Warning Letter Re: FPPC No. 13/219; Deirdra Duncan

Dear Ms. Duncan:

The Fair Political Practices Commission ("FPPC") enforces the provisions of the Political Reform Act ("Act"),¹ found in Government Code section 81000, et seq. This letter is in response to a referral from the Los Angeles County that alleged you failed to file your committee's pre-election campaign disclosure statements.

The FPPC has completed its investigation of the facts in this case. Specifically, the FPPC found that you failed to file pre-election campaign statements for the following period(s):

- January 1, 2013 through January 19, 2013 (Due January 24, 2013)
- January 20, 2013 through February 16, 2013 (Due February 21, 2013)

Section 84200 of the Act provides that elected officers, candidates, and committees shall file semiannual campaign statements. In addition to the campaign statements required by section 84200, elected officers, candidates, and committees are required to file two preelection statements for the time periods and by the due dates as set forth in Sections 84200.7 and 84200.8. (§ 84200.5.)

Your actions violated the Act because you failed to file the aforementioned campaign statement(s) by the specified deadlines. However, since your committee does not have an enforcement history and you were unsuccessful in the election, we are closing your case with this warning letter. The information in this matter will be retained and may be considered should an enforcement action become necessary based on newly discovered information or future conduct. Failure to comply with the provisions of the Act in the future will result in monetary penalties of up to \$5,000 for each violation.

Although the FPPC is not seeking a penalty in the current matter, you are still required to immediately file all outstanding statements with the Los Angeles County and continue filing

them until you officially terminate your committee. You will be responsible for any late filing fees assessed by your filing officer. (§ 91013.)

If your committee is no longer active, you may want to terminate your committee at this time as well. Failure to do so is a violation of the Act. Please be advised that after every filing deadline, your filing officer will refer all non-filers to the Enforcement Division. Any future failure to file your campaign statements will automatically be brought to our attention.

A warning letter is an FPPC case resolution without administrative prosecution or fine. However, the warning letter resolution does not provide you with the opportunity for a probable cause hearing or hearing before an Administrative Law Judge or the Fair Political Practices Commission. If you wish to avail yourself of these proceedings by requesting that your case proceed with prosecution rather than a warning, please notify us within ten (10) days from the date of this letter. Upon this notification, the FPPC will rescind this warning letter and proceed with administrative prosecution of this case. If we do not receive such notification, this warning letter will be posted on the FPPC's website ten (10) days from the date of this letter.

The FPPC publishes forms and manuals to facilitate compliance with the provisions of the Act. If you need any of these publications, or guidance regarding your obligations, please call the FPPC's Technical Assistance Division at (866) 275-3772 or visit our website at www.fppc.ca.gov.
