Re: Closure Letter
FPPC Case No. 10/974; Steve Cooley

Dear Mr. Cooley:

The Fair Political Practices Commission ("Commission") enforces the provisions of the Political Reform Act (the "Act"). As you may be aware, the Commission received a complaint against you alleging violations of the gift provisions of the Act. Specifically, the complaint alleged that you failed to report gifts on your annual Statements of Economic Interests ("SEIs") and received gifts valued in excess of the gift limits imposed by the Act in Section 89503 while serving as the Los Angeles County District Attorney. During the course of our investigation, we reviewed the internal gift logs for the 2006 through 2010 calendar years, maintained by your office and provided in response to our investigation. After a full investigation, we found no violation of the Act. We appreciate your cooperation in our review of this matter and it is now considered closed.

If you have any questions regarding this letter, please feel free to contact me at 916-322-5660.

Sincerely,
