## Additional Report:

Depending on committee activity, the following report may also be required:

- **Form [E-530](#):** File within 48 hours of making a payment, or a promise of a payment, of \$50,000 or more during the 45 days prior to an election for a communication that identifies a state candidate being voted on in the election but does not expressly advocate the election or defeat of the candidate. No paper copy is required.

## Additional Notes:

- **\* Period Covered:** The period covered by any statement begins on the day after the closing date of the last statement filed, or January 1 if no previous statement has been filed.
- **\*\*Deadlines:** Due to the date of the August 27 Special General Election, the first pre-election statement for the August 27 Special General Election and the semi-annual statement may be combined.
- **Deadline Extensions:** Deadlines are extended when they fall on a Saturday, Sunday, or an official state holiday. This extension does not apply to a 24-Hour/10-Day Contribution report (Form 497) that is due the weekend before the election, and this extension never applies to any 24-Hour/10-Day Independent Expenditure Report (Form 496). Such reports must be filed within 24 hours, regardless of the day of the week.
- **Where to File:** State committees file reports with the Secretary of State. Only candidate controlled committees that are not e-filers file paper copies with the elections official at the candidate's county of domicile.
- **E-File:** A state committee that has received contributions or made expenditures totaling \$25,000 or more.
- **Form 460:** All state committees, including e-filers, must file paper reports.
- **Paper Filings:** All paper filings may be filed by first class mail unless otherwise noted.
- **Form 497:** All reports filed online only.
- Committees making independent expenditures totaling \$1,000 or more to support or oppose other candidates also file:
  - **Form [462](#):** This verification form must be e-mailed to the FPPC within 10 days.
  - **Form [496](#):** This form is due within 24 hours if made in the 90-day, 24-hour reporting period of the candidate's election. Refer to the applicable filing schedule. Form 496 is filed with the filing officer in the jurisdiction of the affected candidate.
- **Multiple Committees:** All committees controlled by a state candidate listed on the March 26 and June 4 ballots must file statements on the pre-election filing deadlines, in addition to the committee formed for this election. For example, a candidate for Senate listed on the June 4, 2019 ballot who maintains an Assembly officeholder committee must file pre-election reports for both committees even if the Assembly committee has not received or made payments.
- **Contribution Limits:** Refer to the [contribution limits chart](#) on the FPPC website.
- **Penalties:** Late statements are subject to a fine of \$10 per day on both the paper and the e-filed version, i.e. \$20 per day for a late Form 460. Failure to file a statement could result in an enforcement penalty of \$5,000 per violation.
- **Public Documents:** All statements are public documents.
- **Resources:** Campaign manuals and other instructional materials are available at [www.fppc.ca.gov](http://www.fppc.ca.gov). Click on Learn and then Campaign Rules.
