Warning Letter Re: FPPC Case No. 120417; Craig Candelore

Dear Mr. Candelore:

The Fair Political Practices Commission (the "FPPC") enforces the provisions of the Political Reform Act (the "Act"),¹ found in Government Code section 81000, et seq. This letter is in response to an audit report referred to us by the Franchise Tax Board. The audit covered the period January 1, 2010 through June 30, 2010. A copy of the audit report is enclosed for your information.

The audit found the following: (1) adequate records were not maintained for expenditures; (2) one semi-annual campaign statement was filed late; (3) late contribution reports were not filed for two contributions received, and (4) some payments were made directly from the candidate's personal funds.

Section 84104 of the Act makes it the duty of each candidate and treasurer to maintain detailed records to establish that campaign statements were properly filed; regulation 18401 details the specific records required for expenditures. Section 84200 requires candidates to file semiannual campaign statements and prescribes filing deadlines. Section 84203 requires a committee that receives a late contribution, as defined in Section 82036, to file a late contribution report within 24 hours of receiving the contribution. Section 85201 requires that any personal funds to be used for campaign expenditures be deposited into the campaign bank account.

The findings in the audit report are violations of the Act. The dollar amounts involved, however, are relatively small and we have decided to close this case with a warning letter.

¹ The Political Reform Act is contained in Government Code Sections 81000 through 91014. All statutory references are to the Government Code, unless otherwise indicated. The regulations of the Fair Political Practices Commission are contained in Sections 18110 through 18997 of Title 2 of the California Code of Regulations. All regulatory references are to Title 2, Division 6 of the California Code of Regulations, unless otherwise indicated.

This letter serves as a written warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on newly discovered information or future conduct. Failure to comply with the provisions of the Act in the future will result in monetary penalties of up to \$5,000 for each violation.

A warning letter is an FPPC case resolution without administrative prosecution or fine. However, the warning letter resolution does not provide you with the opportunity for a probable cause hearing or hearing before an Administrative Law Judge or the FPPC. If you wish to avail yourself of these proceedings by requesting that your case proceed with prosecution rather than a warning, please notify us within ten (10) days from the date of this letter. Upon this notification, the FPPC will rescind this warning letter and proceed with administrative prosecution of this case. If we do not receive such notification, this warning letter will be posted on the FPPC's website ten (10) days from the date of this letter.

Please feel free to contact Program Specialist William Marland with any questions you may have regarding this letter.

Sincerely,
