Re: Your Request for Advice  
Our File No. 88-355

Dear Mr. Pulaski:

Your letter requesting advice concerning the recently enacted campaign finance reform initiatives (Government Code Section 85100, et seq.) was received on September 9, 1988 by the Fair Political Practices Commission. If you have any questions about your advice request, you may contact John McLean, an attorney in the Legal Division, directly at (916) 322-5901.

Because of the delayed operative date of most of the provisions of these initiatives, and the numerous inquiries we are receiving relative to implementation, we are attempting to respond to questions regarding interpretation in an organized and efficient fashion. Due to the volume of requests and complexity of the issues involved, we will answer your question in a timely manner, but not within the usual twenty-one working days. (Government Code Section 83114(b).)

If more information is needed, the person assigned to prepare a response to your request will contact you shortly to advise you as to information needed. You also should be aware that your letter and our response are public records which may be disclosed to the public upon receipt of a proper request for disclosure.

Very truly yours,

  
Gregory W. Baugher

Gentlemen:

Please send us advice regarding the application of new regulations per passage of June ballot measures on Political Action Committees as it pertains to our organization.

We are an independent recipient labor committee.  
(I. D. No. 743-614).

Specifically, must we spend all funds in the year they were raised?

I would appreciate a written response as soon as possible. Thank you.

Very truly yours

Spoke today with Art Pulaski, Executive Secretary of the San Mateo County Central Labor Council. Explained the segregation process established by regs. 18536 et. seq. and told him I would send the regs. He indicated that if I would send the regs., he would not need any further written response.
