

City of Murrieta City Council Policy

**POLICY: DISTRIBUTION, USE AND REPORTING OF
TICKETS AND PASSES CONTROLLED BY THE CITY**

POLICY NO.: 100-08

DATE: February 2, 2010

I. PURPOSE

The purpose of this policy is to ensure that tickets and passes provided to and distributed by the city are in furtherance of a governmental and/or public purpose as required under Section 18944.1 of Title 2, Division 6 of the California Code of Regulations.

This policy is subject to all applicable Fair Political Practices Commission ("FPPC") regulations as well as the Political Reform Act. Nothing in this policy is intended to alter, amend or otherwise affect the obligations of city officials under the Political Reform Act and its implementing regulations.

Tickets or passes to an event distributed and accounted for in compliance with this policy will not be considered as gifts to city officials who make use of such tickets and passes.

II. ORGANIZATIONS AFFECTED

The City of Murrieta, Murrieta Redevelopment Agency, Community Services District, Fire District, Library Board, Financing Authority, and applicable commissions, and any other affiliated agency created or activated by the Murrieta City Council and any departments. All references within this policy to "City" shall also apply to all entities mentioned above.

III. REFERENCES

- A. California Political Reform Act (Government Code sections 81000, *et seq.*) and implementing regulations (Title 2, Division 6 of the California Code of Regulations, sections 18100, *et seq.*)
- B. Resolution No. 08-2105 of the City of Murrieta and any subsequent replacement resolution adopting the City's Conflict of Interest Code.

IV. APPLICABILITY

- A. This policy applies to tickets and passes which provide admission to a facility or event for an entertainment, amusement, recreational or similar purpose, and are:
 1. Gratuitously provided to the city by an outside source;
 2. Acquired by the city by purchase;
 3. Acquired by the city as consideration pursuant to the terms of a contract for the use of a city venue; or
 4. Acquired and distributed by the city in any other manner.

Distribution, Use and Reporting of Tickets and Passes

- B. This policy shall only apply to the city's distribution of tickets/passes to, or at the behest of, a city official.
- C. This policy does not apply to the following:
1. Other Items of Value. Any other item of value provided to the city or any city official. Those benefits will need to be accounted for as gifts to the city official regardless of whether received gratuitously or for which consideration is provided, except gifts to the agency, pursuant to FPPC Regulation 18944.2. This includes food, beverages, or gifts provided to a city official at an event that is not included in the fair market value of the ticket.
 2. Ceremonial Role or Function. Tickets or passes provided by a source other than the City to a city official to carry out his or her job duties or where the city official will perform a ceremonial role or function on behalf of the city at the event are not considered gifts to the city official and are exempt from the disclosure and reporting requirement of this policy.
 4. Reimbursement. This policy does not apply when a city official reimburses the city, at the time of ticket distribution, for the face value of the ticket.
 5. Reported as Gifts. Tickets that are donated or provided by an outside source and are earmarked for use by a specific city official are considered gifts to the city official, may not be distributed pursuant to this policy, and are subject to the disclosure and reporting requirements applicable to gifts pursuant to the California Political Reform Act and FPPC regulations.
- D. Complimentary Tickets to Political and Non-Profit Fundraisers.
1. The reporting requirements for complimentary tickets to political and non-profit fundraising events are governed by FPPC Regulation 18946.4, and the city has no jurisdiction to modify the reporting requirements. These complimentary tickets are referenced in this policy as a convenience to persons seeking information concerning distribution of complimentary tickets. Pursuant to said Regulation, all complimentary tickets provided directly to a city official to political or non-profit fundraising events are reportable as gifts on an official's Statement of Economic Interest Form 700 and are subject to the annual gift limit (currently \$420 per calendar year) unless one of the following narrow exceptions applies:
 - a. A city official may receive one complimentary ticket from a 501(c)(3) charitable organization to its fundraising event, provided that the official does not receive more than the annual gift limit (currently \$420) in the value of the non-deductible portion of the ticket from that charity within a calendar year. The official must make sure that the charity is a valid Internal Revenue Service 501(c)(3) organization because not all "non-profit organizations" are 501(c)(3) organizations. Also, a gift of a ticket or tickets to a 501(c)(3) charitable organization's fundraising event to an official from a third party other than the 501(c)(3) charitable organization is a gift to the official from that third party, subject to the gift limit and reportable on Form 700.
 - b. A city official may receive one complimentary ticket to a political fundraising event for a political committee as defined in Government Code section 82013(a), or a comparable committee regulated under federal law holding an event in California, or the committee of a candidate. Also, a gift of a ticket to a political committee or candidate's fundraising event to an official from a third party other

than the committee or candidate sponsoring it is a gift to the official from that third party, subject to the gift limit and reportable on Form 700.

FPPC Regulation 18946.4 contains detailed regulations concerning the calculation of the value of tickets to political and non-profit fundraisers when such tickets must be reported.

2. Complimentary tickets to a fundraising event for non-profit organizations donated to the city, without designation of who should attend, will be distributed as otherwise provided in this policy.
