Warning Letter: Case No. 13/1316; Leisure World Democratic Club

Dear Ms. Larson,

The Fair Political Practices Commission (FPPC) enforces the provisions of the Political Reform Act (Act) contained in Government Code sections 81000 through 91014. This letter is in response to a non-filer enforcement referral from Los Angeles County Registrar. The FPPC has completed its investigation and found that this committee, failed to properly file semi-annual statements due January 31, 2014.

Committees are required to file semi-annual statements as specified in Section 84605. By not timely filing this campaign statement, you violated the Act. Your actions violated the Act because you failed to file the abovementioned statements by the specified deadline. However, since you have filed the outstanding statement and do not have an enforcement history, we are closing your case with this warning letter.

Although the Enforcement Division is closing this case without seeking a penalty, you are still required to file all outstanding statements. Please contact the Secretary of State, Political Reform Division at (916) 653- 6224 for further information regarding your filings. Please note that any future non-filings will be brought to our attention and may result in monetary penalties. This warning letter may be considered should a future FPPC enforcement action become necessary.

A warning letter is an FPPC case resolution without administrative prosecution; however, this resolution does not provide you with the opportunity for a probable cause or administrative hearing. If you wish to avail yourself of these proceedings by requesting that your case proceed with prosecution rather than a warning, please notify us within ten days from the date of this letter. Upon this notification, the FPPC will rescind this warning letter and proceed with administrative prosecution of your case. If we do not receive such notification, this warning letter will be posted on the FPPC's website.

Should you have any questions regarding this letter, contact Raina Shah at (916) 322-7050.

Sincerely,

Gary S. Winuk
Chief, Enforcement Division
