- **Filing Deadlines:** Deadlines are extended when they fall on a Saturday, Sunday, or an official state holiday. This extension does not apply to 24-hour independent expenditure reports (Form 496) and the deadline for the Form 497 that is due the weekend before the election. Such reports must be filed within 24 hours regardless of the day of the week. Statements filed after the deadline are subject to a \$10 per day late fine.
- **Method of Delivery:** All paper filings are filed by personal delivery or first class mail unless otherwise noted. A paper copy of a report is not required if a local agency requires online filing pursuant to a local ordinance.

- **Committee Status:** A city committee may make contributions and independent expenditures in connection with other elections. Generally, a city committee is one that spends more than 70% of its funds in connection with elections in one city. See FPPC Regulation 18227.5 to determine whether your committee is a city, county or state committee.
- **Local Ordinance:** Always check on whether additional local rules apply.

- As of August 2014, legislation is pending that may change the filing schedule.
- **Multi-Purpose Organizations (including non-profits):** Effective July 1, 2014, multi-purpose organizations making political contributions or expenditures are subject to new campaign disclosure rules. In general, an organization that uses its general dues account to make contributions or expenditures may qualify as a major donor or independent expenditure committee and report payments on Campaign Form 461. Such organizations qualify as a recipient committee if expenditures exceed \$50,000 in a calendar year or \$100,000 in four years. Organizations qualifying as a recipient committee may need to file reports disclosing contributors. Some organizations will not need to file the year-end semi-annual report. See the [Campaign Reporting Rules for Multipurpose Organizations](#) fact sheet for complete instructions.
