Re: FPPC File No. 09/870; Curtis Earnest

Dear Mr. Earnest:

On December 16, 2009, the Enforcement Division of the Fair Political Practices Commission sent a letter to you alleging that you failed to disclose certain gifts on your 2008 Annual Statement of Economic Interests. We have now received your response.

In our letter, we advised you that you failed to disclose an alleged gift from the California Cable & Telecommunications Association. In your response to our letter, you provided a copy of a letter to Lori Crawford with the California Cable & Telecommunications Association advising that despite their report, you did not consume any food or beverages at the reception and asked that the records be corrected.

Based on your response, we are closing this case with no further action. If you have any questions, you may contact me at (916) 322-8194.

Sincerely,

(REDACTED)

Jeanette E. Turvill
Political Reform Consultant
