Warning Letter Re: FPPC No. 15/1279, Jaime Rosso and Re-Elect Ross School Board 2014

Dear Mr. Rosso:

The Enforcement Division of the Fair Political Practices Commission (the "Commission") enforces the provisions of the Political Reform Act (the "Act").¹ This letter is in response to a referral from the Santa Clara County Registrar of Voters alleging that you failed to file two semi-annual campaign statements for the campaign committee Re-Elect Ross School Board 2014 (the "Committee"). The Enforcement Division has completed its investigation and found that the Committee did not timely file semi-annual campaign statements for the July 1, 2014 through December 31, 2014, and January 1, 2015 through June 30, 2015 reporting periods.

The Act requires committees to file semi-annual campaign statements each year no later than July 31st for the period ending June 30, and no later than January 31 for the period ending December 31.² The obligation to file semi-annual statements continues until the candidate or treasurer terminates the committee. Controlling candidates and committee treasurers are jointly and severally liable for violations by the committee.³

You violated the Act because the you and the Committee failed to file semi-annual campaign statements for the periods ending December 31, 2014 and June 30, 2015 despite remaining an open committee. But the Enforcement Division has decided to close this case with this warning letter rather than a fine because you did file the campaign statements prior to contact from the Commission's Enforcement Division and you do not have a prior history of violating the Act.

¹ The Political Reform Act is contained in Government Code sections 81000 through 91014, and all statutory references are to this code.

² Section 84200.

³ Sections 83116.5 and 91006.

This letter serves as a written warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on newly discovered information or future conduct. Failure to comply with the provisions of the Act in the future will result in monetary penalties of up to \$5,000 for each violation.

While the Enforcement Division does not intend to pursue further action in this case, you must file a Termination Statement (Form 410), or the Committee will incur additional filing obligations that could result in future enforcement actions.

A warning letter is an Enforcement Division case resolution without administrative prosecution or fine. However, the warning letter resolution does not provide you with the opportunity for a probable cause hearing or hearing before an Administrative Law Judge or the Commission. If you wish to avail yourself of these proceedings by requesting that your case proceed with prosecution rather than a warning, please notify us within ten (10) days from the date of this letter. Upon this notification, the Enforcement Division will rescind this warning letter and proceed with administrative prosecution of this case. If we do not receive such notification, this warning letter will be posted on the Commission's website ten (10) days from the date of this letter.

Please feel free to contact Adrienne Korchmaros at [REDACTED] with any questions you may have regarding this letter.

Sincerely

[REDACTED]
Galena West
Enforcement Division Chief
