Re: Warning Letter

FPPC Case No. 09/688; Riverside County Democratic Central Committee

Period covered in the audit: January 1, 2005 through December 31, 2006

Dear REDACTED

The Fair Political Practices Commission (the "FPPC") enforces the provisions of the Political Reform Act (the "Act"),¹ found in Government Code section 81000, et seq. This letter is in response to an audit report referred to us by the Franchise Tax Board. A copy of that audit report is enclosed for your information.

You will note that the report indicates that three pre-election statements were not filed with the Secretary of State. Please be advised that Section 84200.5(f) requires a political party committee to file pre-election statements if it receives contributions totaling \$1,000 or more or makes contributions totaling \$500 or more during the applicable period.

The report also indicates that late contribution reports were not filed for three contributions received. Section 82036(b) defines a late contribution as any contribution that totals \$1,000 or more made or received by a political party committee before the date of any state election and after the closing date of the last campaign statement before the election. Section 84203 requires a late contribution report to be filed within 24 hours of making or receiving the late contribution.

This letter serves as a written warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on newly

If you wish to avail yourself of these proceedings by requesting that your case proceed with prosecution rather than a warning, please notify us within ten (10) days from the date of this letter. Upon this notification, the FPPC will rescind this warning letter and proceed with administrative prosecution of this case. If we do not receive such notification, this warning letter will be posted on the FPPC's website ten (10) days from the date of this letter.
