**RE: FPPC No. 09/262; Lucille Kring**

Dear Council Member Kring:

The Fair Political Practices Commission ("Commission") enforces the provisions of the Political Reform Act (the "Act") found in Government Code Section 81000, and following. As you are aware, the Commission received a complaint against you alleging that on March 31, 2009, as a public official you made a governmental decision in which you had a financial interest in violation of Section 87100 of the Political Reform Act (the "Act").<sup>1</sup> Specifically, that you had a conflict of interest when you voted in favor of allocating at least \$24 million in tax revenue to Lake Development to allow the company to build a four-star luxury hotel near your business "Pop the Cork" in place of a planned three-star hotel.

We have determined that the evidence does not support prosecution of this matter because your economic interests in your business and in the leasehold in the property where you operate your business were indirectly involved in the governmental decision in which you participated. As a result, it does not appear that there was a reasonably foreseeable material financial effect on any of your economic interests as a result of the decision. Therefore, we are closing this case with this letter.

Sincerely,

REDACTED

Sukhi K. Brar  
Commission Counsel  
Enforcement Division
