Re: Your Request for Advice  
Our File No. I-86-047

Dear Mr. Frederick:

This is in response to your letter, dated February 6, 1986, requesting informal advice regarding the disclosure requirements of the Political Reform Act.<sup>1/</sup>

## FACTS

Your law firm has a contract with the City of Manteca for the purpose of providing legal services to the City. One attorney in your firm has been designated as the City Attorney. The other two attorneys in the firm also handle legal issues for the City and are in contact with City officials on almost a daily basis. These attorneys are involved in giving legal advice on both general and specific issues.

The City of Manteca's conflict of interest code includes among the positions required to file a Statement of Economic Interests, "Assistant City Attorney"; however, neither of the attorneys carry this title.

## QUESTIONS

You wish to know whether the two staff attorneys are required to file annual Statements of Economic Interests.

---

<sup>1/</sup> Government Code Sections 81000-91015. All statutory references are to the Government Code unless otherwise indicated.

### CONCLUSION

Both of the staff attorneys are required to file annual Statements of Economic Interests.

### ANALYSIS

In its conflict of interest code, each agency must designate those positions that involve the making of, or participation in, decisions which may foreseeably affect any financial interest. Section 87302. Both the definitions of "designated employee" and "public official" in the Act include any consultants to an agency who make or participate in such agency decisions. Sections 82019 and 82048.

A "consultant," within the meaning of the Act, includes "any natural person who provides, under contract, information, advice, recommendation or counsel to a state or local government agency...." 2 Cal. Adm. Code Section 18700(a)(2). This term does not include, however, a person who:

(A) Conducts research and arrives at conclusions with respect to his or her rendition of information, advice, recommendation or counsel independent of the control and direction of the agency or of any agency official, other than normal contract monitoring; and

(B) Possesses no authority with respect to any agency decision beyond the rendition of information, advice, recommendation or counsel.

2 Cal. Adm. Code Section  
18700(a)(2)(A) and (B).

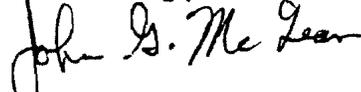

When an attorney is hired under a contract to perform legal services for a specific matter (e.g., a particular piece of litigation), he ordinarily comes within this exemption. Essentially, the attorney is being called upon to deliver a finished product and not to participate in or advise the City on general governmental decisions requiring legal expertise.

On the other hand, when an attorney provides general advice and counsel to the City on a continuing basis (as do the attorneys in your law firm), it is the Commission's view that the attorney is a consultant within the meaning of the Act. As such, the attorney must file the appropriate Statements of Economic Interests.

RE: Statement of Economic Interest  
Written Opinion Requested

Dear Sir/Madam:

This office is a private law firm. One of its clients is the City of Manteca. John D. Brinton, Esq. is designated as the City Attorney pursuant to a contract between our firm and the City.

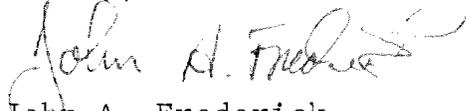

In addition to Mr. Brinton, the other two attorneys on our staff handle a multitude of issues for the City. They are in contact with city officials on almost a daily basis. Said contact involves giving legal advise on both general and specific issues. One of the attorneys acts as legal counsel to the City's planning commission. However, aside from Mr. Brinton, none of the attorneys carries a title (e.g. assistant city attorney, deputy city attorney).

The City of Manteca's Conflict of Interest Code includes among the positions required to file a Statement of Economic Interest - "Assistant City Attorney."

Query: Are either one of the two staff attorneys required, by either FPPC rules or the local conflict of interest code, to file annual Statements of Economic Interest?

Yours truly,

Re: Your Request for Advice  
Our File No. A-86-048

Dear Mr. Eiser:

You have written requesting advice on behalf of three members of the City Council of National City. The matter before the City Council is a proposal to amend certain zoning provisions of the National City Municipal Code. The facts as provided in your letters of February 6, 1986 and April 7, 1986 are as follows:

## FACTS

The City Council of National City is currently considering a proposal to amend certain zoning provisions of the National City Municipal Code. The proposal would only have a direct effect only upon properties zoned for "industrial" use. The proposed zoning changes establish a minimum lot size for automotive and truck repair service establishments located within the City's industrial zones. The proposal also requires the issuance of a conditional use permit for these types of uses and increases the ratio of off-street parking required for them. In addition, the proposal increases the ratio of off-street parking required for most other uses located within the industrial zones, and bans from the industrial zones metal buildings that are not architecturally designed. The amendments will affect future development and in most cases will not be retroactively enforced for existing uses.

The proposed amendments apply to industrial zones throughout the City. However, automotive and other light industrial uses in the City are most heavily concentrated in an area commonly referred to as the "West Side." The West Side is an area of approximately 0.36 square miles, bounded by 8th Street on the north, 30th Street on the south, Interstate 5 on the west and National City Boulevard on the east. Because of the high concentration of the aforementioned types of uses on

George H. Eiser, III  
May 5, 1986  
Page 2

the West Side, the proposed amendments to the Municipal Code will have a greater potential effect on properties located in that area.<sup>1/</sup>

The City of National City is a general law city with a five member city council comprised of Mayor Kile Morgan, Vice Mayor Jessie E. Van Deventer, Councilman Marion F. Cooper, Councilman Michael Dalla, and Councilman George H. Waters.

Mayor Kile Morgan has the following financial interests in National City:

(1) A fee interest in real property located at 108 West 8th Street. The value of the property is greater than \$100,000. The property is located across the street from the Northern boundary of the area referred to as the West Side. The property is ground leased by the Mayor to the Standard Oil Company, and is improved with a Chevron service station. The Mayor receives annual rental income of between \$1,000 and \$10,000 from Standard Oil Company based on a percentage of gasoline sold at the service station.

(2) A fee interest in real property located at 1900 Plaza Boulevard, which is leased to Jimmy's Family Restaurants. The value of this property is greater than \$100,000. The property is improved with a family style restaurant. The Mayor receives annual rental income from this property, based on a percentage of gross sales, of between \$10,000 and \$100,000.

(3) A fee interest in real property located at 635 East 16th Street, which has a value of between \$10,000 and \$100,000. This property is improved with a residence, and is a source of income to the Mayor of between \$1,000 and \$10,000 annually.

(4) A fee interest in an unimproved parcel of real property located at 1850 Plaza Boulevard, with a value of over \$100,000.

Vice-Mayor Jessie E. Van Deventer owns the following financial interests in National City:

---

<sup>1/</sup> It should be noted that you have provided the Commission with a detailed map showing the zoning of the entire City of National City and the location of each of the real properties in which the officials have a financial interest.

(1) Equity in real property located at 2749 Wilma Street, improved with a residence, and having a value of between \$1,000 and \$10,000.

(2) A deed of trust in real property located at 2965 Ridgeway Drive, improved with a residence and having a value of between \$1,000 and \$10,000.

(3) Equity in real property located at 106 East 17th Street, improved with a commercial structure and having a value of over \$100,000. This property is rented to B&W Auto Parts, Inc., and produces an annual income of between \$1,000 and \$10,000.

(4) Equity in real property located at 842 Broadway, Chula Vista, improved with a commercial structure and having a value of between \$10,000 and \$100,000. This property is also rented to B&W Auto Parts, Inc., and produces an annual income of between \$10,000 and \$100,000.

(5) Equity in real property located at 34 East 17th Street, improved with a commercial structure and having a value of greater than \$100,000. This property is also rented to B&W Auto Parts, Inc., and produced income in excess of \$10,000 during the previous 12 months.

(6) Equity in real property located at 41 East 18th Street, improved with a commercial structure and having a value of greater than \$100,000. This property is rented to Southland Clutch Company and produces an annual income of between \$10,000 and \$100,000.

(7) Equity in real property located at 25 East 17th Street, improved with a commercial structure and having a value of greater than \$100,000. This property is rented to Bush Power Brake and produces an annual income in excess of \$10,000.

(8) Equity in real property located at 115 East 17th Street, improved with a commercial structure and having a value of between \$1,000 and \$100,000. This property is rented to Rollies Service Center and produces an annual income of between \$10,000 and \$100,000.

(9) Equity in real property located at 115 East 18th Street, improved with a commercial structure and having a value of between \$10,000 and \$100,000. This property is rented to Sikkens Car Refinishers and produces an annual income of between \$10,000 and \$100,000.

(10) Equity in real property located at 110 East 16th Street, improved with a commercial structure and having a value of between \$10,000 and \$100,000. This property is rented to Painters' Supply and produces an annual income of between \$1,000 and \$10,000.

During the past 12 months, Vice-Mayor Van Deventer has also owned common stock in B&W Auto Parts, Inc., valued in excess of \$100,000. This stock was sold on July 1, 1985 to B&W Auto Parts, Inc., and an individual. In payment for the stock, Mr. Van Deventer took a promissory note for an amount in excess of \$100,000. Mr. Van Deventer receives payments under this promissory note of between \$10,000 and \$100,000 per year. B&W Auto Parts, Inc., owns 100% of the stock in the following entities: B&W Machine Shop, California Auto Supply, Coronado Auto Parts, Convoy Auto Parts, and Motor Parts of San Diego, none of which will be affected by this proposal. The individual debtor on the promissory note owns a partnership interest in 34 East 17th Street, which may be affected by the zoning.

Lastly, during the past 12 months, Mr. Van Deventer has been involved in the construction of buildings on the West Side in his capacity as a building contractor. The buildings constructed to date have been for other than automotive uses.

Councilman Marion F. Cooper owns the following financial interests in National City:

(1) Equity in real property located at 126 East 9th Street, improved with a residence, and having a value of between \$1,000 and \$10,000. This property is rented to an individual and produces an annual income of between \$1,000 and \$10,000. The fair market value of this property is estimated to be \$60,000.

(2) Equity in real property located at 132 East 9th Street, improved with a residence, and having a value of between \$1,000 and \$10,000. This property is rented to an individual and produces an annual income of between \$1,000 and \$10,000. The fair market value of this property is estimated to be \$60,000.

(3) Equity in real property located at 140 East 9th Street, improved with a residence, and having a value of between \$1,000 and \$10,000. This property is rented to an individual and produces an annual income of between \$1,000

George H. Eiser, III

and \$10,000. The fair market value of this property is estimated to be \$60,000.

(4) A fee interest in real property located at 1238 Roosevelt Avenue, improved with a commercial structure, and having a value of between \$10,000 and \$100,000. This property is rented to Cooper's Plumbing and Heating, Inc., and produces an annual income over \$10,000. This property is located within the area designated as the West Side. Additionally, Cooper's Heating and Plumbing was a source of income to Mr. Cooper of between \$1,000 and \$10,000 during the previous 12 months, due to the sale of this business entity by Mr. Cooper approximately three years ago.

(5) A fee interest in real property located at 101 W. Civic Center Drive, improved with a residence, and having a value of between \$10,000 and \$100,000. This property is rented to an individual and produces an annual income of over \$10,000. This property is located within the area designated as the West Side.

(6) A fee interest in real property located at 121 W. Civic Center Drive, improved with a residence, and having a value of between \$10,000 and \$100,000. This property is rented to an individual and produces an annual income of between \$1,000 and \$10,000. This property is located within the area designated as the West Side.

Councilman Cooper's investments include the ownership of shares of corporate stock, unconnected with National City.

#### QUESTIONS

You have requested formal written advice from the staff on the following issues:

1. Based on the facts provided, are Mayor Morgan, Vice-Mayor Van Deventer or Councilman Cooper disqualified from participating in the decision on the proposed zoning change?

2. Assuming that a sufficient number of the councilmembers are disqualified, such that there is no quorum, what procedure should be followed?

ANALYSIS

The Political Reform Act (the "Act")<sup>2/</sup> requires that public officials disqualify themselves from making or in any way participating in any decision in which they have a financial interest. Section 87100. An official has a financial interest in a decision if the decision will have a reasonably foreseeable material financial effect, distinguishable from its effect on the public generally, on the official or a member of his or her immediate family or on:

(a) Any business entity in which the public official has a direct or indirect investment worth one thousand dollars (\$1,000) or more.

(b) Any real property in which the public official has a direct or indirect interest worth one thousand dollars (\$1,000) or more.

(c) Any source of income, other than gifts and other than loans by a commercial lending institution in the regular course of business on terms available to the public without regard to official status, aggregating two hundred fifty dollars (\$250) or more in value provided to, received by or promised to the public official within 12 months prior to the time when the decision is made.

(d) Any business entity in which the public official is a director, officer, partner, trustee, employee, or holds any position of management.

(e) Any donor of, or any intermediary or agent for a donor of, a gift or gifts aggregating two hundred fifty dollars (\$250) or more in value provided to, received by, or promised to the public official within 12 months prior to the time when the decision is made.

Section 87103(a)-(e).

The Commission has adopted regulations which specify when the reasonably foreseeable effect of a decision will be

---

<sup>2/</sup> Government Code Sections 81000-91015. All statutory references are to the Government Code unless otherwise indicated.

considered material. These regulations are contained in 2 Cal. Adm. Code Sections 18702, 18702.1 and 18702.2 (copies enclosed), and set forth different tests depending upon the type of financial interest affected.<sup>3/</sup>

#### Mayor Morgan

With respect to Mayor Morgan's financial interests, it appears that with the exception of the property located at 108 West 8th Street, none of the properties in which Mayor Morgan holds an interest are of the type of use or located near enough to the areas to be affected by this decision, that they may trigger the need for disqualification. With respect to the property at 108 West 8th Street, Mr. Morgan has a real property interest and Standard Oil is a source of income to him. Accordingly, Mr. Morgan may not participate in any decision which will have a material financial effect on the real property or on Standard Oil. In determining whether his disqualification is required, Mr. Morgan must review the regulations and the specific facts in order to determine whether these interests could be materially affected by the zoning change.

#### Vice-Mayor Van Deventer

Vice-Mayor Van Deventer owns several real property interests located within one block of the West Side. In addition, he has several sources of income which appear to be engaged in auto repair. While there would be no direct foreseeable effects on Mr. Van Deventer's financial interests because they are not located in the area which is to be rezoned, if it is reasonably foreseeable that these interests will be indirectly affected materially by the zoning amendments, Mr. Van Deventer's disqualification will be required. For example, if it is reasonably foreseeable that the ordinance will materially benefit his sources of income by inhibiting competition, then Mr. Van Deventer must disqualify himself from participating in the rezoning decisions.

Mr. Van Deventer is also a building contractor and has been involved in the construction of buildings on the West Side.

---

<sup>3/</sup> The Commission is also considering adopting a new regulation which would further define materiality for certain types of decisions affecting real property. See enclosed draft regulation 2 Cal. Adm. Code Section 18702.4. The date for public hearing on this regulation will be announced in the Commission's agenda which is published in the FPPC Bulletin.

George H. Eiser, III  
May 5, 1986  
Page 8

Assuming that the persons or companies for whom he constructed these buildings are sources of income to him,<sup>4/</sup> he must disqualify himself if the proposal will materially affect any of them.<sup>5/</sup> This determination can be made after examining the regulations and the specific facts.

It does not appear that Mr. Van Deventer's other interests will give rise to a conflict on the proposed change.

#### Councilmember Cooper

Councilmember Cooper owns three pieces of real property located within the area to be zoned. Commission Regulation 18702.1(a)(3) prohibits a public official from participating in a decision concerning the zoning of real property in which the official has an interest of \$1,000 or more. Accordingly, Councilmember Cooper may not participate in the decision regarding the proposed zoning changes unless the affect of the decision on these real property interests would not be distinguishable from the effect on the public generally.

The effect of a decision on an officials' interests is distinguishable from its effect on the public generally unless the decision will affect the officials' interest in substantially the same manner as it will affect a significant segment of the public. 2 Cal. Adm. Code Section 18703.

In determining whether an effect upon an officials' economic interest will be "substantially" the same as an effect upon a "significant segment" of the public, it must first be determined what group is affected in substantially the same manner as the officials' economic interest. See, Legan Opinion, 9 FPPC Opinions 1, No. 85-001, August 20, 1985, copy enclosed. That group must be analyzed to determine if it is both large in number and heterogenous in quality as required in order for a group to constitute a "significant segment of the public." See, Ferraro Opinion, 4 FPPC Opinions 62, at 67, No. 78-009, Nov. 7, 1978, copy enclosed.

---

<sup>4/</sup> These clients are sources of income to Mr. Van Deventer if he owns 10% or more of the construction company and if his pro rata share of the income received from a client is \$250 or more during the 12 month period preceding the decision. (Section 82030.)

<sup>5/</sup> Sources of income which involve nonautomotive uses may also be directly or indirectly affected by the proposal.

George H. Eiser, III  
May 5, 1986  
Page 9

One of Councilman Cooper's interests is a parcel of real property located in the area to be rezoned. The property is improved with a commercial structure and is rented to Cooper's Plumbing and Heating, Inc. Under the rezoning proposal, one major effect would be to modify parking requirements for this type of use. However, the modification would be different from the modification to parking requirements for many other types of businesses including wholesale and distribution, warehouse and storage, scrap metal processing, lumber storage yards, certain types of manufacturing and industrial uses, and automotive related businesses. Given the many varying types of businesses to be affected and the many varying types of effects, we conclude that there is no group of landowners who will be affected in substantially the same manner as Councilman Cooper and which has the numerical size or heterogeneity to constitute a significant segment of the public within the meaning of 2 Cal. Adm. Code Section 18703.

#### Legally Required Participation

With regard to your second question, the Commission has adopted a published Opinion detailing the procedure to be followed in a situation in which there is no quorum due to disqualification. See, Hudson Opinion, 4 FPPC Opinions 13, No. 77-007, February 7, 1978, copy enclosed. Basically, the Hudson Opinion allows the City to draw back a sufficient number of the disqualified councilmembers to constitute a quorum. An official drawn back under this procedure may vote on the decision as if disqualification had not occurred. See, Brown Opinion, 4 FPPC Opinions 19, at 25, No. 77-024, February 7, 1978, copy enclosed.

If an ordinance requires three votes for adoption and three councilmembers constitute a quorum, the ordinance must be adopted unanimously. Additional disqualified members cannot be drawn back in order to obtain the necessary three votes. See, Brown Opinion, supra.

Re: Request for Written Advice;  
Supplemental Information

Dear Mr. McLean:

By letter of March 14, 1986, you asked for additional information in order to respond to my request for written advice of February 6, 1986. I have responded below to each of your inquiries in the order in which they were presented.

1. Q: With regard to Mayor Morgan's interest in Highland Investments, Inc., are there any real property interests held by Highland Investments or its sources of income which may be affected by the zoning amendments?

A: The only real property potentially affected by the proposed zoning amendments and owned by Highland Investments, Inc. is property located at 341 East 18th Street. Mayor Morgan has indicated on his annual statement of economic interests for the period January 1 through December 31, 1985, that he disposed of his stock in Highland Investments, Inc. on January 2, 1985.

2. Q: You indicated in your request for advice that on July 1, 1985, Vice-Mayor Van Deventer sold common stock valued in excess of \$100,000 to B&W Auto Parts, Inc., and an individual. As part of the sale, Mr. Van Deventer took a promissory note from which he receives income of between \$10,000 and \$100,000 per year. In this regard, are there any real property interests held by the individual, B&W Auto Parts, Inc., or its subsidiaries which may be affected by the zoning amendments?

A: The individual owns a partnership interest in 34 East 17th Street which may be affected by the zoning.

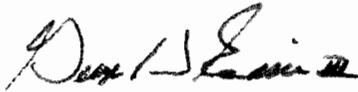

April 7, 1986  
Page Two

3. Q: What are the fair market values of the properties located on East 9th Street which are owned by Councilmember Cooper?

A: The fair market value of the three properties located on East 9th Street is estimated to be \$60,000 each.

Please contact me if I can be of further assistance.

Re: Request for Written Advice

Dear Ms. Donovan:

On behalf of National City Mayor Kile Morgan, Vice-Mayor Jessie E. Van Deventer, and Councilman Marion F. Cooper, written advice is hereby requested pursuant to Government Code Section 83114(b).

FACTUAL BACKGROUND

The City of National City is located in southern San Diego County. The City has a population of approximately 55,000, and is 8.55 square miles in area. The City is bounded by the City of San Diego on the North, the City of Chula Vista on the South, the Pacific Ocean on the West, and the County of San Diego on the East.

A proposal has been initiated and approved by the City's Planning Commission to extensively amend the zoning provisions of the National City Municipal Code. The Municipal Code amendments, if adopted, would apply city-wide. The proposed amendments are intended to modify existing regulations, and impose new regulations, primarily for automotive and truck repair establishments, and similar uses located within manufacturing and industrial zones within the City. (Copies of the proposed regulations are attached hereto as Exhibit "A").

Automotive and other light industrial uses in the City are most heavily concentrated in an area commonly referred to as the "West Side". The West Side is an area of approximately .36 square miles, bounded by 8th Street on the North, 30th Street on the South, Interstate 5 on the West and National City Boulevard on the East. A map indicating the boundaries of the West Side is attached hereto as Exhibit "B". Because of the high concentration of the aforementioned types of uses on the West Side, the proposed amendments to the Municipal Code would have a greater potential effect on properties located in that area as a whole.

The City of National City is a general law city with a five member city council comprised of Mayor Kile Morgan, Vice Mayor Jessie E. Van Deventer, Councilman Marion F. Cooper, Councilman Michael Dalla, and Councilman George H. Waters.

Mayor Kile Morgan has the following financial interests in National City:

1) A fee interest in real property located at 108 West Eighth Street. The value of the property is greater than \$100,000. The property is located across the street from the Northern boundary of the area referred to as the West Side. The real property is ground leased by the Mayor to the Standard Oil Company, and is improved with a Chevron service station. The Mayor receives annual rental income of between \$1,000 and \$10,000 from Standard Oil Company based on a percentage of gasoline sold at the service station. 2) A fee interest in real property located at 1900 Plaza Boulevard, which is leased to Jimmy's Family Restaurants. The value of this property is greater than \$100,000. The property is improved with a family style restaurant. The Mayor receives annual rental income from this property, based on a percentage of gross sales, of between \$10,000 and \$100,000. 3) A fee interest in real property located at 635 East 16th Street, which has a value of between \$10,000 and \$100,000. This property is improved with a residence, and is a source of income to the Mayor of between \$1,000 and \$10,000 annually. 3) A fee interest in an unimproved parcel of real property located at 1850 Plaza Boulevard, with a value of over \$100,000.

Lastly, the Mayor owns common stock in Highland Investments Inc., 341 East 18th Street, National City. The value of the stock is between \$10,001 and \$100,000, and represents a 10% or greater ownership interest.

Vice-Mayor Jessie E. Van Deventer owns the following financial interests in National City:

ISSUES PRESENTED

- 1) Are Mayor Morgan, Vice-Mayor Van Deventer, or Councilman Cooper precluded from participating in the process of amending the zoning provisions of the National City Municipal Code by virtue of the financial interests discussed above?
- 2) If all of the above officials are precluded from participating in this decision due to their financial interests, can one of them be present when the decision is made in order to constitute a quorum under Government Code Section 87101?
- 3) If the response to the preceding question is affirmative, may the official who is present participate in the making of the decision?
- 4) Under Section 1.04.010 of the National City Municipal Code the proposed zoning amendments must be enacted by ordinance. Section 36936 of the Government Code provides that ordinances must be passed by three votes. Assuming that it becomes necessary to invoke Government Code Section 87101 to constitute a quorum, but that there are only two votes in favor of taking the proposed action, may Section 87101 be invoked again to permit additional members to be present and/or participate?

Very truly yours,

## EVALUATION (IS-85-68)

The project consists of an amendment to Title 18 (Zoning) of the Municipal Code to establish a minimum lot size for automotive and truck repair service establishments located within the manufacturing and industrial zones. As proposed the amendment will require the issuance of a conditional use permit for these types of uses and increase the ratio of off-street parking required for them. In addition, the amendment proposes to increase the ratio of off-street parking required for other uses located within the manufacturing and industrial zones, except the MH (Manufacturing-Heavy) zone, and bans metal buildings that are not architecturally designed in the industrial zones.

The code amendment is being proposed as a result of a study conducted regarding code violations and various land use problems within the industrial and manufacturing zone. The study found that many businesses did not have sufficient parking on-site which results in employees parking on the street. Automotive related uses also typically store vehicles awaiting repair on the street (because of lack of space for storage on-site). Not only does these result in unsightly vehicles being stored on the street it has also caused a parking problem for both businesses and residents in these areas.

The proposed amendment will help to alleviate the existing traffic and parking problem in the industrial and manufacturing areas. It will also help to alleviate the aesthetic impact of vehicles in disrepair being parking within view on the street as well as the aesthetic impact of poorly designed metal buildings. These proposed regulations will affect future development and in most cases will not be retroactively enforced for existing uses.

The project site is City Wide. Currently the industrial and manufacturing zones are located predominately to the west of National City Boulevard from south of 8th Street to the southern boundary of the City. No additional area is proposed to be rezoned to industrial at this time, however, if in the future additional acreage outside of the area described above is rezoned to industrial/manufacturing the proposed regulations would apply to them. For this reason the project site is considered to be City Wide.

The Code Amendment is intended to alleviate existing problems and will not have an adverse impact on the environment. No physical development is proposed as part of the amendment so there will not be an adverse impact on land formation, erosion, sedimentation, flora or fauna. The project will not result in a lack of privacy or increase the rate of development in the area. City services are not impacted by the proposed amendment.

Warehouse and storage

6 spaces, plus 1 space for each 2 employees and 1 space for visitor parking.

9. Add a new Section 18.18.320 to read as follows:

Section 18.18.320 Uses to be adequately housed in completely enclosed buildings.

All uses in the manufacturing zones shall be adequately housed in completely enclosed buildings; provided, however, that businesses such as lumber yards, building material yards, metal processing yards, auto and truck dealers, storage lots, and similar uses (as determined by the planning director per Section 18.104.030) that customarily include outdoor use, may be permitted outside of a completely enclosed building.

5. Amend Section 18.18.240A to read as follows:

Section 18.18.240 Building aesthetics and materials.

A. In the manufacturing zones, all buildings and structures shall be constructed of stucco, plaster, masonry, concrete, rock, wood, and/or metal, and shall have an integrated color or painted exterior. All metal buildings shall have the architectural appearance of conventionally built structures and an exterior surface that includes either stucco, plaster, glass, stone, wood, brick, decorative masonry or wood sheathing.

6. Amend Section 18.18.260 to read as follows:

Section 18.18.260 Off-Street Parking.

A. Automobile and truck parking or loading areas in any manufacturing zone, shall not be fenced-off or located in any front or exterior side yard setback.

7. Amend Section 18.58.290 to read as follows:

Section 18.58.290 Schedule of parking requirements - Business and Commercial Uses.

The following is the schedule of off-street parking requirements for business and commercial uses:

Structures and Uses

Off-Street Parking Required

Automobile, truck, boat, camper trailer, or similar vehicle sales, rental or service establishment located in the Commercial zones.

1 space for each 2 employees of the shift of maximum employment, plus 1 space for each vehicle used in conjunction with the use.

Automobile and truck repair service establishments located within the Manufacturing and Industrial zones.

1 space for every 500 sq.ft. or fraction thereof, or gross floor area, plus 1 space for each service vehicle used in conjunction with the business; and, an area of not less than 1,000 nor more than 2,000 sq.ft., surfaced and enclosed within a decorative masonry wall not less than six feet in height, for the parking and/or storage of vehicles pending repair, service and/or disposition of insurance claims.

ATTACHMENT 1

CODE AMENDMENTS

1. Amend Section 18.16.340 A1 to read as follows:

*Does this apply only in industrial area?*

A.1. Metal buildings must have the architectural appearance of conventionally built structures and an exterior surface that includes either stucco, plaster, glass, stone, wood, brick, decorative masonry or wood sheathing, may be allowed.

2. Add a new Section 18.18.115 to read as follows:

Section 18.18.115 Automobile and truck repair establishments.

Automobile and truck repair service establishments having a minimum lot area of 10,000 square feet, may be permitted in the manufacturing and industrial zones subject to issuance of a conditional use permit.

3. Amend Section 18.18.190 to read as follows:

Section 18.18.190 Lot Area.

*Does this apply only in industrial area?*

Minimum lot area shall be five thousand square feet, except automobile service stations shall have a minimum lot area of fifteen thousand square feet, and automobile and truck repair service establishments shall have a minimum lot area 10,000 square feet. With the approval of a subdivision map, the City Council, upon recommendation of the Planning Commission, may allow lots or parcels having less than the required area, provided that the land is part of an adopted planned development permit that specifically identifies all such parcels having reduced area.

4. Add to Section 18.18.230 a new sub-section "B" to read as follows:

B. In all manufacturing zones, when overhead doors are provided in a building wall located adjacent to either a setback line or property line facing a street, a distance of not less than twenty-feet shall be provided between the building wall with overhead doors and the streetside setback line or property line.

**Important Notice To Filers:** The Political Reform Act is intended to prevent conflicts of interests by requiring public officials such as yourself to disclose financial interests which could foreseeably cause conflicts. In addition, as a public official, you may be required to disqualify yourself from making, participating in, or attempting to influence any governmental decision which will affect your financial interests, including those you are required to report on this Statement. The Fair Political Practices Commission's *Guide to the Political Reform Act: California's Conflict of Interest Law for Public Officials* explains what a conflict of interest is, and when disqualification is required by law. Failure to file your Statement before the filing deadline may result in penalties including but not limited to late fines. This statement is a public document open for inspection and reproduction by any person.

Re: Your Request for Advice  
Our File No. A-86-048

Dear Mr. Eiser:

I am writing to confirm our March 13 conversation regarding the above-mentioned request for advice. As I indicated, we are requesting that you provide us with additional information on the following topics:

1. With regard to Mayor Morgan's interest in Highland Investments, Inc., are there any real property interests held by Highland Investments or its sources of income which may be affected by the zoning amendments?
2. You indicated in your request for advice that on July 1, 1985, Vice-Mayor Van Deventer sold common stock valued in excess of \$100,000 to B&W Auto Parts, Inc., and an individual. As part of the sale, Mr. Van Deventer took a promissory note from which he receives income of between \$10,000 and \$100,000 per year. In this regard, are there any real property interests held by the individual, B&W Auto Parts, Inc., or its subsidiaries which may be affected by the zoning amendments?
3. What are the fair market values of the properties located on East 9th Street which are owned by Councilmember Cooper?

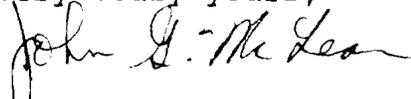

Pending our receipt of this additional information, you have agreed to extend our deadline for responding to your
