**Re: Warning Letter
FPPC No. 090576; David Flory**

Dear Mr. Flory:

The Fair Political Practices Commission ("Commission") enforces the provisions of the Political Reform Act (the "Act") found in Government Code Section 81000, and following. The Act requires that employees designated in their employer's conflict of interest code file Statements of Economic Interests (Form 700) when they assume office, annually thereafter, and within 30 days of leaving their position.

The Enforcement Division of the Commission has determined that you failed to file leaving office statements of economic interests by the August 8, 2008, deadline regarding your position as former Director with the Sacramento Area Council of Governments, and with Capitol Valley SAFE.

We have decided to close this case. Your failure to file the required statements is a violation of the Act. (Gov. Code § 87300.) This letter serves as a written warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on future conduct or newly discovered information.

You must immediately file a statement listing your position with both agencies with the Commission's Technical Assistance Division.

Failure to comply with the provisions of the Act in the future may result in an enforcement action against you, including monetary penalties of up to \$5,000 for each violation.

Although the Enforcement Division is not seeking a penalty in the current matter, you are still responsible for any late filing fees assessed by the Technical Assistance Division. (Gov. Code § 91013.)
