Warning Letter: Case No. 13/1148; Jeff Boone for Supervisor, 2012; Jeff Boone; Angela Thompson

Dear Respondents:

The Fair Political Practices Commission (FPPC) enforces the provisions of the Political Reform Act (Act)<sup>1</sup>. This letter is in response to a non-filer enforcement referral from the Sutter County Clerk. The FPPC has completed its investigation and found that you failed to file semi-annual statements (Form 460) for the date range periods of January 1, 2013 through June 30, 2013 (due July 31, 2013) and July 1, 2013 through December 31, 2013 (Due January 31, 2014).

Section 84200 provides that candidates and committees must file semiannual campaign statements. Your actions violated the Act because you failed to file the abovementioned statements by the specified deadline. However, since your committee has been retroactively terminated, does not have an enforcement history, and you were unsuccessful in the election, we are closing your case with this warning letter. This information will be retained and may be considered should a future enforcement action become necessary.

Please note that any future failure to timely file your required statements will automatically be brought to our attention and will result in monetary penalties.

A warning letter is an FPPC case resolution without administrative prosecution; however, this resolution does not provide you with the opportunity for a probable cause or administrative hearing. If you wish to avail yourself of these proceedings by requesting that your case proceed with prosecution rather than a warning, please notify us within ten days from the date of this letter. Upon this notification, the FPPC will rescind this warning letter and proceed with administrative prosecution of your case. If we do not receive such notification, this warning letter will be posted on the FPPC's website.

Should you have any questions regarding this letter, contact Robert Nash at (916) 323-2689.
