### Warning Letter Re: FPPC No. 10/371; Modified Motorcycle Association

Dear Ms. Leier:

The Fair Political Practices Commission (the "FPPC") enforces the provisions of the Political Reform Act (the "Act"),<sup>1</sup> found in Government Code section 81000, et seq. This letter is being sent as a result of an FPPC investigation against the Modified Motorcycle Association. The FPPC initiated its investigation after receiving multiple referrals from the California Secretary of State. The referrals alleged that the Modified Motorcycle Association violated the Act's lobbying reporting provisions.

The FPPC has completed its investigation of the facts in this case. Specifically, the FPPC found that the Modified Motorcycle Association violated the Act by failing to timely file five of its required reports.

Section 86115 of the Act provides that lobbyist employers must file periodic reports. Section 82039.5 of the Act defines a lobbyist employer as an entity that either "[e]mploys one or more lobbyists for economic consideration, other than reimbursement for reasonable travel expenses, for the purpose of influencing legislative or administrative action" or "[c]ontracts for the services of a lobbying firm for economic consideration, other than reimbursement for reasonable travel expense, for the purpose of influencing legislative or administrative action." Section 86117(a) provides that these reports "shall be filed during the month following each calendar quarter." The above-mentioned reports are filed by submitting completed Form 635's to the California Secretary of State.

---

<sup>1</sup> The Political Reform Act is contained in Government Code sections 81000 through 91014. All statutory references are to the Government Code, unless otherwise indicated. The regulations of the Fair Political Practices Commission are contained in sections 18109 through 18997 of Title 2 of the California Code of Regulations. All regulatory references are to Title 2, Division 6 of the California Code of Regulations, unless otherwise indicated.

The Modified Motorcycle Association violated the Act because it did not file five required Form 635's. Specifically, your organization did not file Form 635's for the following quarters: July 1, 2009 through September 30, 2009; October 1, 2009 through December 31, 2009; January 1, 2010 through March 31, 2010; April 1, 2010 through June 30, 2010; and July 1, 2010 through September 30, 2010. Although your organization has failed to file these required reports, we are closing this matter with a warning letter because you do not have a history of violating the Act and because your previous reporting history shows no activity for several quarters.

This letter serves as a written warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on newly discovered information or future conduct. Failure to comply with the provisions of the Act in the future will result in monetary penalties of up to \$5,000 for each violation.

A warning letter is an FPPC case resolution without administrative prosecution or fine. However, the warning letter resolution does not provide you with the opportunity for a probable cause hearing or hearing before an Administrative Law Judge or the Fair Political Practices Commission. If you wish to avail yourself of these proceedings by requesting that your case proceed with prosecution rather than a warning, please notify us within ten (10) days from the date of this letter. Upon this notification, the FPPC will rescind this warning letter and proceed with administrative prosecution of this case. If we do not receive such notification, this warning letter will be posted on the FPPC's website ten (10) days from the date of this letter.

If you have further questions regarding this matter, please contact me at (916) 322-5660.

Sincerely,
