Open a Campaign Bank Account

All monetary contributions (including all personal and/or business funds you use for your campaign) must be deposited in the

campaign bank account before being spent. **Never** deposit campaign contributions in your personal account.

Committee Treasurer

Every committee must have a treasurer before the committee may accept contributions or make expenditures. If there is a new designated treasurer, file an amendment to the form 410 within 10 days.

File Campaign Statements and Reports on Time

A specific City of Sacramento webpage has been created so your filing schedule can be found at [here](#). You must file campaign statements (Form 460) disclosing all receipts and expenditures at least twice each year – and up to six times during an election year. These statements are required to be filed.

Annual Committee Fees

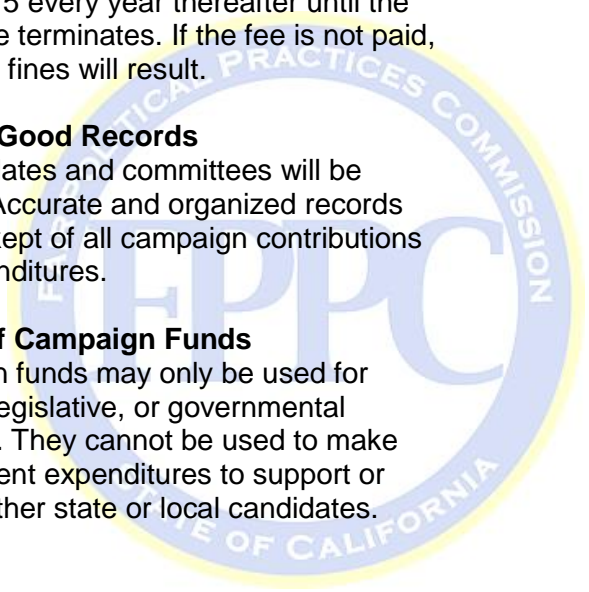

All committees that file a Form 410 must pay a \$50 fee to the Secretary of State no later than **15 days** after the Form 410 is filed. Committees must pay the fee annually by January 15 every year thereafter until the committee terminates. If the fee is not paid, additional fines will result.

Keep Good Records

All candidates and committees will be audited. Accurate and organized records must be kept of all campaign contributions and expenditures.

Use of Campaign Funds

Campaign funds may only be used for political, legislative, or governmental purposes. They cannot be used to make independent expenditures to support or oppose other state or local candidates.
