Warning Letter Re: FPPC No. 11/1069; Rancho Bernardo Democratic Club; Pat Jones, Respondent(s)

Dear Mr. Jones:

The Fair Political Practices Commission (the "Commission") enforces the provisions of the Political Reform Act (the "Act"),¹ found in Government Code section 81000, et seq. This letter is in response to a referral from the San Diego Registrar of Voters who alleges that your committee has failed to file a semi-annual campaign statement.

The Enforcement Division of the Commission has completed its investigation of the facts in this case. Specifically, the Enforcement Division found that you have failed to file a semi-annual campaign statement for the period January 1, 2011 through June 30, 2011 by the August 1, 2011 deadline with San Diego County.

The Act requires that candidates and their committees file campaign statements at periodic intervals. Specifically, the Act provides that candidates and their committees shall file semiannual statements on July 31 and January 31 of each year reporting activity for the prior six month period. (Gov. Code § 84200.) Additionally, you would continue to file campaign statements until you terminate your committee.

Your actions violated the Act because you failed to file the semiannual campaign statement identified above. Since it does not appear that you did not have significant activity during the period covered by your statement, we are closing our file on this matter.

¹ The Political Reform Act is contained in Government Code sections 81000 through 91014. All statutory references are to the Government Code, unless otherwise indicated. The regulations of the Fair Political Practices Commission are contained in sections 18110 through 18997 of Title 2 of the California Code of Regulations. All regulatory references are to Title 2, Division 6 of the California Code of Regulations, unless otherwise indicated.

This letter serves as a written warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on newly discovered information or future conduct. Failure to comply with the provisions of the Act in the future will result in monetary penalties of up to \$5,000 for each violation.

You must immediately file the campaign statement noted above with the San Diego County Registrar of Voters.

A warning letter is an FPPC case resolution without administrative prosecution or fine. However, the warning letter resolution does not provide you with the opportunity for a probable cause hearing or hearing before an Administrative Law Judge or the Fair Political Practices Commission. If you wish to avail yourself of these proceedings by requesting that your case proceed with prosecution rather than a warning, please notify us within ten (10) days from the date of this letter. Upon this notification, the FPPC will rescind this warning letter and proceed with administrative prosecution of this case. If we do not receive such notification, this warning letter will be posted on the FPPC's website ten (10) days from the date of this letter.

Please feel free to contact me with any questions you may have regarding this letter.

Sincerely,

REDACTED
