Democrats for Change and Bob Blumenfield for Assembly violated Section 85301(a), the Act's contribution limits.

The FPPC has completed its investigation of the complaint filed against Valley Democrats for Change and Bob Blumenfield for Assembly in the above-referenced matter. Our investigation has determined that there is insufficient evidence to determine that either committee committed a violation of the Act with respect to the above mentioned violation. Though it may have appeared that there was coordination between the two entities because family members and others close to Robert Blumenfield were involved in the Valley Democrats for Change committee, there is insufficient evidence of coordination between the committees. As a result of this finding of insufficient evidence that Valley Democrats for Change and Bob Blumenfield for Assembly's activity rose to the level of a violation of the Act, we are closing this case without taking any further action.

If you have any questions regarding this matter, please feel free to contact me at (916) 322-5660.

Sincerely,
