RE: Warning Letter
FPPC Case No. 10/540; Yalun Chew

Dear Ms. Chew:

On December 7, 2010, we sent you a warning letter concerning a failure to file the 2009 Annual and Leaving Office Statements of Economic Interests in connection with your position with Department of Toxic Substances Control. In response to our letter, you provided a USPS return receipt confirmation that verified that the statements were filed prior to our letter to you.

Since you provided verification of your filing, we are rescinding our previous warning letter to you. Please feel free to contact Adrienne Korchmaros at (916) 322-8241 if you have any questions.

Sincerely,

Redacted
