

TITLE 2. FAIR POLITICAL PRACTICES COMMISSION

NOTICE IS HEREBY GIVEN that the Fair Political Practices Commission (the “Commission”), under the authority vested in it under the Political Reform Act (the “Act”)¹ by Section 83112 of the Government Code, proposes to adopt, amend, or repeal regulations in Title 2, Division 6 of the California Code of Regulations. The Commission will consider the proposed regulations at a public hearing on or after **October 19, 2017**, at the offices of the Fair Political Practices Commission, 1102 Q Street, Suite 3000, Sacramento, California, commencing at approximately **10:00 a.m.** Written comments must be received at the Commission offices no later than **5:00 p.m.** on **October 17, 2017**.

BACKGROUND/OVERVIEW:

Section 85305 prohibits a candidate for elective state office or committee controlled by that candidate from making any contribution to any other candidate for elective state office in excess of the contributions limits set forth in subdivision (a) of Section 85301. Section 85315 allows an elected state officer to accept campaign contributions to oppose the qualification of a recall measure, and if qualification is successful, the recall election, without regard to the campaign contributions limits...” At its July 27, 2017 hearing, the Commission deliberated over issues raised with respect to the interplay between Sections 85305 and 85315, and whether the prohibition in Section 85305 applied to state candidates that are the subject of a recall. The Commission decided to issue an opinion clarifying its interpretation that Sections 85305 and 85315 require that there be no limit on contributions from state candidates to a recall committee controlled by another state candidate to oppose the recall of that state candidate. This was a reversal of the Commission’s previous longstanding interpretation of these provisions. The Commission adopted the new opinion at its August 17, 2017 hearing. The purpose of the proposed amendments to Regulation 18535 is to clarify and implement the Commission’s current interpretation on this topic.

REGULATORY ACTION:

Amend 2 Cal. Code Regs. Section 18535 - Restrictions on Contributions Between State Candidates. This regulation is being amended to codify the Commission’s current interpretation of Sections 85305 and 85315 with respect to recall elections to clarify that the restriction on contributions between state candidates contained in Section 85305 does not impose a limit on the amount a state candidate may contribute to a recall committee controlled by another state candidate to oppose his or her recall.
