Warning Letter Re: FPPC No. 15/105, Manuel Saucedo 4 State Assembly 2013, Manuel Saucedo, and Vanessa Wiarco

Dear Mr. Saucedo and Ms. Wiarco:

The Enforcement Division of the Fair Political Practices Commission (the "Commission") enforces the provisions of the Political Reform Act (the "Act").¹ This letter is in response to a referral from the Office of the Secretary of State alleging that you failed to file two semi-annual campaign statements for the campaign committee Manuel Saucedo 4 State Assembly 2013 (the "Committee"). The Enforcement Division has completed its investigation and found that the Committee did not file semi-annual campaign statements for the July 1, 2013 through December 31, 2013, and January 1, 2014 through June 30, 2014 reporting periods.

The Act requires committees to file semi-annual campaign statements each year no later than July 31st for period ending June 30, and no later than January 31 for the period ending December 31.² The obligation to file semi-annual statements continues until the candidate or

² Section 84200.

treasurer terminates the committee. Controlling candidates and committee treasurers are jointly and severally liable for violations by the committee.³

You violated the Act because you and the Committee failed to file semi-annual campaign statements for the periods ending December 31, 2013 and June 30, 2014 despite remaining an open committee. But the Enforcement Division has decided to close this case with this warning letter rather than a fine because Mr. Saucedo did not obtain enough votes in the primary election held on July 23, 2013 to qualify for the September 24, 2013 general election. Also, none of the respondents have a prior history of violating the Act.

This letter serves as a written warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on newly discovered information or future conduct. Failure to comply with the provisions of the Act in the future will result in monetary penalties of up to \$5,000 for each violation.

While the Enforcement Division does not intend to pursue further action in this case, you must file a Termination Statement (Form 410), or the Committee will incur additional filing obligations that could result in future enforcement actions.

A warning letter is an Enforcement Division case resolution without administrative prosecution or fine. However, the warning letter resolution does not provide you with the opportunity for a probable cause hearing or hearing before an Administrative Law Judge or the Commission. If you wish to avail yourself of these proceedings by requesting that your case proceed with prosecution rather than a warning, please notify us within ten (10) days from the date of this letter. Upon this notification, the Enforcement Division will rescind this warning letter and proceed with administrative prosecution of this case. If we do not receive such notification, this warning letter will be posted on the Commission's website ten (10) days from the date of this letter.

Please feel free to contact Melerie Michael at (916) 322-8190 with any questions you may have regarding this letter.

Sincerely,

Galena West

Enforcement Division Chief
