Warning Letter Re: FPPC No. 11/1104, Ugo Felizzola

Dear Ugo Felizzola:

The Fair Political Practices Commission (the "FPPC") enforces the provisions of the Political Reform Act (the "Act"),¹ found in Government Code section 81000, et seq. This letter is in response to a referral from the County of Los Angeles Registrar-Recorder that alleged that you failed to file your semiannual campaign disclosure statements.

The FPPC has completed its investigation of the facts in this case. Specifically, the FPPC found that you failed to file semiannual campaign statements for the following periods:

- January 1, 2011 through September 24, 2011
- September 25, 2011 through October 22, 2011

Section 84200 of the Act provides that elected officers, candidates, and committees shall file semiannual campaign statements. In addition to the campaign statements required by Section 84200, elected officers, candidates, and committees shall file pre-election statements as specified in Section 84200.5 by the deadlines set down in Section 84200.7.

Your actions violated the Act because you failed to file the aforementioned campaign statement by the specified deadline. However, since you did not win your election and you do not have a significant history of violations, we are closing your case with this warning letter. The information in this matter will be retained and may be considered should an enforcement action become necessary based on newly discovered information or future conduct. Failure to comply with the provisions of the Act in the future will result in monetary penalties of up to \$5,000 for each violation.

¹ The Political Reform Act is contained in Government Code sections 81000 through 91014. All statutory references are to the Government Code, unless otherwise indicated. The regulations of the Fair Political Practices Commission are contained in sections 18110 through 18997 of Title 2 of the California Code of Regulations. All regulatory references are to Title 2, Division 6 of the California Code of Regulations, unless otherwise indicated.

Although the FPPC is not seeking a penalty in the current matter, you are still required to immediately file any further outstanding statements with the California Secretary of State. You will be responsible for any late filing fees assessed by your filing officer. (§ 91013.)

A warning letter is an FPPC case resolution without administrative prosecution or fine. However, the warning letter resolution does not provide you with the opportunity for a probable cause hearing or hearing before an Administrative Law Judge or the Fair Political Practices Commission. If you wish to avail yourself of these proceedings by requesting that your case proceed with prosecution rather than a warning, please notify us within ten (10) days from the date of this letter. Upon this notification, the FPPC will rescind this warning letter and proceed with administrative prosecution of this case. If we do not receive such notification, this warning letter will be posted on the FPPC's website ten (10) days from the date of this letter.

The FPPC publishes forms and manuals to facilitate compliance with the provisions of the Act. If you need any of these publications, or guidance regarding your obligations, please call the FPPC's Technical Assistance Division at (866) 275-3772 or visit our website at www.fppc.ca.gov.

Should you have any questions regarding this letter, please contact Kyle Levy at (916) 322-8222.

Sincerely,
