Instructions Cover Page

Enter your name, mailing address, and daytime telephone number in the spaces provided. **Because the Form 700 is a public document, you may list your business/office address instead of your home address.**

Part 1. Office, Agency, or Court

- Enter the name of the office sought or held, or the agency or court. Consultants must enter the public agency name rather than their private firm's name. (Examples: State Assembly; Board of Supervisors; Office of the Mayor; Department of Finance; Hope County Superior Court)
- Indicate the name of your division, board, or district, if applicable. (Examples: Division of Waste Management; Board of Accountancy; District 45). **Do not use acronyms.**
- Enter your position title. (Examples: Director; Chief Counsel; City Council Member; Staff Services Analyst)
- If you hold multiple positions (i.e., a city council member who also is a member of a county board or commission), you may be required to file statements with each agency. To simplify your filing obligations, you may complete an expanded statement.
- To do this, enter the name of the other agency(ies) with which you are required to file and your position title(s) in the space provided. **Do not use acronyms.** Attach an additional sheet if necessary. Complete one statement covering the disclosure requirements for all positions. Each copy must contain an original signature. Therefore, before signing the statement, make a copy for each agency. Sign each copy with an original signature and file with each agency.

If you assume or leave a position after a filing deadline, you must complete a separate statement. For example, a city council member who assumes a position with a county special district after the April 1 annual filing deadline must file a separate assuming office statement. In subsequent years, the city council member may expand his or her annual filing to include both positions.

Example:

Scott Baker is a city council member for the City of Lincoln and a board member for the Camp Far West Irrigation District – a multi-county agency that covers Placer and Yuba counties. Scott will complete one Form 700 using full disclosure (as required for the city position) and covering interests in both Placer and Yuba counties (as required for the multi-county position) and list both positions on the Cover Page. Before signing the statement, Scott will make a copy and sign both statements. One statement will be filed with City of Lincoln and the other will be filed with Camp Far West Irrigation District. Both will contain an original signature.

Part 2. Jurisdiction of Office

- Check the box indicating the jurisdiction of your agency and, if applicable, identify the jurisdiction. Judges, judicial candidates, and court commissioners have statewide jurisdiction. All other filers should review the Reference Pamphlet, page 13, to determine their jurisdiction.
- If your agency is a multi-county office, list each county in which your agency has jurisdiction.

- If your agency is not a state office, court, county office, city office, or multi-county office (e.g., school districts, special districts and JPAs), check the "other" box and enter the county or city in which the agency has jurisdiction.

Example:

This filer is a member of a water district board with jurisdiction in portions of Yuba and Sutter Counties.

Part 3. Type of Statement

1. Office, Agency, or Court	
Agency Name _____	
South Sutter Water District	
Division, Board, Department, District, if applicable _____	Your Position _____

<input type="checkbox"/> Multi-County _____	<input type="checkbox"/> County of _____
<input type="checkbox"/> City of _____	<input checked="" type="checkbox"/> Other: Portions of Yuba & Sutter Counties

Check at least one box. The period covered by a statement is determined by the type of statement you are filing. If you are completing a 2013 annual statement, **do not** change the pre-printed dates to reflect 2014. Your annual statement is used for reporting the **previous year's** economic interests. Economic interests for your annual filing covering January 1, 2014, through December 31, 2014, will be disclosed on your statement filed in 2015. See Reference Pamphlet, page 4.

Combining Statements: Certain types of statements may be combined. For example, if you leave office after January 1, but before the deadline for filing your annual statement, you may combine your annual and leaving office statements. File by the earliest deadline. Consult your filing officer or the FPPC.

Part 4. Schedule Summary

- Enter the total number of completed pages including the cover page and either:

Check the box for each schedule you use to disclose interests;

- or -

if you have nothing to disclose on any schedule, check the "No reportable interests" box. Please **do not** attach any blank schedules.

Part 5. Verification

Complete the verification by signing the statement and entering the date signed. All statements must have an original "wet" signature or be duly authorized by your filing officer to file electronically under Government Code Section 87500.2. Instructions, examples, FAQs, and a reference pamphlet are available to help answer your questions. **When you sign your statement, you are stating, under penalty of perjury, that it is true and correct.** Only the filer has authority to sign the statement. An unsigned statement is not considered filed and you may be subject to late filing penalties.

Instructions – Schedule A-2

Investments, Income, and Assets of Business Entities/Trusts

Use Schedule A-2 to report investments in a business entity (including a consulting business or other independent contracting business) or trust (including a living trust) in which you, your spouse or registered domestic partner, and your dependent children together had a 10% or greater interest, totaling \$2,000 or more, during the reporting period and which is located in, doing business in, planning to do business in, or which has done business during the previous two years in your agency's jurisdiction. See Reference Pamphlet, page 13. A trust located outside your agency's jurisdiction is reportable if it holds assets that are located in or doing business in the jurisdiction. Do not report a trust that contains non-reportable interests. For example, a trust containing only your personal residence not used in whole or in part as a business, your savings account, and some municipal bonds, is not reportable.

Also report on Schedule A-2 investments and real property held by that entity or trust if your pro rata share of the investment or real property interest was \$2,000 or more during the reporting period.

To Complete Schedule A-2:

Part 1. Disclose the name and address of the business entity or trust. If you are reporting an interest in a business entity, check "Business Entity" and complete the box as follows:

- Provide a general description of the business activity of the entity.
- Check the box indicating the highest fair market value of your investment during the reporting period.
- If you initially acquired or entirely disposed of this interest during the reporting period, enter the date acquired or disposed.
- Identify the nature of your investment.
- Disclose the job title or business position you held with the entity, if any (i.e., if you were a director, officer, partner, trustee, employee, or held any position of management). A business position held by your spouse is not reportable.

Part 2. Check the box indicating **your pro rata** share of the **gross** income received by the business entity or trust. This amount includes your pro rata share of the **gross** income from the business entity or trust, as well as your community property interest in your spouse's or registered domestic partner's share. Gross income is the total amount of income before deducting expenses, losses, or taxes.

Part 3. Disclose the name of each source of income that is located in, doing business in, planning to do business in, or that has done business during the previous two years in your agency's jurisdiction, as follows:

- Disclose each source of income and outstanding loan to the business entity or trust identified in Part 1 if your pro rata share of the **gross** income (including your community property interest in your spouse's or registered domestic partner's share) to the business entity or trust from that source was \$10,000 or more during the reporting period. See Reference Pamphlet, page 11, for examples.

Income from governmental sources may be reportable if not considered salary. See Regulation 18232. Loans from commercial lending institutions made in the lender's regular course of business on terms available to members of the public without regard to your official status are not reportable.

- Disclose each individual or entity that was a source of commission income of \$10,000 or more during the reporting period through the business entity identified in Part 1. See Reference Pamphlet, page 8, for an explanation of commission income. You may be required to disclose sources of income located outside your jurisdiction. For example, you may have a client who resides outside your jurisdiction who does business on a regular basis with you. Such a client, if a reportable source of \$10,000 or more, must be disclosed.

Mark "None" if you do not have any reportable \$10,000 sources of income to disclose. Using phrases such as "various clients" or "not disclosing sources pursuant to attorney-client privilege" may trigger a request for an amendment to your statement. See Reference Pamphlet, page 14, for details about requesting an exemption from disclosing privileged information.

Part 4. Report any investments or interests in real property held or leased by the entity or trust identified in Part 1 if your pro rata share of the interest held was \$2,000 or more during the reporting period. Attach additional schedules or use FPPC's Form 700 Excel spreadsheet if needed.

- Check the applicable box identifying the interest held as real property or an investment.
- If investment, provide the name and description of the business entity.
- If real property, report the precise location (e.g., an assessor's parcel number or address).
- Check the box indicating the highest fair market value of your interest in the real property or investment during the reporting period. (Report the fair market value of the portion of your residence claimed as a tax deduction if you are utilizing your residence for business purposes.)
- Identify the nature of your interest.
- Enter the date acquired or disposed only if you initially acquired or entirely disposed of your interest in the property or investment during the reporting period.

Instructions – Schedule B Interests in Real Property

Report interests in real property located in your agency's jurisdiction in which you, your spouse or registered domestic partner, or your dependent children had a direct, indirect, or beneficial interest totaling \$2,000 or more any time during the reporting period. See Reference Pamphlet, page 13.

Interests in real property include:

- An ownership interest (including a beneficial ownership interest)
- A deed of trust, easement, or option to acquire property
- A leasehold interest (See Reference Pamphlet, page 14.)
- A mining lease
- An interest in real property held in a retirement account (See Reference Pamphlet, page 15.)
- An interest in real property held by a business entity or trust in which you, your spouse or registered domestic partner, and your dependent children together had a 10% or greater ownership interest (Report on Schedule A-2.)
- Your spouse's or registered domestic partner's interests in real property that are legally held separately by him or her

You are not required to report:

- A residence, such as a home or vacation cabin, used exclusively as a personal residence (However, a residence in which you rent out a room or for which you claim a business deduction may be reportable. If reportable, report the fair market value of the portion claimed as a tax deduction.)

Please note: A non-reportable residence can still be grounds for a conflict of interest and may be disqualifying.

- Interests in real property held through a blind trust (See Reference Pamphlet, page 16, for exceptions.)

To Complete Schedule B:

- Report the precise location (e.g., an assessor's parcel number or address) of the real property.
- Check the box indicating the fair market value of your interest in the property (regardless of what you owe on the property).
- Enter the date acquired or disposed only if you initially acquired or entirely disposed of your interest in the property during the reporting period.
- Identify the nature of your interest. If it is a leasehold, disclose the number of years remaining on the lease.
- If you received rental income, check the box indicating the gross amount you received.
- If you had a 10% or greater interest in real property and received rental income, list the name of the source(s) if your pro rata share of the gross income from any single

tenant was \$10,000 or more during the reporting period. If you received a total of \$10,000 or more from two or more tenants acting in concert (in most cases, this will apply to married couples), disclose the name of each tenant. Otherwise, mark "None."

- Loans from a private lender that total \$500 or more and are secured by real property may be reportable. **Loans from commercial lending institutions made in the lender's regular course of business on terms available to members of the public without regard to your official status are not reportable.**

When reporting a loan:

- Provide the name and address of the lender.
- Describe the lender's business activity.
- Disclose the interest rate and term of the loan. For variable interest rate loans, disclose the conditions of the loan (e.g., Prime + 2) or the average interest rate paid during the reporting period. The term of a loan is the total number of months or years given for repayment of the loan at the time the loan was established.
- Check the box indicating the highest balance of the loan during the reporting period.
- Identify a guarantor, if applicable.

If you have more than one reportable loan on a single piece of real property, report the additional loan(s) on Schedule C.

Example:

Joe Nelson is a city planning commissioner. Joe received rental income of \$12,000 during the reporting period from a single tenant who rented property Joe owned in the city's jurisdiction. If Joe had received the \$12,000 from two or more tenants, the tenants' names would not be required as long as no single tenant paid \$10,000 or more. A married couple would be considered a single tenant.

When reporting a loan:

- Provide the name and address of the lender.
- Describe the lender's business activity.
- Disclose the interest rate and term of the loan. For variable interest rate loans, disclose the conditions of the loan (e.g., Prime + 2) or the average interest rate paid during the reporting period. The term of a loan is the total number of months or years given for repayment of the loan at the time the loan was established.
- Check the box indicating the highest balance of the loan during the reporting period.
- Identify a guarantor, if applicable.

If you have more than one reportable loan on a single piece of real property, report the additional loan(s) on Schedule C.

Example:

Joe Nelson is a city planning commissioner. Joe received rental income of \$12,000 during the reporting period from a single tenant who rented property Joe owned in the city's jurisdiction. If Joe had received the \$12,000 from two or more tenants, the tenants' names would not be required as long as no single tenant paid \$10,000 or more. A married couple would be considered a single tenant.

Instructions – Schedule C Income, Loans, & Business Positions (Income Other Than Gifts and Travel Payments)

Reporting Income:

Report the source and amount of gross income of \$500 or more you received during the reporting period. Gross income is the total amount of income before deducting expenses, losses, or taxes and includes loans other than loans from a commercial lending institution. See Reference Pamphlet, page 11. You must also report the source of income to your spouse or registered domestic partner if your community property share was \$500 or more during the reporting period.

A source of income must be reported only if the source is located in, doing business in, planning to do business in, or has done business during the previous two years in your agency's jurisdiction. See Reference Pamphlet, page 13, for more information about doing business in the jurisdiction. Reportable sources of income may be further limited by your disclosure category located in your agency's conflict of interest code.

Reporting Business Positions:

You must report your job title with each reportable business entity even if you received no income during the reporting period. Use the comments section to indicate that no income was received.

Commonly reportable income and loans include:

- Salary/wages, per diem, and reimbursement for expenses including travel payments provided by your employer
- Community property interest (50%) in your spouse's or registered domestic partner's income - **report the employer's name and all other required information**
- Income from investment interests, such as partnerships, reported on Schedule A-1
- Commission income not required to be reported on Schedule A-2 (See Reference Pamphlet, page 8.)
- Gross income from any sale, including the sale of a house or car (Report your pro rata share of the total sale price.)
- Rental income not required to be reported on Schedule B
- Prizes or awards not disclosed as gifts
- Payments received on loans you made to others, including loan repayments from a campaign committee (including a candidate's own campaign committee)
- An honorarium received prior to becoming a public official (See Reference Pamphlet, page 10, concerning your ability to receive future honoraria.)
- Incentive compensation (See Reference Pamphlet, page 12.)

Reminders

- Code filers – your disclosure categories may not require disclosure of all sources of income.
- If you or your spouse or registered domestic partner are self-employed, report the business entity on Schedule A-2.
- Do not disclose on Schedule C income, loans, or business positions already reported on Schedules A-2 or B.

You are not required to report:

- Salary, reimbursement for expenses or per diem, or social security, disability, or other similar benefit payments received by you or your spouse or registered domestic partner from a federal, state, or local government agency.
- Stock dividends and income from the sale of stock unless the source can be identified.
