Our File No. I-89-645

Dear Ms. Washington:

This is to confirm telephone advice provided to your office on November 3, 1989, regarding the campaign disclosure provisions of the Political Reform Act (the "Act").[1] This letter constitutes written advice under Section 84205.

Section 84205 states:

The Commission may by regulation or written advice permit candidates and committees to file campaign statements combining statements and reports required to be filed by this title.

The City of Watsonville's November 7, 1989, election has been moved to December 5, 1989 because of the recent earthquake. This postponement of the election will necessitate the filing of an additional pre-election statement which will cover through the 17th day before the December 5 election. You have advised me that some candidates and committees filed statements on the original deadline for filing a second pre-election statements in connection with the November 7 election, which was due on October 26, 1989. We are advising that you not assess penalties to anyone who did not file that statement or filed it late. Candidates and committees which have not yet filed that statement should combine their 2nd pre-election statement with the additional pre-election statement. Those candidates and committees which did file the 2nd pre-election statement due October 26 should also file the additional pre-election statement due November 23, 1989.

Re: Our File No. I-89-645

Dear Ms. Washington:

This is to confirm telephone advice provided to a member of your staff on November 27, 1989 regarding my letter dated November 20, 1989. The letter contains a typographical error in the section headed "Schedule for filers who filed the 2nd Pre-Election statement due on October 26, 1989." The letter incorrectly indicates that the period covered by the 1st Pre-Election statement is January 12 - September 23. It should have indicated that the period covered is January 1 - September 23. Please accept our apologies for any problems or inconvenience this error may have caused.

If you have any questions regarding the above, please do not hesitate to contact me at (916) 322-5662.
