TICKET AND PASS DISTRIBUTION POLICY

PURSUANT TO FPPC REGULATION 18044.1

EFFECTIVE DATE – May 3, 2012

PURPOSE:

To establish a policy as mandated by recent regulations promulgated by the Fair Political Practices Commission (FPPC), which require that any distribution of tickets and passes received by the City be made pursuant to a written policy.

BACKGROUND:

Effective February 7, 2009, the FPPC amended Regulation section 18944.1, which governs the distribution of tickets and passes received by public agencies and distributed to, or at the behest of, public officials. FPPC Regulation 18944.1 now requires that unless the officials report the value of the tickets and passes they receive from an agency as income, the tickets and/or passes may only be distributed in accordance with an officially adopted policy requiring that the distribution of tickets and passes accomplish public purposes of the agency. All of the tickets and/or passes must be accounted for on a very detailed reporting form. The City Clerk will be responsible for completing, verifying and posting the forms on the City's webpage.
