Subject: Government Code 85202

Gentlemen:

Please provide clarification on Contributions to Candidates. On June 18, 1990 we spoke to Keith of your office. We asked whether a candidate can accept contributions for a specific candidacy and then, should the individual decide to run for a different office, transfer the funds from one account to a different campaign fund. Keith responded that we could if a form 501, 502 were completed for each campaign account.

After referring to form 501, 502, and Government Code 85202 the above information seems to contradict the above information. Please clarify this question for us.

Thank you for your assistance in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'Mary Ann Saucedo', with a circular stamp or mark below it.

Mary Ann Saucedo
City Clerk
