---

Fair Political Practices Commission staff will hold an Interested Persons meeting on **November 12, at 2:00 p.m.** to solicit public input regarding the regulatory proposals listed below. The proposals are scheduled to be considered for adoption at the December 17, 2015 Commission meeting.

**Amend Regulation 18313.5. Online Posting**

Regulation 18313.5 requires the Commission to post on its website Commission opinions, staff advice letters, the Enforcement Division's warnings, advisory and closure letters, and public officials' behested payment reports. The posts can only be removed by the approval of the Commission. The proposed amendment permits staff to remove the posts after seven years without Commission action. The amendment also requires that statements of economic interests be posted as soon as possible and the other listed documents within 30 days of issuance or receipt.

**Amend Regulation 18944.1. Gifts: Agency Provided Tickets or Passes**

Regulation 18944.1 imposes reporting requirements on agencies when they provide tickets or passes to certain agency officials for entertainment, amusement or recreational events. The reports are currently submitted to the Commission by the agency and posted on the Commission's website. The proposed amendment would require the agency to post the reports on its website within 30 days of the distribution of the ticket or pass and the Commission's website would only provide a link to the agency's website.

**Amend Regulation 18996. Scope of Audits and Investigations**

The proposed amendments to Regulation 18996 would: (1) recodify the Commission's time limits on audits and investigations of campaign statements or reports previously contained in former Section 90002(c); (2) codify the Commission's authority to exclude from the selection of jurisdictions required by Regulation 18991(c) any jurisdiction that is subject to audit by a local agency or the Commission; and (3) strike the restatement of a provision of and cross references to former Section 90002(c).
