                     ) and 11520)

I-CHINESE AMERICAN POLITICAL
ACTION COMMITTEE AND VICTOR GAU,

Respondents.

Complainant, the Enforcement Division of the Fair Political Practices Commission, hereby submits this Default Decision and Order for consideration by the Fair Political Practices Commission at its next regularly scheduled meeting.

Pursuant to the California Administrative Procedure Act,¹ I-Chinese American Political Action Committee (the “Committee”) and Victor Gau (“Gau”) have been served with all of the documents necessary to conduct an administrative hearing regarding the above-captioned matter, including the following:

1. An Order Finding Probable Cause;
2. An Accusation;
3. A Notice of Defense (Two Copies per Respondent);

¹ The California Administrative Procedure Act, which governs administrative adjudications, is contained in sections 11370 through 11529 of the Government Code.
4. A Statement to Respondent; and,

5. Copies of Sections 11506, 11507.5, 11507.6 and 11507.7 of the Government Code.

Government Code section 11506 provides that failure of a respondent to file a Notice of Defense within fifteen days after being served with an Accusation shall constitute a waiver of respondent’s right to a hearing on the merits of the Accusation. The Statement to Respondent, served on the Committee and Gau, explicitly stated that a Notice of Defense must be filed in order to request a hearing. The Committee and Gau failed to file a Notice of Defense within fifteen days of being served with an Accusation.

Government Code Section 11520 provides that, if the respondent fails to file a Notice of Defense, the Commission may take action, by way of a default, based upon the respondent’s express admissions or upon other evidence, and that affidavits may be used as evidence without any notice to the respondent.

The Committee and Gau violated the Political Reform Act as described in Exhibit 1, which is attached hereto and incorporated by reference as though fully set forth herein. Exhibit 1 is a true and accurate summary of the law and evidence in this matter. This Default Decision and Order is submitted to the Commission to obtain a final disposition of this matter.

IT IS SO ORDERED, effective upon execution below by the Chair of the Fair Political Practices Commission at Sacramento, California.

EXHIBIT 1

INTRODUCTION

Respondent I-Chinese American Political Action Committee (the “Committee”) is a state general purpose committee. The committee’s treasurer is respondent Victor Gau (“Gau”).

The Political Reform Act (the “Act”)\(^1\) requires an active committee to pay the Secretary of State (“SOS”) an annual fee of $50 by February 15, 2013, and then by January 15 each year thereafter until the termination of the committee. The Act also requires a committee to file campaign statements at specific times to disclose information regarding contributions received and expenditures made.

This matter arose out of a non-filer referral sent to the Fair Political Practices Commission’s (the “Commission”) Enforcement Division by SOS for the Committee’s and Gau’s failure to file a semi-annual campaign statement and non-payment of annual fees.

As a general purpose committee and its treasurer, the Committee and Gau had a duty to pay the annual fee each year. The Committee and Gau also had a duty to file semi-annual campaign statements. The Committee and Gau failed to pay annual fees for four years and failed to timely file three semi-annual campaign statements.

DEFAULT PROCEEDINGS UNDER
THE ADMINISTRATIVE PROCEDURE ACT

When the Commission determines that there is probable cause for believing that the Act has been violated, it may hold a hearing to determine if a violation has occurred.\(^2\) Notice of the hearing, and the hearing itself, must be conducted in accordance with the Administrative Procedure Act (the “APA”).\(^3\) A hearing to determine whether the Act has been violated is initiated by the filing of an accusation, which shall be a concise written statement of the charges, specifying the statutes and rules which the respondent is alleged to have violated.\(^4\)

Included among the rights afforded a respondent under the APA, is the right to file the Notice of Defense with the Commission within 15 days after service of the accusation, by which the respondent may (1) request a hearing; (2) object to the accusation on the ground it does not state acts or omissions upon which the agency may proceed; (3) object to the form of the accusation on the ground that it is so indefinite or certain that the respondent cannot identify the transaction

---
\(^1\) The Act is contained in Government Code Sections 81000 through 91014. All statutory references are to the Government Code, unless otherwise indicated. The regulations of the Fair Political Practices Commission (“Commission”) are contained in Sections 18110 through 18997 of Title 2 of the California Code of Regulations. All regulatory references are to Title 2, Division 6 of the California Code of Regulations, unless otherwise indicated.
\(^2\) Section 83116.
\(^3\) The California Administrative Procedure Act, which governs administrative adjudications, is contained in Sections 11370 through 11529 of the Government Code; Section 83116.
\(^4\) Section 11503.
or prepare a defense; (4) admit the accusation in whole or in part; (5) present new matter by way of a defense; or (6) object to the accusation on the ground that, under the circumstances, compliance with a Commission regulation would result in a material violation of another department’s regulation affecting substantive rights.5

The APA provides that a respondent’s failure to file a Notice of Defense within 15 days after service of an accusation constitutes a waiver of the respondent’s right to a hearing.6 Moreover, when a respondent fails to file a Notice of Defense, the Commission may take action based on the respondent’s express admissions or upon other evidence and affidavits may be used as evidence without any notice to the respondent.7

PROCEDURAL REQUIREMENTS AND HISTORY

A. Initiation of the Administrative Action

The service of the probable cause hearing notice, as required by Section 83115.5, upon the person alleged to have violated starts the administrative action.8

A finding of probable cause may not be made by the Commission unless the person alleged to have violated the Act is 1) notified of the violation by service of process or registered mail with return receipt requested; 2) provided with a summary of the evidence; and 3) informed of his or her right to be present in person and represented by counsel at any proceeding of the Commission held for the purpose of considering whether probable cause exists for believing the person violated the Act.9 Additionally, the required notice to the alleged violator shall be deemed made on the date of service, the date the registered mail receipt is signed, or if the registered mail receipt is not signed, the date returned by the post office.10

No administrative action pursuant to Chapter 3 of the Act alleging a violation of any of the provisions of Act may be commenced more than five years after the date on which the violation occurred.11

Documents supporting the procedural history are included in the attached Certification of Records ("Certification") filed herewith at Exhibit 1, A–1 through A–16, and incorporated herein by reference.

In accordance with Sections 83115.5 and 91000.5, the Enforcement Division initiated the administrative action against the Committee and Gau in this matter by serving them with a Report

in Support of a Finding of Probable Cause (the "Report") (Certification, Exhibit A–1) by certified mail, return receipt requested,\(^{12}\) on September 29, 2016. (Certification, Exhibit A–2.) The administrative action commenced on October 3, 2016, the date the certified mail receipt was signed (Certification, Exhibit A–2), and the five-year statute of limitations was effectively tolled on this date.

As required by Section 83115.5, the packet served on the Committee and Gau contained a cover letter and a memorandum describing probable cause proceedings, advising that the Committee and Gau had 21 days in which to request a probable cause conference and/or to file a written response to the Report. (Certification, Exhibit A–3.) Neither the Committee nor Gau requested a probable cause conference or submitted a written response to the Report.

B. **Ex Parte Request for a Finding of Probable Cause**

Because the Committee and Gau failed to request a probable cause conference or submit a written response to the Report by the statutory deadline, the Enforcement Division submitted an Ex Parte Request for a Finding of Probable Cause and an Order that an Accusation Be Prepared and Served to the Hearing Officer of the Commission on November 9, 2016. (Certification, Exhibit A–4.)

On November 17, 2016, Hearing Officer Jack Woodside, Senior Commission Counsel, Legal Division, issued a Finding of Probable Cause and an Order to Prepare and Serve an Accusation on the Committee and Gau. (Certification, Exhibit A–5.)

C. **The Issuance and Service of the Accusation**

Under the Act, if the Hearing Officer makes a finding of probable cause, the Enforcement Division must prepare an accusation pursuant to Section 11503 of the APA, and have it served on the persons who are the subject of the probable cause finding.\(^{13}\)

Section 11503 states:

A hearing to determine whether a right, authority, license, or privilege should be revoked, suspended, limited, or conditioned shall be initiated by filing an accusation or District Statement of Reduction in Force. The accusation or District Statement of Reduction in Force shall be a written statement of charges that shall set forth in ordinary and concise language the acts or omissions with which the respondent is charged, to the end that the respondent will be able to prepare his or her defense. It shall specify the statutes and rules that the respondent is alleged to have violated, but shall not consist merely of charges phrased in the language of those statutes and rules. The accusation or District Statement of Reduction in Force shall be verified unless made by a public officer acting in his or her official capacity

or by an employee of the agency before which the proceeding is to be held. The verification may be on information and belief.

Upon the filing of the accusation, the agency must 1) serve a copy thereof on the respondent as provided in Section 11505, subdivision (c); 2) include a post card or other form entitled Notice of Defense that, when signed by or on behalf of the respondent and returned to the agency, will acknowledge service of the accusation and constitute a notice of defense under Section 11506; 3) include (i) a statement that respondent may request a hearing by filing a notice of defense as provided in Section 11506 within 15 days after service upon the respondent of the accusation, and that failure to do so will constitute a waiver of the respondent's right to a hearing, and (ii) copies of Sections 11507.5, 11507.6, and 11507.7.\textsuperscript{14} The APA also sets forth the language required in the accompanying statement to the respondent.\textsuperscript{15}

The Accusation and accompanying information may be sent to the respondent by any means selected by the agency, but no order adversely affecting the rights of the respondent may be made by the agency in any case unless the respondent has been served personally or by registered mail as set forth in the APA.\textsuperscript{16}

On December 22, 2016, the Commission’s Chief of Enforcement, Galena West, issued an Accusation against the Committee and Gau in this matter. (Certification, Exhibit A–6.) In accordance with Section 11505, the Accusation and accompanying information, consisting of a Statement to Respondent, two copies of a Notice of Defense Form for each respondent, copies of Government Code Sections 11506, 11507.5, 11507.6 and 11507.7, were served on Gau on January 26, 2017. (Certification, Exhibit A–7.)

Along with the Accusation, the Enforcement Division served the Committee and Gau with a “Statement to Respondent,” which notified them that they could request a hearing on the merits and warned that, unless a Notice of Defense was filed within 15 days of service of the Accusation, they would be deemed to have waived the right to a hearing. (Certification, Exhibit A–8.) Neither the Committee nor Gau filed a Notice of Defense within the statutory time period, which ended on February 10, 2017.

As a result, on March 1, 2017, the Enforcement Division sent a letter to the Committee and Gau advising that this matter would be submitted for a Default Decision and Order at the Commission’s public meeting scheduled for March 16, 2017. (Certification, Exhibit A–16.) A copy of the Default Decision and Order, and this accompanying Exhibit 1 with attachments, was included with the letter.

\textsuperscript{15} Section 11505, subd. (b).
\textsuperscript{16} Section 11505, subd. (c).
SUMMARY OF THE LAW

An express purpose of the Act is to ensure voters are fully informed and improper practices are inhibited by requiring all candidates, as well as the committees that support or oppose them, to disclose all contributions and expenditures made throughout a campaign.\textsuperscript{17} In furtherance of this purpose, the Act requires a controlled committee to file a statement of organization with the Secretary of State ("SOS") and pay an annual fee, as well as to file semi-annual statements twice per year to disclose its campaign contributions and expenditures.\textsuperscript{18}

Each committee required to file a statement of organization must pay SOS an annual fee of $50 by February 15, 2013, and then by January 15 each year thereafter until the termination of the committee.\textsuperscript{19} A committee that fails to timely pay the annual fee is subject to a penalty equal to three times the amount of the fee. The Commission is required to enforce this provision of the Act.\textsuperscript{20}

General purpose committees must file semi-annual campaign statements each year no later than July 31 for the reporting period ending on June 30, and no later than January 31 of the following year for the semi-annual reporting period ending December 31.\textsuperscript{21} When a filing deadline falls on a Saturday, Sunday, or official state holiday, the filing deadline is extended to the next business day.\textsuperscript{22}

SUMMARY OF THE EVIDENCE

The Committee qualified as a committee on or about January 19, 1999, when it filed a Statement of Organization with SOS. Gau became the Committee’s treasurer on April 11, 2013.

Annual Fees

SOS sent letters to the Committee’s address of record on file with SOS on November 6, 2012, December 2, 2013, November 20, 2014, October 1, 2015, November 20, 2015, June 10, 2016, and November 18, 2016, which reminded the Committee and Gau of their duty to pay the annual fee. (Certification, Exhibit A–9.) The Committee and Gau did not respond, and the matter was referred to the Enforcement Division.

The Enforcement Division contacted the Committee and Gau by U.S. mail on July 21, 2015 and December 16, 2015 in an attempt to settle this matter. Enforcement staff also emailed Gau regarding the Committee’s past-due annual fees on December 16, 2015 and August 1, 2016. (Certification, Exhibit A–10.)

\textsuperscript{17} Section 81002, subd. (a).
\textsuperscript{18} Sections 84200.5, subd. (b), and 84101.5, subd. (b).
\textsuperscript{19} Section 84101.5, subd. (c).
\textsuperscript{20} Section 84101.5, subd. (d).
\textsuperscript{21} Section 84200, subd. (a)
\textsuperscript{22} Regulation 18116.
As of February 22, 2017, the Committee and Gau have not paid the annual fees for 2013, 2014, 2015, or 2016, or paid the penalties for failing to timely pay the annual fees, but the Committee remains active.

Semi-Annual Campaign Statements

The Committee and Gau timely filed the Committee’s semi-annual campaign statement for July 1, 2014 through December 31, 2014 on January 19, 2015. (Certification, Exhibit A–11.) This statement showed the Committee had an ending cash balance of $8,616.99. The Committee and Gau did not file any subsequent campaign statements.

SOS sent a letter to the Committee and Gau on October 20, 2015 reminding them to file the semi-annual campaign statement for January 1, 2015 through June 30, 2015. (Certification, Exhibit A–12.) The Committee and Gau did not respond, and the matter was referred to the Enforcement Division on March 28, 2016. (Certification, Exhibit A–13.)

The Enforcement Division sent the Committee and Gau letters on April 18, 2016 and June 17, 2016, requesting that they file the delinquent campaign statements within 30 days. (Certification, Exhibit A–14.) Enforcement Division staff also sent Gau an email on August 18, 2016 regarding the Committee’s campaign statements, and an email on September 7, 2016 regarding both the Committee’s campaign statements and its unpaid annual fees. (Certification, Exhibit A–15.) In an attempt to settle this case, Enforcement Division staff left voicemails for Gau on September 7, 2016 and December 19, 2016. The Committee and Gau failed to respond.

The Committee and Gau had a duty to pay the 2015 annual fee to SOS by January 15, 2015. By failing to timely pay the $50 annual fee, and failing to pay the $150 penalty for failing to timely pay the annual fee, the Committee and Gau violated Government Code Section 84101.5, subdivisions (c) and (d).

CONCLUSION

This matter consists of seven counts of violating the Act, which carry a maximum administrative penalty of $35,000.23

In determining the appropriate penalty for a particular violation of the Act, the Enforcement Division considers the typical treatment of a violation in the overall statutory scheme of the Act, with an emphasis on serving the purposes and intent of the Act. Additionally, the Enforcement Division considers the facts and circumstances of the violation in the context of the following factors set forth in Regulation 18361.5 subdivision (d)(1) through (6): (1) The seriousness of the violation; (2) The presence or absence of any intention to conceal, deceive or mislead; (3) Whether the violation was deliberate, negligent or inadvertent; (4) Whether the violator demonstrated good faith by consulting the Commission staff or any other governmental agency in a manner not constituting complete defense under Government Code section 83114(b); (5) Whether the violation was isolated or part of a pattern and whether the violator has a prior record of violations of the Political Reform Act or similar laws; and (6) Whether the violator, upon learning of a reporting violation, voluntarily filed amendments to provide full disclosure.

In this matter, the Committee and Gau failed to timely pay annual fees and file semi-annual campaign statements. The failure to comply with these obligations denied the public information about the Committee’s activity and the disposition of the Committee’s $8,616.99 cash balance as of December 31, 2014. The Committee and Gau are well aware of their obligations to pay annual fees and file campaign statements, as they have been contacted more than 20 times regarding these obligations.

Between Gau’s appointment as the Committee’s treasurer on April 11, 2013 and the violations charged in this case, the Committee filed one campaign statement late. The Committee’s semi-annual campaign statement for the period of July 1, 2013 through December 31, 2013 was filed more than six months late on August 11, 2014.

The Enforcement Division also takes into consideration previous cases that were approved by the Commission in determining penalties. In this matter, the following cases were used as guidelines:

Counts 1–4

• In the Matter of Re-Elect Gary Mendez for Rio Hondo College Board 2011 and Gary Mendez, FPPC No. 15/218. (The Commission approved a default decision on February 16, 2017.) The respondents failed to timely pay the annual fees for 2014 and 2015, and failed to pay the $150 penalty for failing to timely pay the annual fees. The Commission imposed a penalty of $3,000 per violation, for a total penalty of $6,000 for the unpaid annual fees.

23 Section 83116, subd. (c).
Counts 5–7

- *In the Matter of Re-Elect Gary Mendez for Rio Hondo College Board 2011 and Gary Mendez*, FPPC No. 15/218. (The Commission approved a default decision on February 16, 2017.) The respondents failed to file two semi-annual campaign statements, despite being contacted 21 times regarding their violations. The Commission imposed a penalty of $5,000 per violation, for a total penalty of $10,000 for the unfiled semi-annual campaign statements. Mendez was in office at the time of the unfiled statements and Enforcement Division action, where the instant case involves a general purpose committee and the statements do not appear to be linked to any particular election.

**PROPOSED PENALTY**

After considering the factors of Regulation 18361.5 and the penalties imposed in prior cases, penalties of $3,000 each for Counts 1–4 and $4,000 each for Counts 5–7 are recommended, for a total penalty of $24,000.

INTRODUCTION

Respondent I-Chinese American Political Action Committee (the “Committee”) is a state general purpose committee. The committee’s treasurer is respondent Victor Gau (“Gau”). The Political Reform Act (the “Act”)[1] requires an active committee to pay an annual fee of $50 each year to the Secretary of State (“SOS”) until the committee is terminated.[2] A committee must also file a semi-annual campaign

statement each year by January 31 for the period ending December 31. The Committee and Gau failed to pay the required annual fees for the years 2013–2016, and failed to file three semi-annual statements.

SUMMARY OF THE LAW

All legal references and discussions of law pertain to the Act’s provisions as they existed in 2013–2016.

Jurisdiction

The Fair Political Practices Commission (the “Commission”) has administrative jurisdiction to enforce the provisions of the Act.

Probable Cause Proceedings

Prior to the Enforcement Division commencing an administrative action, the General Counsel of the Commission or her designee (the “hearing officer”), must make a finding that there is probable cause to believe the respondent has violated the Act. After a finding of probable cause, the Commission may hold a noticed hearing in accordance with the Administrative Procedure Act to determine whether violations occurred, and levy an administrative penalty of up to $5,000 for each violation.

Standard for Finding Probable Cause

To make a finding of probable cause, the hearing officer must be presented with sufficient evidence to lead a person of ordinary caution and prudence to believe, or entertain a strong suspicion, that a respondent committed or caused a violation.

Need for Liberal Construction and Vigorous Enforcement of the Political Reform Act

When enacting the Political Reform Act, the people of the state of California found and declared that previous laws regulating political practices suffered from inadequate enforcement by state and local authorities. To that end, the Act must be liberally construed to achieve its purposes.

There are many purposes of the Act. Among these purposes are to ensure voters are fully informed and improper practices are inhibited by requiring all committees that support or oppose candidates or measures to disclose all contributions and expenditures made throughout a campaign. Another is to provide adequate enforcement mechanisms so that the Act will be "vigorous enforced."

Annual Fee

Each committee that is required to file a statement of organization must pay the SOS a $50 annual fee until the termination of the committee. Each committee was required to pay the 2013 annual fee by February 15, 2013, and then by January 15 every year thereafter. A committee that fails to timely pay the annual fee is subject to a penalty equal to three times the amount of the fee. The Commission is required to enforce this provision of the Act.

Semi-Annual Campaign Statements

The Act requires candidates and committees to file semi-annual campaign statements that disclose its campaign contributions and expenditures each year no later than July 31 for the period ending June 30, and no later than January 31 for the period ending December 31, or the next business day if the deadline falls on a weekend or holiday.
Treasurer Liability

Every committee must have a treasurer. It is the duty of the treasurer to ensure that the committee complies with all of the requirements of the Act concerning the receipt and expenditure of funds and the reporting of such funds. A committee’s treasurer may be held jointly and severally liable with the committee for any reporting violations.

Liability for Violations

Any person who violates any provision of the Act, who purposely or negligently causes any other person to violate any provision of the Act, or who aids and abets any other person in the violation of any provision of the Act, is liable for administrative penalties up to $5,000 per violation. This only applies to persons who have filing or reporting obligations under the Act, or who are compensated for services involving the planning, organizing, or directing of any activity regulated or required by the Act.

SUMMARY OF THE EVIDENCE

The Committee qualified as a state general purpose committee on or about January 19, 1999. Gau became the Committee’s treasurer on April 11, 2013.

The Committee and Gau failed to pay a $50 annual fee to SOS for the years of 2013, 2014, 2015, and 2016 by the deadline each year. They also failed to pay the subsequent penalties for failing to pay the annual fee.

Additionally, the Committee and Gau failed to file semi-annual statements for 2015 and the first half of 2016. On its last filed semi-annual statement, which was for the period of July 1, 2014 through December 31, 2014, the Committee showed an ending cash balance of $8,616.99.

SOS sent the Committee and Gau multiple notices of their failure to pay the delinquent annual fees and penalties. The Committee and Gau did not pay, so SOS referred the matter to the Enforcement Division. The Enforcement Division contacted the Committee and Gau five times by letter and four times by phone.

Victor Gau
I-Chinese American Political Action Committee
133 E. Las Tunas Dr.
San Gabriel, CA 91776

In the Matter of I-Chinese American Political Action Committee and Victor Gau; FPPC Nos. 15/661 and 16/379

Dear Mr. Gau:

The Enforcement Division of the Fair Political Practices Commission (the “Commission”) is proceeding with an administrative action against you for your failure to comply with the filing and disclosure provisions of the Political Reform Act (the “Act”), as described in our previous correspondence dated July 21, 2015, August 25, 2015, December 16, 2015, and June 10, 2016. The enclosed Report in Support of a Finding of Probable Cause (the “Report”) contains a summary of the alleged violations and the relevant law and evidence. This Report supersedes the previous Report issued June 10, 2016 and served June 13, 2016.

You have the right to file a written response to the Report. That response may contain any information you think is relevant and that you wish to bring to the attention of the Commission’s General Counsel (the “Hearing Officer”). In your response, please indicate whether you would like the Hearing Officer to make a determination of probable cause based on the written materials alone (the Report and your response) or request a conference, during which you may orally present your case to the Hearing Officer. Probable cause conferences are held in our office, which is located at 428 J Street, Ste. 620, Sacramento, CA 95814. You may appear at the conference in person or by telephone and you are entitled to be represented by counsel. If you wish to submit a written response or request a probable cause conference, it must be filed with the Commission Assistant at the address listed above within 21 days from the date of service of this letter. You can reach the Commission Assistant at (916) 327-8269.

Please note: probable cause conferences are not settlement conferences. The sole purpose of a probable cause conference is to determine whether there is probable cause to believe that the Act was violated. However, settlement discussions are encouraged by the Commission and may take place at any time except during a probable cause conference. If you are interested in reaching a settlement in this matter, please contact Amanda Kelly at (916) 322-7771 or akelly@fppc.ca.gov.
Finally, you have the right to request discovery of the evidence in possession of, and relied upon by, the Enforcement Division. *This request must also be filed with the Commission Assistant within 21 days from the date of service of this letter.* Should you request discovery, the Enforcement Division will provide the evidence by service of process or certified mail. From the date you are served with the evidence, you would have an additional 21 days to file a written response to the Report, just as described above.

*Should you take no action within 21 days from the date of service of this letter, your rights to respond and to request a conference are automatically waived and the Enforcement Division will independently pursue the issuance of an accusation.*

For your convenience, I have enclosed a fact sheet on probable cause proceedings and copies of the most relevant statutes and regulations.

Sincerely,

Dave Bainbridge
Assistant Chief
Enforcement Division

PROBABLE CAUSE FACT SHEET

INTRODUCTION

The Fair Political Practices Commission is required by law to determine whether probable cause exists to believe that the Political Reform Act (the "Act") was violated before a public administrative accusation may be issued.

The probable cause proceedings before the Fair Political Practices Commission are unique, and most respondents and their attorneys are unfamiliar with them. Therefore, we have prepared this summary to acquaint you with the process.

THE LAW

Government Code sections 83115.5 and 83116 set forth the basic requirement that a finding of probable cause be made in a "private" proceeding before a public accusation is issued and a public hearing conducted in accordance with the Administrative Procedure Act.

The Commission has promulgated regulations further defining the probable cause procedure and delegating to the General Counsel (the "Hearing Officer" for purposes of these proceedings) the authority to preside over such proceedings and decide probable cause. A copy of these statutes and regulations are attached for your convenience.

In summary, the statutes and regulations entitle you to the following:

a) A written probable cause report containing a summary of the law alleged to have been violated, and a summary of the evidence, including any exculpatory and mitigating information and any other relevant material and arguments;

b) The opportunity to request discovery, respond in writing, and to request a probable cause conference within 21 days of service of the probable cause report;

c) If the Commission met to consider whether a civil lawsuit should be filed in this matter, a copy of any staff memoranda submitted to the Commission and a transcript of staff discussions with the Commission at any such meeting; and

d) If a timely request was made, a non-public conference with the General Counsel and the Enforcement Division staff to consider whether or not probable cause exists to believe the Act was violated.

THE PROCEDURE

Probable Cause Report

Administrative enforcement proceedings are commenced with the service, by registered or certified mail or in person, of a probable cause report. The report will contain a summary of the law and the evidence, including any exculpatory and mitigating information of which the staff has knowledge and any other relevant material and arguments. It is filed with the Hearing Officer.
Discovery

Within 21 calendar days following the service of the probable cause report, you may request discovery of the evidence in the possession of the Enforcement Division. This is not a right to full discovery of the Enforcement Division file, but to the evidence relied upon by the Division along with any exculpatory or mitigating evidence.¹

This request must be sent by registered or certified mail to the Commission Assistant.

Response to Probable Cause Report

Within 21 calendar days following the service of the probable cause report (or, if you timely requested discovery, within 21 calendar days from the service of the evidence) you may submit a response to the Report. By regulation, the written response may contain, "... a summary of evidence, legal arguments, and any mitigating or exculpatory information." (Cal. Code Regs., tit. 2, § 18361.4, subd. (c).)

You must file your response with the Commission Assistant and provide a copy, by service of process or registered or certified mail with return receipt requested, to all other proposed respondents listed in the probable cause report.

Staff Reply

Within 10 calendar days following the date the response was filed with the Commission Assistant, Commission staff may submit any evidence or argument in rebuttal. You will be served with a copy of any such reply.

Probable Cause Conference

Probable cause conferences are held at the offices of the Fair Political Practices Commission, which is located at 428 J Street, Ste. 620, Sacramento, CA 95814. You may appear at the conference in person or by telephone. The proceedings are not public unless all proposed respondents agree to open the conference to the public. Otherwise, the probable cause report, any written responses, and the probable cause conference itself are confidential.

Unless the probable cause conference is public, the only persons who may attend are the staff of the Commission, any proposed respondent and his or her attorney or representative, and, at the discretion of the Hearing Officer, witnesses.

The Hearing Officer may, but need not, permit testimony from witnesses. Probable cause conferences are less formal than court proceedings. The rules of evidence do not apply. The conferences will be recorded and a copy of the recording will be provided upon request.

Since it has the burden of proof, the Enforcement Division is permitted to open and close the conference presentations. The Hearing Officer may also hold the record open to receive additional evidence or arguments.

Probable cause conferences are not settlement conferences. The sole purpose of a probable cause conference is to determine whether or not there is probable cause to believe that the

¹ But see Title 2, California Code of Regulations, Section 18362, which states that the Commission provides access to complaints, responses to complaints, and investigative files and information in accordance with the requirements of the Public Records Act. (Govt. Code § 6250, et seq.)
Political Reform Act was violated. Anyone who wishes to discuss settlement with the Enforcement Division may do so before or after the probable cause conference but not during the conference.

Pursuant to Title 2, California Code of Regulations, Section 18361.4, subdivision (e), the Hearing Officer will find probable cause “if the evidence is sufficient to lead a person of ordinary caution and prudence to believe or entertain a strong suspicion that a proposed respondent committed or caused a violation.”

Ordinarily, probable cause determinations are made based upon the written probable cause report, any written response by the respondent, any written reply by the Enforcement Division, and the oral arguments presented at the conference. Timely written presentations are strongly recommended.

Probable Cause Order and Accusation

Once the matter is submitted to the Hearing Officer, the probable cause decision will normally be made within ten days. If the Hearing Officer finds probable cause, he will issue a Finding of Probable Cause, which will be publicly announced at the next Commission Meeting. An accusation will be issued soon after the Finding of Probable Cause is publicly announced.

Continuances

Every reasonable effort is made to accommodate the schedules of parties and counsel. However, once a date has been set it is assumed to be firm and will not be continued except upon the order of the Hearing Officer after a showing of good cause. Settlement negotiations will be considered good cause only if the Hearing Officer is presented with a fully executed settlement, or is convinced that settlement is imminent.

Settlements

Settlement discussions may take place at any time except during the probable cause conference. In order to open settlement discussions, a proposed respondent or his or her counsel or representative should present a written offer to settle stating, where appropriate, the violations to be admitted, and the monetary penalty or other remedy to be tendered.

The Enforcement Division attorney assigned to the case will negotiate any potential settlement on behalf of the Fair Political Practices Commission, and will draft the language of the settlement agreement. The Hearing Officer will not directly participate in the negotiations, but will be represented by Enforcement Division attorneys. Staff attorneys will present settlement offers to the Hearing Officer for his/her approval.

CONCLUSION

This fact sheet was intended to give you a brief summary of the probable cause process at the Fair Political Practices Commission. Such a summary cannot answer every question that might arise in such proceedings. Therefore, if you have any questions that are not addressed by this fact sheet or the copies of the law and regulations we have attached, feel free to contact the attorney whose name appears on the probable cause report.

Attachments: Relevant Sections of (1) California Government Code, and (2) Regulations of the Fair Political Practices Commission, Title 2, Division 6 of the California Code of Regulations.
§ 83115.5. Probable cause; violation of title; notice of violation; summary of evidence; notice of rights; private proceedings

No finding of probable cause to believe this title has been violated shall be made by the commission unless, at least 21 days prior to the commission's consideration of the alleged violation, the person alleged to have violated this title is notified of the violation by service of process or registered mail with return receipt requested, provided with a summary of the evidence, and informed of his right to be present in person and represented by counsel at any proceeding of the commission held for the purpose of considering whether probable cause exists for believing the person violated this title. Notice to the alleged violator shall be deemed made on the date of service, the date the registered mail receipt is signed, or if the registered mail receipt is not signed, the date returned by the post office. A proceeding held for the purpose of considering probable cause shall be private unless the alleged violator files with the commission a written request that the proceeding be public.

§ 83116. Violation of title; probable cause; hearing; order

When the Commission determines there is probable cause for believing this title has been violated, it may hold a hearing to determine if a violation has occurred. Notice shall be given and the hearing conducted in accordance with the Administrative Procedure Act (Chapter 5 (commencing with Section 11500), Part 1, Division 3, Title 2, Government Code). The Commission shall have all the powers granted by that chapter. When the Commission determines on the basis of the hearing that a violation has occurred, it shall issue an order that may require the violator to do all or any of the following:

(a) Cease and desist violation of this title.
(b) File any reports, statements, or other documents or information required by this title.
(c) Pay a monetary penalty of up to five thousand dollars ($5,000) per violation to the General Fund of the state. When the Commission determines that no violation has occurred, it shall publish a declaration so stating.
§ 18361 (b). Delegation by the Executive Director Pertaining to Enforcement Proceedings and Authority to Hear Probable Cause Proceedings.

Probable cause proceedings under Regulation 18361.4 shall be heard by the General Counsel or an attorney from the Legal Division. The General Counsel may delegate the authority to hear probable cause proceedings, in writing, to an administrative law judge.

§ 18361.4. Probable Cause Proceedings

(a) Probable Cause Report. If the Chief of the Enforcement Division decides to commence probable cause proceedings pursuant to Sections 83115.5 and 83116, he or she shall direct the Enforcement Division staff to prepare a written report, hereafter referred to as “the probable cause report.” The probable cause report shall contain a summary of the law and evidence gathered in connection with the investigation, including any exculpatory and mitigating information of which the staff has knowledge and any other relevant material and arguments. The evidence recited in the probable cause report may include hearsay, including declarations of investigators or others relating the statements of witnesses or concerning the examination of physical evidence.

(b) No probable cause hearing will take place until at least 21 calendar days after the Enforcement Division staff provides the following, by service of process or registered or certified mail with return receipt requested, to all proposed respondents:

1. A copy of the probable cause report;
2. Notification that the proposed respondents have the right to respond in writing to the probable cause report and to request a probable cause conference at which the proposed respondent may be present in person and represented by counsel, and;
3. If the Commission met in executive session on this matter pursuant to Regulation 18361.2, a copy of any staff memoranda submitted to the Commission at that time along with the recording of any discussion between the Commission and the staff at the executive session as required in subdivision (b) of Regulation 18361.2.

(c) Response to Probable Cause Report.

1. Each proposed respondent may submit a written response to the probable cause report. The response may contain a summary of evidence, legal arguments, and any mitigating or exculpatory information. A proposed respondent who submits a response must file it with the Commission Assistant who will forward the response to the General Counsel or an attorney in the Legal Division (the “hearing officer”) and provide a copy, by service of process or registered or certified mail with return receipt requested, to all other proposed respondents listed in the probable cause report not later than 21 days following service of the probable cause report.
2. Within 21 calendar days following the service of the probable cause report, a proposed
respondent may request discovery of evidence in the possession of the Enforcement Division. This request must be sent by registered or certified mail to the Commission Assistant. Upon receipt of the request, the Enforcement Division shall provide discovery of evidence relied upon by the Enforcement Division sufficient to lead a person of ordinary caution and prudence to believe or entertain a strong suspicion that a proposed respondent committed or caused a violation, along with any exculpatory or mitigating evidence. This is not a right to full discovery of the Enforcement Division file. The Enforcement Division shall provide access to documents for copying by the Respondent, or upon agreement among the parties, the Enforcement Division will provide copies of the requested documents upon payment of a fee for direct costs of duplication. The Enforcement Division shall provide such evidence by service of process or registered or certified mail with return receipt requested to all respondents, with a copy to the Commission Assistant. A respondent may submit a written response to the probable cause report described in subsection (1) no later than 21 calendar days after service of discovery.

(3) The Commission staff may submit any evidence or argument in rebuttal to the response. When the Commission staff submits evidence or argument in rebuttal to the response, it shall provide a copy, by service of process or registered or certified mail with return receipt requested, to all proposed respondents listed in the probable cause report not later than 10 calendar days following the date the response was filed with the Commission Assistant. The hearing officer may extend the time limitations in this section for good cause. At any time prior to a determination of probable cause, the hearing officer may allow additional material to be submitted as part of the initial response or rebuttal.

(d) Probable Cause Conference. Any proposed respondent may request a probable cause conference. The request shall be served upon the Commission Assistant and all other proposed respondents not later than 21 days after service of the probable cause report unless the hearing officer extends the time for good cause. The Commission Assistant shall fix a time for the probable cause conference and the hearing officer shall conduct the conference informally. The conference shall be closed to the public unless a proposed respondent requests and all other proposed respondents agree to a public conference. If the conference is not public, only members of the Commission staff, any proposed respondent and his or her legal counsel or representative shall have the right to be present and participate. The hearing officer may allow witnesses to attend and participate in part or all of the probable cause conference. In making this determination, the hearing officer shall consider the relevancy of the witness' proposed testimony, whether the witness has a substantial interest in the proceedings, and whether fairness requires that the witness be allowed to participate. Representatives of any civil or criminal prosecutor with jurisdiction may attend the conference at the discretion of the hearing officer if they agree to respect the confidential nature of the proceedings. If the conference is not open to the public and none of the parties and the presiding officer object, the conference may be conducted in whole or in part by telephone. The probable cause conference shall be recorded. The hearing officer may determine whether there is probable cause based solely on the probable cause report, any responses or rebuttals filed and any arguments presented at the probable cause conference by the interested parties. If the hearing officer requires additional information before determining whether there is probable cause, he or she may permit any party to submit additional evidence at the probable cause conference.
(e) **Finding of Probable Cause.** The hearing officer may find there is probable cause to believe a violation has occurred if the evidence is sufficient to lead a person of ordinary caution and prudence to believe or entertain a strong suspicion that a proposed respondent committed or caused a violation. A finding of probable cause by the hearing officer does not constitute a finding that a violation has actually occurred. The hearing officer shall not make a finding of probable cause if he or she is presented with clear and convincing evidence that, at a time prior to the alleged violation, the violator consulted with the staff of the Commission in good faith, disclosed truthfully all the material facts, and committed the acts complained of in reliance on the advice of the staff or because of the staff’s failure to provide advice. If the hearing officer makes a finding of probable cause, the Enforcement Division shall prepare an Accusation pursuant to Section 11503 and have it served upon the person or persons who are subjects of the probable cause finding. The hearing officer shall publicly announce the finding of probable cause. The announcement shall contain a summary of the allegations and a cautionary statement that the respondent is presumed to be innocent of any violation of the Act unless a violation is proved in a subsequent proceeding. The Chief of the Enforcement Division shall be responsible for the presentation of the case in support of the Accusation at an administrative hearing held pursuant to Section 83116.

§ 18362. **Access to Complaint Files**

(a) Access to complaints, responses thereto, and investigative files and information shall be granted in accordance with the requirements of the Public Records Act (Government Code Section 6250, et seq.).

(b) When release of material is requested pursuant to subdivision (a), the Executive Director, or his or her designee, shall review the material prior to its release or prior to a claim of exemption to determine that the requirements of the Public Records Act have been satisfied.

(c) Any person requesting copies of material pursuant to subdivision (a) shall reimburse the Commission $0.10 per page for each page copied or supply copying equipment and make copies in the offices of the Commission. Documents may not be removed from the offices of the Commission. If the request is for copies totaling ten pages or less, the copies shall be provided without charge for copying since the administrative costs do not warrant collection of $1.00 or less. If the request is for copies totaling more than ten pages, reimbursements of copying costs shall include the cost for the first ten pages. Charges imposed pursuant to this subdivision are for the purpose of recovering the cost of copying.

(d) Requests for access and copies pursuant to subdivision (a) shall be made in writing and shall specifically identify the documents sought.

§ 18361.2. **Memorandum Respecting Civil Litigation.**

(a) If the Executive Director concludes civil litigation should be initiated, he or she shall submit to the Commission a written memorandum, which shall be first reviewed by the General Counsel, or an attorney from the Legal Division, summarizing the facts and the applicable law of the case and recommending the initiation of a lawsuit. The memorandum shall include all exculpatory and mitigating information known to the staff.
(b) The Commission shall review the memorandum at an executive session. The General Counsel, or an attorney from the Legal Division, and the Commission Assistant shall be in attendance. No other member of the staff may be present unless the Commission meets with a member of the staff for that person to answer questions. The Commission may not resume its deliberations until the person is no longer present. Any communication between the Commission and the person during the executive session shall be recorded. After review of the memorandum, the Commission may direct the Executive Director to do any of the following:

(1) Initiate civil litigation.

(2) Decide whether probable cause proceedings should be commenced pursuant to 2 Cal. Code of Regulations Section 18361.4.

(3) Return the matter to the staff for further investigation.

(4) Take no further action on the matter or take any other action it deems appropriate.

(c) If the Commission decides to initiate civil litigation, the Commission may then permit other members of the staff to attend the executive session.

(d) If the Executive Director deems it necessary, he or she may call a special meeting of the Commission to review a staff memorandum recommending the initiation of civil litigation.

(e) It is the intent of the Commission in adopting this section to preserve for the members of the Commission the authority to decide whether alleged violations should be adjudicated in administrative hearings or in civil litigation, while at the same time avoiding the possibility that discussions with members of the staff might cause members of the Commission to prejudge a case that might be heard by the Commission under Government Code Section 83116.

statement each year by January 31 for the period ending December 31. The Committee and Gau failed to pay the required annual fees for the years 2013-2016, and failed to file three semi-annual statements.

SUMMARY OF THE LAW

All legal references and discussions of law pertain to the Act’s provisions as they existed in 2013-2016.

Jurisdiction

The Fair Political Practices Commission (the “Commission”) has administrative jurisdiction to enforce the provisions of the Act.

Probable Cause Proceedings

Prior to the Enforcement Division commencing an administrative action, the General Counsel of the Commission or her designee (the “hearing officer”), must make a finding that there is probable cause to believe the respondent has violated the Act. After a finding of probable cause, the Commission may hold a noticed hearing in accordance with the Administrative Procedure Act to determine whether violations occurred, and levy an administrative penalty of up to $5,000 for each violation.

Standard for Finding Probable Cause

To make a finding of probable cause, the hearing officer must be presented with sufficient evidence to lead a person of ordinary caution and prudence to believe, or entertain a strong suspicion, that a respondent committed or caused a violation.

8 Section 18361.4, subd. (e).
Need for Liberal Construction and Vigorous Enforcement of the Political Reform Act

When enacting the Political Reform Act, the people of the state of California found and declared that previous laws regulating political practices suffered from inadequate enforcement by state and local authorities. To that end, the Act must be liberally construed to achieve its purposes.

There are many purposes of the Act. Among these purposes are to ensure voters are fully informed and improper practices are inhibited by requiring all committees that support or oppose candidates or measures to disclose all contributions and expenditures made throughout a campaign. Another is to provide adequate enforcement mechanisms so that the Act will be “vigorously enforced.”

Annual Fee

Each committee that is required to file a statement of organization must pay the SOS a $50 annual fee until the termination of the committee. Each committee was required to pay the 2013 annual fee by February 15, 2013, and then by January 15 every year thereafter. A committee that fails to timely pay the annual fee is subject to a penalty equal to three times the amount of the fee. The Commission is required to enforce this provision of the Act.

Semi-Annual Campaign Statements

The Act requires candidates and committees to file semi-annual campaign statements that disclose its campaign contributions and expenditures each year no later than July 31 for the period ending June 30, and no later than January 31 for the period ending December 31, or the next business day if the deadline falls on a weekend or holiday.

Treasurer Liability

Every committee must have a treasurer.\textsuperscript{16} It is the duty of the treasurer to ensure that the committee complies with all of the requirements of the Act concerning the receipt and expenditure of funds and the reporting of such funds.\textsuperscript{17} A committee’s treasurer may be held jointly and severally liable with the committee for any reporting violations.\textsuperscript{18}

Liability for Violations

Any person who violates any provision of the Act, who purposely or negligently causes any other person to violate any provision of the Act, or who aids and abets any other person in the violation of any provision of the Act, is liable for administrative penalties up to $5,000 per violation.\textsuperscript{19} This only applies to persons who have filing or reporting obligations under the Act, or who are compensated for services involving the planning, organizing, or directing of any activity regulated or required by the Act.\textsuperscript{20}

SUMMARY OF THE EVIDENCE

The Committee qualified as a state general purpose committee on or about January 19, 1999. Gau became the Committee’s treasurer on April 11, 2013.

The Committee and Gau failed to pay a $50 annual fee to SOS for the years of 2013, 2014, 2015, and 2016 by the deadline each year. They also failed to pay the subsequent penalties for failing to pay the annual fee.

Additionally, the Committee and Gau failed to file semi-annual statements for 2015 and the first half of 2016. On its last filed semi-annual statement, which was for the period of July 1, 2014 through December 31, 2014, the Committee showed an ending cash balance of $8,616.99.

SOS sent the Committee and Gau multiple notices of their failure to pay the delinquent annual fees and penalties. The Committee and Gau did not pay, so SOS referred the matter to the Enforcement Division. The Enforcement Division contacted the Committee and Gau five times by letter and four times.

As of September 15, 2016, neither the Committee nor Gau has paid any of the annual fees or penalties, or filed the outstanding semi-annual statements.

DEFAULT DECISION AND ORDER FPPC NOS. 15/661 and 16/379
BEFORE THE FAIR POLITICAL PRACTICES COMMISSION
STATE OF CALIFORNIA

In the Matter of

I-CHINESE AMERICAN POLITICAL ACTION COMMITTEE AND VICTOR GAU,

Respondents.

FPPC Nos. 15/661 and 16/379

FINDING OF PROBABLE CAUSE AND ORDER TO PREPARE AND SERVE AN ACCUSATION

Gov. Code § 83115.5

By means of an Ex Parte Request for an Order Finding Probable Cause and an Order that an Accusation Be Prepared and Served, dated November 9, 2016, the Enforcement Division submitted the above-entitled matter to the Hearing Officer for a determination of Probable Cause. As set forth in the Ex Parte Request for a Finding of Probable Cause and an Order that an Accusation Be Prepared and Served ("Ex Parte Request"), the Enforcement Division served a Report in Support of a Finding of Probable Cause ("PC Report") on respondents I-Chinese American Political Action Committee (the "Committee") and Victor Gau ("Gau") concerning this matter on October 3, 2016, by certified mail, return receipt requested. Accompanying the PC Report was a packet of materials that informed the Committee and Gau of their right to file a written response to the PC Report and to request a probable cause conference within 21 days following service of the PC Report. During the 21 days that followed service of the PC Report, the Committee and Gau did not file a response to the PC Report or request a probable cause conference. Pursuant to California Code of Regulations title 2, section 18361.4, determination of probable cause may be made solely on papers submitted when the respondent does not request a probable cause conference.\(^1\)

In making a probable cause determination, it is the duty of the Hearing Officer of the Fair Political Practices Commission to determine whether probable cause exists to believe that a respondent violated the Political Reform Act as alleged by the Enforcement Division in the PC Report served on the respondents.

\(^1\) The Political Reform Act is contained in Government Code sections 81000 through 91014. The regulations of the Fair Political Practices Commission are contained in Sections 18110 through 18997 of Title 2 of the California Code of Regulations.
Probable cause to believe a violation has occurred can be found to exist when "the evidence is sufficient to lead a person of ordinary caution and prudence to believe or entertain a strong suspicion that the proposed respondent(s) committed or caused a violation."\(^2\)

The PC Report served on the Committee and Gau and the subsequent Ex Parte Request in this matter alleges seven violations of the Political Reform Act were committed, as follows:

**Count 1:** The Committee and Gau failed to pay the 2013 annual fee by the February 15, 2013 due date and failed to pay a penalty of $150 for failing to timely pay the annual fee, in violation of Section 84101.5, subdivisions (c) and (d).

**Count 2:** The Committee and Gau failed to pay the 2014 annual fee by the January 15, 2014 due date and failed to pay a penalty of $150 for failing to timely pay the annual fee, in violation of Section 84101.5, subdivisions (c) and (d).

**Count 3:** The Committee and Gau failed to pay the 2015 annual fee by the January 15, 2015 due date and failed to pay a penalty of $150 for failing to timely pay the annual fee, in violation of Section 84101.5, subdivisions (c) and (d).

**Count 4:** The Committee and Gau failed to pay the 2016 annual fee by the January 15, 2016 due date and failed to pay a penalty of $150 for failing to timely pay the annual fee, in violation of Section 84101.5, subdivisions (c) and (d).

**Count 5:** The Committee and Gau failed to timely file the semi-annual statement due February 2, 2015, in violation of Section 84200.

**Count 6:** The Committee and Gau failed to timely file the semi-annual statement due February 1, 2016, in violation of Section 84200.

**Count 7:** The Committee and Gau failed to timely file the semi-annual statement due July 31, 2016, in violation of Section 84200.

Based on the Ex Parte Request given to me, I find that notice has been given to the Committee and Gau.\(^3\) I further find, based on the PC Report and the Ex Parte Request, that there is probable cause to believe the Committee and Gau violated the Political Reform Act as alleged in Counts 1 through 7, as identified above.

\(^{2}\) Cal. Code Reg., tit. 2, § 18361.4, subd. (e).

\(^{3}\) Government Code § 83115.5; Cal. Code Reg., tit. 2, § 18361.4, subd. (b).
I therefore direct that the Enforcement Division issue an accusation against the Committee and Gau in accordance with this finding.

IT IS SO ORDERED.

JURISDICTION

1. Complainant is the Enforcement Division of the Fair Political Practices Commission (the “Commission”) and makes this Accusation in its official capacity and in the public interest.

2. The authority to bring this action is derived from Title 2, California Code of Regulations, Sections 18361 and 18361.4, subdivision (e), and the statutory law of the State of California, specifically including, but not limited to, Government Code Sections 83111, 83116, and 91000.5, which assign to the Enforcement Division the duty to administer, implement, and enforce the provisions of the Political Reform Act, found at Government Code Sections 81000 through 91014.
3. When enacting the Political Reform Act (the "Act"), California voters specifically found and declared that previous laws regulating political practices had suffered from inadequate enforcement, and it was their purpose to ensure that the Act be vigorously enforced.\(^2\)

4. To that end, Section 81003 requires that the Act be liberally construed to achieve its purposes.

5. One of the stated purposes of the Act is to ensure voters are fully informed and improper practices are inhibited by requiring all political candidates, as well as the committees that support or oppose them, to disclose all contributions and expenditures made throughout a campaign.\(^3\) In furtherance of this purpose, the Act requires a controlled committee to file a statement of organization with the Secretary of State ("SOS") and pay an annual fee, as well as to file semi-annual statements twice per year to disclose its campaign contributions and expenditures.\(^4\)

**RESPONDENTS**

6. Respondent I-Chinese American Political Action Committee (the "Committee") is a state general purpose committee. Victor Gau ("Gau") is the Committee's treasurer.

**APPLICABLE LAW**

7. All applicable law in this Accusation is the law as it existed during the relevant time for the violation alleged.

**A. Duty to Pay the Annual Fee**

8. Each committee required to file a statement of organization was required to pay an annual fee to the Secretary of State beginning in 2013. The annual fee for 2013 was due by February 15, 2013. In subsequent years, each committee has been required to pay the $50 annual fee by January 15 each year until the termination of the committee.\(^5\) A committee that fails to timely pay the annual fee is subject to a

B. Duty to File Annual Semi-Annual Campaign Statements  

9. The Act requires candidate-controlled committees to file campaign statements at specific times disclosing information regarding campaign contributions received and expenditures made by the campaign committees.  

10. Candidate-controlled committees must file semi-annual campaign statements each year no later than July 31 for the reporting period ending on June 30, and no later than January 31 of the following year for the semi-annual reporting period ending December 31. When a filing deadline falls on a Saturday, Sunday, or official state holiday, the filing deadline is extended to the next business day.  

C. Factors to be Considered by the Fair Political Practices Commission  

11. In framing a proposed order following a finding of a violation pursuant to Section 83116, the Commission and the administrative law judge shall consider all the surrounding circumstances including but not limited to: (1) The seriousness of the violation; (2) The presence or absence of any intention to conceal, deceive or mislead; (3) Whether the violation was deliberate, negligent or inadvertent; (4) Whether the violator demonstrated good faith by consulting the Commission staff or any other government agency in a manner not constituting a complete defense under Section 83114(b); (5) Whether the violation was isolated or part of a pattern and whether the violator has a prior record of violations of the Act or similar laws; and (6) Whether the violator, upon learning of a reporting violation, voluntarily filed amendments to provide full disclosure.  

GENERAL FACTS  

12. The Committee qualified as a state general purpose committee on or about January 19, 1999. Gau became the Committee's treasurer on April 11, 2013.
13. The Committee and Gau failed to pay the $50 annual fee to SOS for the years of 2013, 2014, 2015, and 2016 by the deadline each year. They also failed to pay the subsequent penalties for failing to pay the annual fee.

STATEMENT TO RESPONDENT
[Government Code Section 11505, subdivision (b)]
I-Chinese American Political Action Committee and Victor Gau
FPPC Case Nos. 15/661 and 16/379

Enclosed is an Accusation, which was filed with the Fair Political Practices Commission (the “FPPC”) and which is hereby served upon you, along with two copies of a Notice of Defense and Government Code Sections 11506 through 11508.

Unless a written request for a hearing signed by you or on your behalf is delivered or mailed to the FPPC within 15 days after the Accusation was served on you, the FPPC may proceed upon the Accusation without a hearing. The request for a hearing may be made by delivering or mailing the enclosed form entitled Notice of Defense, or by delivering or mailing a notice of defense as provided by Section 11506 of the Government Code to the Commission Assistant at the FPPC.

You may, but need not, be represented by counsel at any or all stages of these proceedings.

If you desire a list of the names and addresses of witnesses against you, or an opportunity to inspect and copy the items mentioned in Section 11507.6 of the Government Code that are in the possession, custody, or control of this agency, or if you wish to discuss the possibility of resolving this matter without a formal hearing, you may contact Amanda Kelly, Commission Counsel, Enforcement Division, at (916) 322-7771 or at akelly@fppc.ca.gov.

The hearing may be postponed for good cause. If you have good cause, you are obliged to notify the FPPC or, if an administrative law judge has been assigned to the hearing, the Office of Administrative Hearings, within 10 working days after you discover the good cause. Failure to give notice within 10 days will deprive you of a postponement.

After a hearing, the FPPC will consider the following factors in determining whether to assess a penalty (Title 2, California Code of Regulations, Section 18361.5, subdivision (d).):

1. The seriousness of the violation;
2. The presence or absence of any intention to conceal, deceive, or mislead;
3. Whether the violation was deliberate, negligent, or inadvertent;
4. Whether the violator demonstrated good faith by consulting Commission staff or any other government agency in a manner not constituting a complete defense under Government Code Section 83114, subdivision (b);
5. Whether the violation was isolated or part of a pattern;
6. Whether the violator has a prior record of violations of the Political Reform Act or similar laws; and
7. Whether the violator, upon learning of a reporting violation, voluntarily filed amendments to provide full disclosure.

§ 11506. Filing of notice of defense or notice of participation; Contents; Right to hearing on the merits

(a) Within 15 days after service of the accusation or District Statement of Reduction in Force the respondent may file with the agency a notice of defense, or, as applicable, notice of participation, in which the respondent may:

(1) Request a hearing.

(2) Object to the accusation or District Statement of Reduction in Force upon the ground that it does not state acts or omissions upon which the agency may proceed.

(3) Object to the form of the accusation or District Statement of Reduction in Force on the ground that it is so indefinite or uncertain that the respondent cannot identify the transaction or prepare a defense.

(4) Admit the accusation or District Statement of Reduction in Force in whole or in part.

(5) Present new matter by way of defense.

(6) Object to the accusation or District Statement of Reduction in Force upon the ground that, under the circumstances, compliance with the requirements of a regulation would result in a material violation of another regulation enacted by another department affecting substantive rights.

(b) Within the time specified the respondent may file one or more notices of defense, or, as applicable, notices of participation, upon any or all of these grounds but all of these notices shall be filed within that period unless the agency in its discretion authorizes the filing of a later notice.

(c) The respondent shall be entitled to a hearing on the merits if the respondent files a notice of defense or notice of participation, and the notice shall be deemed a specific denial of all parts of the accusation or District Statement of Reduction in Force not expressly admitted. Failure to file a notice of defense or notice of participation shall constitute a waiver of respondent's right to a hearing, but the agency in its discretion may nevertheless grant a hearing. Unless objection is taken as provided in paragraph (3) of subdivision (a), all objections to the form of the accusation or District Statement of Reduction in Force shall be deemed waived.

(d) The notice of defense or notice of participation shall be in writing signed by or on behalf of the respondent and shall state the respondent's mailing address. It need not be verified or follow any particular form.

At any time before the matter is submitted for decision, the agency may file, or permit the filing of, an amended or supplemental accusation or District Statement of Reduction in Force. All parties shall be notified of the filing. If the amended or supplemental accusation or District Statement of Reduction in Force presents new charges, the agency shall afford the respondent a reasonable opportunity to prepare his or her defense to the new charges, but he or she shall not be entitled to file a further pleading unless the agency in its discretion so orders. Any new charges shall be deemed controverted, and any objections to the amended or supplemental accusation or District Statement of Reduction in Force may be made orally and shall be noted in the record.

After initiation of a proceeding in which a respondent or other party is entitled to a hearing on the merits, a party, upon written request made to another party, prior to the hearing and within 30 days after service by the agency of the initial pleading or within 15 days after the service of an additional pleading, is entitled to (1) obtain the names and addresses of witnesses to the extent known to the other party, including, but not limited to, those intended to be called to testify at the hearing, and (2) inspect and make a copy of any of the following in the possession or custody or under the control of the other party:

(a) A statement of a person, other than the respondent, named in the initial administrative pleading, or in any additional pleading, when it is claimed that the act or omission of the respondent as to this person is the basis for the administrative proceeding;

(b) A statement pertaining to the subject matter of the proceeding made by any party to another party or person;

(c) Statements of witnesses then proposed to be called by the party and of other persons having personal knowledge of the acts, omissions or events which are the basis for the proceeding, not included in (a) or (b) above;

(d) All writings, including, but not limited to, reports of mental, physical and blood examinations and things which the party then proposes to offer in evidence;

(e) Any other writing or thing which is relevant and which would be admissible in evidence;

(f) Investigative reports made by or on behalf of the agency or other party pertaining to the subject matter of the proceeding, to the extent that these reports (1) contain the names and addresses of witnesses or of persons having personal knowledge of the acts, omissions or events which are the basis for the proceeding, or (2) reflect matters perceived by the investigator in the course of his or her investigation, or (3) contain or include by attachment any statement or writing described in (a) to (e), inclusive, or summary thereof.

For the purpose of this section, "statements" include written statements by the person signed or otherwise authenticated by him or her, stenographic, mechanical, electrical or other recordings, or transcripts thereof, of oral statements by the person, and written reports or summaries of these oral statements.
Nothing in this section shall authorize the inspection or copying of any writing or thing which is privileged from disclosure by law or otherwise made confidential or protected as the attorney's work product.

§ 11507.7. Motion to compel discovery; Order

(a) Any party claiming the party's request for discovery pursuant to Section 11507.6 has not been complied with may serve and file with the administrative law judge a motion to compel discovery, naming as respondent the party refusing or failing to comply with Section 11507.6. The motion shall state facts showing the respondent party failed or refused to comply with Section 11507.6, a description of the matters sought to be discovered, the reason or reasons why the matter is discoverable under that section, that a reasonable and good faith attempt to contact the respondent for an informal resolution of the issue has been made, and the ground or grounds of respondent's refusal so far as known to the moving party.

(b) The motion shall be served upon respondent party and filed within 15 days after the respondent party first evidenced failure or refusal to comply with Section 11507.6 or within 30 days after request was made and the party has failed to reply to the request, or within another time provided by stipulation, whichever period is longer.

(c) The hearing on the motion to compel discovery shall be held within 15 days after the motion is made, or a later time that the administrative law judge may on the judge's own motion for good cause determine. The respondent party shall have the right to serve and file a written answer or other response to the motion before or at the time of the hearing.

(d) Where the matter sought to be discovered is under the custody or control of the respondent party and the respondent party asserts that the matter is not a discoverable matter under the provisions of Section 11507.6, or is privileged against disclosure under those provisions, the administrative law judge may order lodged with it matters provided in subdivision (b) of Section 915 of the Evidence Code and examine the matters in accordance with its provisions.

(e) The administrative law judge shall decide the case on the matters examined in camera, the papers filed by the parties, and such oral argument and additional evidence as the administrative law judge may allow.

(f) Unless otherwise stipulated by the parties, the administrative law judge shall no later than 15 days after the hearing make its order denying or granting the motion. The order shall be in writing setting forth the matters the moving party is entitled to discover under Section 11507.6. A copy of the order shall forthwith be served by mail by the administrative law judge upon the parties. Where the order grants the motion in whole or in part, the order shall not become
effective until 10 days after the date the order is served. Where the order denies relief to the moving party, the order shall be effective on the date it is served.

§ 11508. Time and place of hearing

(a) The agency shall consult the office, and subject to the availability of its staff, shall determine the time and place of the hearing. The hearing shall be held at a hearing facility maintained by the office in Sacramento, Oakland, Los Angeles, or San Diego and shall be held at the facility that is closest to the location where the transaction occurred or the respondent resides.

(b) Notwithstanding subdivision (a), the hearing may be held at either of the following places:

(1) A place selected by the agency that is closer to the location where the transaction occurred or the respondent resides.

(2) A place within the state selected by agreement of the parties.

(c) The respondent may move for, and the administrative law judge has discretion to grant or deny, a change in the place of the hearing. A motion for a change in the place of the hearing shall be made within 10 days after service of the notice of hearing on the respondent.

Unless good cause is identified in writing by the administrative law judge, hearings shall be held in a facility maintained by the office.

Dear Committee Treasurer:

As of January 1, 2013, Government Code section 84101.5, requires the Secretary of State to charge each qualified recipient committee that files a Statement of Organization (Form 410) $50 per year, until the committee terminates pursuant to Government Code section 84214, subject to the following:

- Committees that existed prior to January 1, 2013, that do not terminate by January 31, 2013, are required to pay the fee by February 15, 2013, and every year thereafter by January 15. No fee is due if a committee in existence prior to January 1, 2013, terminates before January 31, 2013.

- Committees that form on or after January 1, 2013, must pay the $50 fee within 15 days of filing a Statement of Organization (Form 410). The fee is due every year thereafter on January 15, until the committee terminates.

- Committees that form during the last three months of a calendar year must pay the $50 fee within 15 days of filing a Statement of Organization (Form 410), but are not subject to the fee in the following year.

Any committee that does not pay the fee is subject to a penalty of $150.

Because your committee is in existence prior to January 1, 2013, you are required to pay the $50 fee by February 15, 2013. However, if you intend to terminate your committee, I encourage you to file your termination statement, using the Form 410 (Statement of Organization), no later than January 31, 2013. Be sure to spend any remaining campaign funds according to permitted uses. For questions regarding the permitted uses for your committee type, please contact the FPPC at advice@fppc.ca.gov or 866-275-3772. The committee identified above is still an active committee, according to our records, and no payment of the $50 annual fee was received by the deadline prescribed by law. If you intend to terminate your committee, please submit a Statement of Organization (Form 410) terminating the committee. An online fillable Form 410 can be accessed at the Secretary of State’s webpage at www.sos.ca.gov/prd/campaign-info/forms-instructions/compend-camp-forms.htm. Dear Mr. Gau,

In 2012, the Legislature passed Senate Bill 1001. SB 1001, Chaptered at section 84101.5 of the Political Reform Act[1] (the “Act”) and effective as of January 1, 2013, requires every recipient committee in California to pay a $50 annual fee to the Secretary of State’s office. Committees that fail to pay the fee on time are subject to a $150 penalty, in addition to the fee, which is enforceable by the Fair Political Practices Commission (“Commission”). As a result, I-Chinese American Political Action Committee was referred to the Commission’s Enforcement Division. The annual fee and penalty are past due. Additionally, you were offered to enter into our streamline program for the violations of the Act.

The Enforcement Division sent streamline stipulations in this regard, and have not been contacted regarding either of these committees. The fees and penalties will increase if you do not resolve this case in a timely manner. Please contact me to resolve this case. I can be reached at (916)322-8190.

RE: Failure to File Campaign Statements: FPPC No. 16/379

Dear Committee and Mr. Gau:

The Enforcement Division of the Fair Political Practices Commission enforces the provisions of the Political Reform Act (the "Act"). The Enforcement Division has received a referral from the Secretary of State's office regarding I-Chinese American Political Action Committee failure to file the following campaign statements in paper and electronic formats:

<table>
<thead>
<tr>
<th>Statement/Report Type</th>
<th>Reporting Period</th>
<th>Filing Deadline</th>
</tr>
</thead>
<tbody>
<tr>
<td>Semi-Annual</td>
<td>1/1/15-6/30/15</td>
<td>7/31/15</td>
</tr>
<tr>
<td>Semi-Annual</td>
<td>7/1/15-12/31/15</td>
<td>2/1/16</td>
</tr>
</tbody>
</table>

Failing to timely file a campaign statement is a violation of the Act. As the controlling treasurer, you are liable for the committee's filing violation. The Enforcement Division has commenced an enforcement action against you, and can obtain an order that you pay a monetary penalty to the State of California of up $5,000 per violation.

On May 21, 2015, the Fair Political Practices Commission approved an Enforcement Streamlined Program that allows committees who failed to file campaign statements to qualify for a reduced fine, in certain circumstances, through the Enforcement Division's streamlined program. In order to qualify for this program, you must first file all past-due campaign statements with your filing officer and provide a copy of the file stamped statements to the Enforcement Division within 30 days of the date of this letter. Once the Enforcement Division receives your campaign statement, we will examine your statement to determine whether you meet the streamline qualification criteria. If you qualify for the program, the Enforcement Division staff will contact you to settle this matter for a significantly reduced fine.

---

1 The Political Reform Act is contained in Government Code Sections 81000 through 91014.
2 Section 83116.
Failing to file the statement identified above within 30 days of the date of this letter will automatically disqualify you from the streamlined program even if you would have otherwise been eligible. By not responding you could incur a fine of up to $5,000 per violation. These fines can be pursued against you personally even if you choose not to respond or update your filings.

For more information on your campaign forms, visit our website at www.fppc.ca.gov. If you have any questions regarding this letter or your filing obligations, please contact me at (916)327-2018 or Trindahl@fppc.ca.gov.

Good afternoon Mr. Gau,

I just left you a voicemail, but wanted to follow up by email as well. I have two FPPC cases regarding you and your committee, the I-Chinese American Political Action Committee.

The committee has not filed its semi-annual campaign statements (Form 460) for the periods of January 1, 2015 through June 30, 2015; July 1, 2015 through December 31, 2015; and January 1, 2016 through June 30, 2016. We need the committee to either file those statements electronically or file termination paperwork (Form 410).

In addition, active campaign committees are required to pay a $50 annual fee to the Secretary of State until the committee is terminated. Your committee has not paid its fees from 2013 through 2016, and the Secretary of State assesses a $150 penalty on top of the $50 fee when the payment is late. If you meant to terminate at the end of 2014, then the committee would owe annual fees and penalties for 2013 and 2014, but right now we are working under the assumption that you do not want to terminate (either at the end of 2014 or now). Therefore, we will need the committee to pay its annual fees and penalties.

Please let me know if you plan to keep the committee active or if you will terminate. I can send the paperwork and information to pay the annual fees and penalties if you need it, whether or not you would like to terminate, and provide assistance with the campaign statement filing. If I do not hear from you within a week, I will need to move the case to the next step of the administrative process, but it will be much less complicated to sort everything out now.

Thank you for your prompt attention to this matter.

Amanda

NOTICE OF INTENT TO ENTER DEFAULT DECISION AND ORDER

Re: FPPC Nos. 15/661 and 16/379
In the Matter of I-Chinese American Political Action Committee and Victor Gau

Dear Mr. Gau:

Enclosed please find a copy of the Default Decision and Order, and accompanying Exhibit and attachments, for the above-referenced matter. The Fair Political Practices Commission (the "Commission") will consider these papers at its public meeting on March 16, 2017, and decide whether to impose the maximum administrative penalty of $35,000 against you.

You were previously served on October 3, 2016 with a Report in Support of a Finding of Probable Cause ("Probable Cause Report"), advising you of your right to request a probable cause conference or submit a written response to the Probable Cause Report. You did not request a probable cause conference, nor did you submit anything in writing for the Commission’s Hearing Officer to consider in his determination of probable cause.

Following the issuance of the Probable Cause Report, the Commission’s Hearing Officer found probable cause that you committed seven violations of the Political Reform Act. Thereafter, the Commission’s Chief of Enforcement issued an Accusation against you on these violations. The Accusation was personally served on you on January 26, 2017. Under the law, you have therefore received adequate notice of these proceedings and the action filed against you. Under the Administrative Procedure Act, you were required to file your Notices of Defense within 15 days after service of the Accusation. You failed to file the Notices of Defense forms. As such, your right to an administrative hearing on this matter has been forfeited, and you are in a default position.

You may, but you are not required to, provide a response brief, along with any supporting materials, no later than five calendar days before the Commission hearing at which the default is
scheduled to be heard. Your response brief must be served on the Commission Assistant, at the above address.

At its public meeting on March 16, 2017, the Commission may impose an administrative penalty against you in the amount of $35,000, the maximum penalty for the seven violations.

Following the issuance of the default order and imposition of the administrative penalty, we will commence legal proceedings to collect this fine, which may include converting the Commission’s order to a court judgment. Please be advised that administrative penalties for violations of the Political Reform Act cannot be discharged in bankruptcy proceedings.

This letter is your last opportunity to resolve this matter informally by way of a stipulated settlement, before the default proceedings are commenced. If we do not reach a resolution, the enclosed documents will be placed on the Commission’s agenda for the March 16, 2017 meeting. Please contact me at (916) 322-7771 or akelly@fppc.ca.gov if you wish to enter into a negotiated settlement.

Sincerely,

Amanda Kelly
