**Warning Letter: Case No. 14/1050; Kerry Manjuhan**

Dear Mr. Manjuhan:

The Fair Political Practices Commission (FPPC) enforces the provisions of the Political Reform Act (Act) contained in Government Code sections 81000 through 91014. This letter is in response to a non-filer enforcement referral from the FPPC's Technical Assistance Division. The FPPC has completed its investigation and found that you took office as a member of the Isleton Planning Commission on 4/27/12 and left office 11 days later on 5/8/12. Further, you failed to file any Statements of Economic Interest (SEI) in connection with this position.

Section 87200 of the Act requires certain public officials to disclose reportable interests. Every candidate for the offices specified in Section 87200 shall file no later than the final filing date of a declaration of candidacy, a statement disclosing his or her investments, interests in real property, and any income received during the immediately preceding 12 months. Every person who is elected shall then file a statement within 30 days after assuming office. Throughout the duration of holding that office, he or she shall file an annual statement at the time specified by Commission regulations. Lastly, every person who leaves office shall file within 30 days of leaving office.

Your actions violated the Act because you failed to file a combined Assuming Office and Leaving Office SEI covering 4/27/11 – 5/8/12, due 6/8/12. However, since you are no longer in this position and you do not have any prior enforcement actions in connection with this position, we are closing your case with this warning letter. Although the Enforcement Division is closing this case without seeking a penalty, you are still required to file all outstanding statements. Please contact your filing officer, Trish Mayer, at (916) 322-5746 for further information. Please note that any future non-filings will be brought to our attention and may result in monetary penalties. This warning letter may be considered should a future FPPC enforcement action become necessary.

A warning letter is an FPPC case resolution without administrative prosecution; however, this resolution does not provide you with the opportunity for a probable cause or administrative hearing. If you wish to avail yourself of these proceedings by requesting that your case proceed with prosecution rather than a warning, please notify us within ten days from the date of this letter. Upon this notification, the FPPC will rescind this warning letter and proceed with administrative prosecution of your case. If we do not receive such notification, this warning letter will be posted on the FPPC's website.

Should you have any questions regarding this letter, contact Ryan Meyerhoff at (916) 322-7050.

Sincerely,

[REDACTED]

Gary S. Winuk  
Chief, Enforcement Division
