**RE: Assembly Bill 902 (Levine) – Fair Political Practices Commission Regulations, as amended April 1, 2019 – SPONSOR**

Dear Assembly Member Levine,

On behalf of the Fair Political Practices Commission, we are pleased to sponsor Assembly Bill 902. AB 902 will codify several FPPC regulations that are long-standing, non-controversial, and essential to complying with the Political Reform Act.

The Political Reform Act authorizes the Commission to adopt, amend, or rescind regulations to carry out the purposes and provisions of the Act and to govern the procedures of the Commission. Long-standing and generally accepted regulations become essential to proper administration of the Political Reform Act. The provisions of AB 902 will go a long way to ensuring the proper understanding of the Act and improve compliance with the requirements of this important campaign finance, lobbying, and government ethics law.

Thank you for your leadership on this important issue and we look forward to working with you this legislative session.

For these reasons, the FPPC is proud to sponsor AB 902. If you have any questions, please contact Phillip Ung at (916) 322-7635 or [pung@fppc.ca.gov](mailto:pung@fppc.ca.gov).

Sincerely,

Loressa Hon  
Acting Executive Director
