Dear Mr. Delijani:

The Enforcement Division of the Fair Political Practices Commission enforces the provisions of the Political Reform Act (the "Act").<sup>1</sup> As you are aware, the Enforcement Division received a complaint against you concerning the conflicts of interests provisions of the Act. Specifically, the complaint alleged that, as a member of the Board of Directors for the Downtown Los Angeles Neighborhood Council (DLANC), you violated the conflict of interest prohibitions by voting to approve your application for alcoholic beverages licenses for four historic theatres on Broadway in Downtown LA, during the August 14, 2012 DLANC meeting.

After a full investigation, the Enforcement Division has found insufficient evidence to establish that you made a prohibited governmental decision in this regard. The minutes of the August 14, 2012 meeting show that you were absent, an alternate was present in your place, and your alternate abstained from the vote regarding your application for alcoholic beverages licenses for the four historic theatres. Therefore, we have closed our investigation against you in this matter.

If you have any questions regarding this matter, please feel free to contact me at

Sincerely,

Angela J. Brereton  
Senior Commission Counsel  
Enforcement Division
