's request made during last year's budget process. A copy of that report was available to the public during the call, and will be an agenda item on the February 21 hearing agenda.

The Committee also held a closed session to discuss preliminary contract and personnel matters.
