- **Forms 450/460:** All state committees, including e-filers, must file an original and one copy in paper format with the Secretary of State by personal delivery or first class mail.
- **Period Covered:** The period covered by any statement begins on the day after the closing date of the last statement filed, or January 1 if no previous statement has been filed.
- **Filing Deadlines:** Deadlines are extended when they fall on a Saturday, Sunday, or an official state holiday. A \$10 per day late fine may be assessed on both paper and electronic reports resulting in a \$20 per day fine.
- **Expenditures for Local Elections:** 24-hour independent expenditure or contribution reports (Forms 496 or 497) must be filed if independent expenditures or contributions totaling \$1,000 or more are made during the 90-day period prior to an election. Independent expenditures of \$1,000 or more also require the filing of Form 462 and Form 465. Additionally, supplemental pre-election campaign statements (Form 495) may be required if contributions totaling \$10,000 or more are made in connection with an election. Consult the filing schedule for the election.
- **Contribution Limits:** Contributions to state candidates and to committees that make contributions to state candidates are subject to contribution limits. Refer to the [contribution limits chart](#) on the FPPC website. Committees making “issue ads” featuring state candidates are also subject to contribution limits. Campaign finance ordinances for cities and counties are posted on the FPPC’s website on the [Local Campaign Ordinances](#) page. Contact local jurisdictions for information on local restrictions, if any.
- **Public Documents:** All statements are public documents. Campaign manuals and instructional materials are available at www.fppc.ca.gov, click on the [Campaign](#) link.
- **Multi-Purpose Organizations (including non-profits):** Effective July 1, 2014, multi-purpose organizations making political contributions or expenditures are subject to new campaign disclosure rules. In general, an organization that uses its general dues account to make contributions or expenditures may qualify as a major donor or independent expenditure committee and report payments on Campaign Form 461. Such organizations qualify as a recipient committee if expenditures exceed \$50,000 in a calendar year or \$100,000 in four years. Organizations qualifying as a recipient committee may need to file reports disclosing contributors. Some organizations will not need to file the year-end semi-annual report. See the [Campaign Reporting Rules for Multipurpose Organizations](#) fact sheet for complete instructions.
