**Warning Letter Re: FPPC No. 11/339, Committee to Elect Donna Redmayne to Antelope
Valley Union High School District School Board 2009, Donna L. Redmayne, Michael
Redmayne, Treasurer**

Dear Mr. Redmayne and Ms. Redmayne:

The Fair Political Practices Commission ("FPPC") enforces the provisions of the Political Reform Act ("Act"),¹ found in Government Code section 81000, et seq. This letter is in response to a referral from the Los Angeles County Registrar-Recorder/County Clerk that alleged you failed to timely file one 2010 semi-annual campaign statement.

The FPPC has completed its investigation of the facts in this case. Specifically, the FPPC found that you failed to file one semi-annual campaign statement (Form 460) for the period July 1, 2010 through December 31, 2010.

¹ The Political Reform Act is contained in Government Code sections 81000 through 91014. All statutory references are to the Government Code, unless otherwise indicated. The regulations of the Fair Political Practices Commission are contained in sections 18110 through 18997 of Title 2 of the California Code of Regulations. All regulatory references are to Title 2, Division 6 of the California Code of Regulations, unless otherwise indicated.

The Act requires that candidates and their committees file campaign statements at periodic intervals. Specifically, the Act provides that candidates and their committees shall file semi-annual statements on July 31 and January 31 of each year reporting activity for the prior six month period. (Section 84200). Additionally, you would continue to file campaign statements until you terminate your committee.

Your actions violated the Act because you failed to file a semi-annual campaign statement for the period July 1, 2010 through December 31, 2010 by the January 31, 2011 deadline. Since you have no prior violations of the Act, and because it appears that your committee has little or no funds left and you were defeated in the election, we are closing our file on this matter.

This letter serves as a written warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on newly discovered information or future conduct. Failure to comply with the provisions of the Act in the future will result in monetary penalties of up to \$5,000 for each violation.

Although the Enforcement Division is not seeking a penalty in the current matter, you are still responsible for any late filing fees assessed by your filing officer. (Section 91013).

A warning letter is an FPPC case resolution without administrative prosecution or fine. However, the warning letter resolution does not provide you with the opportunity for a probable cause hearing or hearing before an Administrative Law Judge or the Fair Political Practices Commission. If you wish to avail yourself of these proceedings by requesting that your case proceed with prosecution rather than a warning, please notify us within ten (10) days from the date of this letter. Upon this notification, the FPPC will rescind this warning letter and proceed with administrative prosecution of this case. If we do not receive such notification, this warning letter will be posted on the FPPC's website ten (10) days from the date of this letter.

Please feel free to contact me with any questions you may have regarding this letter.

Sincerely
