**FPPC No. 12/875: Alfred "Leroy" Ornellas**

Dear Mr. Ornellas:

The Fair Political Practices Commission (the "Commission") enforces the provisions of the Political Reform Act (the "Act")<sup>1</sup>. As you are aware, the Commission received a complaint against you concerning the conflicts of interests provisions specified in Government Code Section 84308. Specifically, the complaint alleged that you received a \$375 campaign contribution from Surland Companies, LLC, and subsequently made decisions regarding Surland Companies, LLC, in your capacity as a Board Member of the San Joaquin Airport Land Use Commission.

After a full investigation, the Enforcement Division has found insufficient evidence to find a violation of the Act. Our investigation revealed that as a Board Member of the San Joaquin Airport Land Use Commission, you were an officer of an agency under Section 84308. However, for Section 84308 to apply, the decisions must be in proceedings involving a license, permit, or other entitlement for use pending before the agency, as defined by Section 84308 and its companion regulations. None of the decisions reviewed during our investigation were in proceedings involving a license, permit, or other entitlement for use pending before the San Joaquin Airport Land Use Commission. Therefore, we have closed our file in this matter.

If you have any questions regarding this matter, please feel free to contact me at 916-322-5660.

Sincerely,
